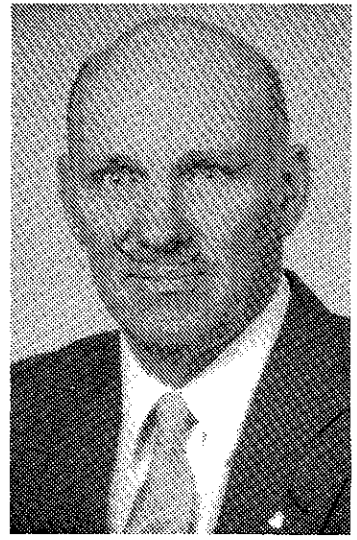
Thanks ...

The Town of Menasha Lions Club wishes to thank all the advertisers, contributors and Lions who have helped to make this a successful convention.

We Serve

—1917 75 Years 1992—

I would like to welcome and thank each and everyone of you for attending our 27-B1 convention. I would also like to thank the Town of Menasha Lions Club for hosting our 16th annual convention. We are looking forward to some quality time with our International Director Lion Bob Seibert and wife Mary. I want to urge each of you to extend your hand of friendship, and make them feel welcome to our District.



We are asking each and everyone of you to take part in the seminars. They will provide you with a great deal of information that you can take back to your club.

Have fun. Attend seminars. And be sure to vote.

Lion Bob

District Governor 27-B1
Robert Showers

To: District 27-B1 Lions, Lioness and Guests

A big hearty "welcome" to the Valley Inn and our District's 16th Annual Convention. The Town of Menasha Lions have done a terrific job of planning this weekend and I know they will be gracious hosts. From the Friday night hospitality to the final minute of the Governor's Banquet, there'll be "fun and learning" in store for everyone. It is up to all of us - delegates, alternates, and all attendees to take this Lions information back to our home clubs and share with all the grass-roots Lions the news of all Lion activities and projects. Make plans right now to attend three different seminars of your choice and you'll get this information first hand from experts in these Lions projects. (Right now I want to say a big public "Thank You" to all the seminar presenters for their hard work in putting together informative and interesting sessions and for a job well done.)

Our distinguished guests for the entire week-end will be International Director Bob Seibert and his wife Mary from New York State. Get to meet them - I'm sure that his enthusiasm for Lionism will rub off on us these three days. We are "International Lions."

HAVE A GOOD TIME!

IPDG Vic V. Voigt
Convention Liaison

TOWN OF MENASHA

Dear Lion and Lioness Members:

Once again the lions have chosen the Town of Menasha Lions Club to host your District Convention.

We, in the Town of Menasha are extremely proud of our local Lions Club and the fine contributions they have made to our town parks.

Your 16th Annual Convention being held in the City of Neenah indicates a growing organization. One that is dedicated to servicing mankind in a spirit that transcends all human barriers.

On behalf of the Town Board of Supervisors, our citizens and other local government officials I warmly welcome you and your guests to our community, I hope your stay is a pleasant one and that you return in the near future.

Sincerely

David P. Henneman
Chairman, Town of Menasha

- NOTES -

ROBERT B. "BOB" SEIBERT
International Director

Robert B. "Bob" Seibert, of Liverpool, New York, USA, was elected to serve a two-year term as a driector of The International Association of Lions Clubs at the association's 73rd International Convention, held in St. Louis, Missouri, USA, July 11-14, 1990.

Director Seibert is retired from AT&T after 31 years in a managerial position.

He is a life member and past president of the Liverpool Lions Club and served as a district governor, council chairman and cabinet secretary/treasurer. Director Seibert has also been a moderator and presenter at several USA/Canada Lions Forums.

In recognition of his extensive service to Lions Clubs International, he has received 17 District Governor Awards, the Rebuilding Lion Award, the 100% District Governor Award, Master Key, 25-Year Monarch Chevron, Extension Award, three International President's Awards and the Melvin Jones Fellowship.

Active in many community organizations, he is an honorary life member of the Central New York Eye Bank and is active in his church.

Director Seibert and his wife, Mary have three children and three grandchildren.

LIONS
Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

ROBERT B. "BOB" SEIBERT

International Director

Robert B. "Bob" Seibert, of Liverpool, New York, USA, was elected to serve a two-year term as a director of the International Association of Lions Clubs at the Association's 73rd International Convention held in St. Louis, Missouri, USA, July 11-14, 1990.

Director Seibert is retired from AT&T after 31 years in a managerial position.

He is a life member and past president of the Liverpool Lions Club and served as a district governor, council chairman and cabinet secretary/treasurer. Director Seibert has also been a moderator and presenter at several USA/Canada Lions Forums.

In recognition of his extensive service to Lions Clubs International, he has received 17 District Governor Awards, the Rebuilding Lion Award, the 100% District Governor Award, Master Key, 25-Year Monarch Chevron, Extension Award, three International President's Awards and the Melvin Jones Fellowship.

Active in many community organizations, he is an honorary life member of the Central New York Eye Bank and is active in his church.

Director Seibert and his wife, Mary, have three children and three grandchildren.

JULY 1991

ALOHA and G-DAY MATES ...

I bid you greetings in the language of our fellow Lions and Lioness from Hawaii and Australia. We have returned to Wisconsin and are looking forward to serving you this year.

The trip consisted of 20,902 miles from Packwaukee to Madison to Minneapolis to San Francisco to Los Angeles to Hawaii to Figi to Sydney to Brisbane, Australia for our 75th International Convention and then back to Packwaukee.

This International Convention marks the start of our 75th year of Lions. It was truly an International experience and very rewarding.

You too can experience a rewarding time by working with your fellow Lions or Lioness in your club and by visiting your neighboring clubs and meeting them. We truly are ONE large club of men and women with one common goal ...WE SERVE.

I want to congratulate Governor Vic Voigt and Christine for the GREAT JOB they did serving our District last year. Let's all give them a big Lions *ROAR.*

My major goal in B-1 this year will be Membership. Together we will work to bring new Lions into our organization. But more important to our clubs, is to keep the quality members we now have. Keep in mind a pat on the back works wonders and an unkind word cuts deep and drives away good Lions. I am asking each Lion and Lioness to invite a guest to their meeting this year. Tell this person all about the good things we do and maybe ... just maybe we can get him or her to become a Lion or Lioness. I want everyone to start planning now who they can invite. A friend, a neighbor, a business acquaintance, your banker, lawyer or your spouse. Bring someone into our scope of thinking--WE CARE--WE SERVE.

I want to urge you to attend the 15th annual USA/Canada Leadership Forum. This years forum will be held in Salt Lake City, Utah on September 26, 27, 28, & 29. Clubs, please consider sending your 1st Vice President or your President. They will bring back a load of information for all of you to use in the coming years. Forums are truly a motivational experience.

Plan now to attend our B-1 District Convention in Neenah. The convention will be hosted by the Town of Menasha Lions on November 1, 2 and 3. Many interesting seminars have been planned and it should be a learning experience for all. We have competition for our next District Governor, so the hospitality rooms should provide a great time on Friday evening.

Now let's all work hard for your Lions Club. Let's have a lot of fun doing it and maybe at the end of our year together we can say--"THIS WAS THE BEST YEAR SO FAR."

Roaringly yours,
DISTRICT GOVERNOR

Bob

INTERNATIONAL CONVENTION REPORT

Hats Off to

HARRY AND KATHIE MERRIMAN: Lion Harry was elected an International Director at our convention in Brisbane.

3rd VICE PRESIDENT: Professor. Dr. Giuseppe "Pino" Grimaldi • Italy.

THE "9" RESOLUTION, as listed in the June issue of *The Lion* - All passed.

Peace Poster Contest

Another great way for your Lions/Lioness club to get involved in the community! This is the 4th year of the contest and last year's district winner went on to win the State competition and was entered in the International contest.

Why don't you use the form below and order at least one kit for a school in your community? The contest is open to students age 11, 12, or 13. Each club in the district will be eligible to submit one poster for district competition at Neenah on November 1st, 2nd, and 3rd. The district winners will be selected at that time and go on to enter our Wisconsin Multiple District Competition. We could have a real nice display in November if each of our clubs start working on it right now. Club Presidents- Why not appoint a 3 or 4 man/lady committee to take charge? You'll be pleasantly surprised how much talent we have in those youngsters out there! Both public and parochial schools can compete. It isn't a big investment on the club level and can really work wonderful P.R. in your community.

All Region Chairmans will keep points of each club for the district contest. Also keep names, addresses, and month deceased of Lions in your region.

June 2, 1991

I would like to thank those Lion, Lioness, and Leo clubs who responded to the letter that I sent late last month asking for a gift donation to the Birch/Sturm Fellow in D.G. Victor Voigt's name. Last evening, at his "roast", $600.00 was collected. I am sure that given more time to prepare, the total of $1000.00 would have been achieved.

To those Lions and Lioness Clubs who have not responded and would like to, there is yet time to do so. I realize that there are some clubs who do not meet during the summer may still wish to donate. Please make check donations out to; WLF Birch/Sturm Fellow • D.G. Victor Voigt, and mail it to one of our WLF Directors ... Lion Milt Wood or Lion Herb Schneider, and they will take care of the rest.

The plan is to make the presentation of the Birch/Sturm Fellow to D.G. Vic at the B1 District Convention in November. Again, thank you all for participating.

Yours in service,

Lion Paul

Paul A. Tadych P.D.G.

G'DAY LIONS AND LIONESS:

It doesn't seem possible that we have been back from Australia for over a month. Our Lionistic journey together is moving ahead rapidly.

I know you are having your summer fund raisers and I trust they are all going well. We have enjoyed our visitations so far this month and are eagerly looking forward to the remaining visits.

Lions Day at <u>our</u> Camp Rosholt was a great success again this year. The weather was pretty good and the food was excellent. Many Lions, Lioness, Leos and guests visited the camp and toured the facilities. It was great to see our camp in use by all the campers. We thoroughly enjoyed our personal guided tour of the camp and it made Jeri and I very proud to be Lions.

Now that we are completing our summer fund raisers and have visited our Lions Camp, let's plan to get our contributions to Wisconsin Lions Foundation sent in as soon as possible. The camp can use the money now during their busiest season ... you will have your yearly obligation behind you and we can become the first district in the State to be 100% in their WLF contributions.

July 1st, marked the beginning of our Association's 75th year. Let's all strive to make this the best year ever for your Club, District, and International. Our International President Donald Banker's theme for this year is INVOLVEMENT. Let's all become involved in our club, in our club projects and in Lions International. To quote International President Don, "There are three kinds of people ... those who do - those who watch - and those who wonder how it was done."

As I mentioned in my last newsletter, this year I am stressing MEMBERSHIP. Lions Presidents, in your presidents package you received a membership chairmans booklet. Please make sure that your membership chairman receives this booklet, and with the help from his committee, they can get started bringing in new members.and retaining the quality members you already have. If your membership committee does their job, we will have more quality members who can say "ISN'T IT GREAT TO BE A LION."

Until next month ... Keep up the good work!

Roaringly yours,
DISTRICT GOVERNOR

BONDING INSURANCE POLICY

The Council of Governors, at their May council meeting, approved renewing the blanket bonding insurance policy which covers all secretaries and/or treasurers of all Lions, Lioness and Leo Clubs. It also covers each cabinet secretary-treasurer. This policy is in the amount of $25,000 per officer. The policy will also cover any new chartered clubs that are formed during 1991-92. Since the Lioness or Leo clubs cannot be billed for this policy, the entire cost of the policy will be covered by the Lions Clubs and sponsoring Lions Clubs.

Please watch for a special assessment which will be added to your first half billings for state dues. The cost will be $4.63 per Lions Club.

PINS - PINS - PINS

Our State Lions office has the following Wisconsin State Pins for sale.

1991	2.00 each
1990	2.00 each
1989	1.00 each
1987	1.00 each

The 1992 Wisconsin Pin has been ordered. Watch the September and October issues of the Wisconsin Lion for ordering information. You will have to order two Wisconsin State Pins for each Wisconsin Prestige Pin ordered. *They look great!*

DESIGN OUR NEXT DISTRICT PIN ... AND WIN A $50.00 SAVINGS BOND

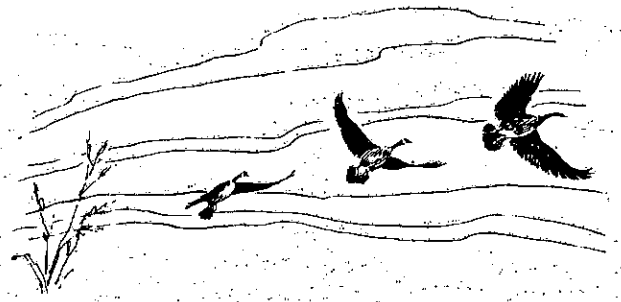
Drawings must be sent to our District Pin Chairman:

LION JOHN DAMROW

ROUTE 4, BOX 1447 • FOND DU LAC, WI 54935

Deadline for designs is October 15, 1991. Delegates will vote for our next pin at our district convention on November 2.

DO LIONS HAVE AS MUCH SENSE AS A GOOSE?



Past International Director, KEN LAUTZENHEISER, came up with a very interesting set of facts about the migration of the goose ...

The next time you see geese heading south for the winter, flying along in their "V" formation , it might be of interest to know what science has discovered about why they fly that way.

It has been learned that as each bird flaps its wings, it creates an uplift for the bird immediately following. By flying in a "V" formation the whole flock can fly at least 71% farther than each bird could fly on its own.

> *Lions who share a common direction and sense of community can get where they are going quicker and easier, because they are travelling on the thrust of one another.*

Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone. It quickly gets back into formation to take advantage of the lifting power of the bird immediately in front.

> *If we have as much sense as the goose, we will stay in formation with those headed the same way we are going. Together, we have unity of purpose and direction.*

When the lead goose gets tired, he rotates back in the wing, and another goose replaces him to fly point.

> *It pays to let Lions take turns doing the hard jobs-with some people-or with geese flying south.*

The geese always honk from behind to encourage those up front to keep up their speed.

> *What do we say when we honk from behind?*

Finally, AND I WANT YOU TO GET THIS AS IT'S SO IMPORTANT; when a goose gets sick or is wounded by a gunshot and falls out of formation, two geese fall out of the formation and follow him down to help and protect him. They stay with him until he is either able to fly or until they see he is dead. It's then that they launch out on their own or with another formation to catch up with their group.

> *If we Lions have the sense of the goose, we will stand by each other, helping and assisting to minimize our losses. It's easier to retain members than it is to seek new groups or new members.*

You are part of the world's largest and most effective service organization. Stand by it with pride!

REQUIREMENTS FOR 100% PRESIDENTS AWARD 1991-1992

A. Your club shall comply with the Association's Constitution and By-Laws and the policies of the International Board of Directors and shall refrain from any action encouraging unauthorized use of the name, good-will, emblem, the marks "Lions", "Lions Club", "Lioness", "Leo", "Lions International", or "Lions Clubs International" and other insignias of this Association.

B. The club shall have no unpaid balances over $50.00 owing to the International Office as of March 31 of the fiscal year.

C. The club must show a net increase in club membership for the fiscal year.

D. An accounting must be made for all membership and activities reports.

E. From the following requirements, six (6) must be completed:

1. All other reports required by the International Office and/or the single, sub-district or multiple district of which the President's Club is a part must have been filed on time;
2. The President must have personally sponsored one or more new members who shall have been included prior to June 30 of his year;
3. The club must have conducted at least one major service activity which shall have been reported on the club's Membership and Activities Report;
4. The club must have conducted at least one major fund raising project with substantial membership participation, which shall have been reported on the club's Membership and Activities Report;
5. The PU101 forms must have been submitted to the International office before May 31;
6. Club Presidents must have attended at least two (2) Zone Advisory Committee meetings in person and must have been in attendance at, or shall have been represented at, all other such meetings held in his zone provided, however, that in those countries or areas where, because of excessive distance or geographical conditions, such meetings are not held, the governor is authorized to waive this requirement.
7. The club President must have attended a single, sub-district or multiple district convention or conference or international convention preceding, or during, his term of office,
8. The club President must have attended a club Officers School or session conducted by the District.

F. In order to be eligible for 100% President's Award, the President must have been recommended by the Zone Chairman and/or the Region Chairman to the District Governor and the District Governor must have certified the President as having met all the requirements thereof. Such certification must be mailed to the International office within thirty (30) days after the close of the International Convention.

G. In order to qualify for the award, the club President must certify that all new members have been properly inducted and indoctrinated and involved by assignment to a working activity or service committee.

REQUIREMENTS FOR 100% SECRETARY'S AWARD 1991 -- 1992

1. All M & A's must have been received by the Zone Chairman , Region Chairman, District Governor and Lions International by the 5th of the month.
2. International and District dues for July and January paid by the due dates specified.
3. All club supply billings paid within 30 days.
4. PU101 and PU101M forms properly completed and submitted by May 1, 1992.
5. Delegate forms and credential cards completed and submitted by the due dates for the District and State Conventions.
6. The Secretary must have attended a minimum of two Zone Meetings in his/her Zone during the 1991-1992 year.
7. The Secretary must have attended one of the following:
   a. New Officer Training School, June 1991, or
   b. the District Convention, January 1992.
8. The secretary must be recommended for this award by either the Zone Chairman or the Region Chairman.
9. Any of the above rules may be waived at the discretion of the District Governor, if he is advised of the conditions warranting such action.

These are the guidelines which must be followed in the 1991-1992 in order to be eligible for the 100% Secretary's Award. Actual applications will be available in this newsletter at a later date.

SIGHTFIRST

1991-1992 INTERNATIONAL PROGRAM

Despite the dedication and best efforts of Lions and others, we are daily losing ground in the battle against preventable and reversible blindness. Over 30 million people worldwide are now blind. Aging populations in many areas of the world, and other factors, lead experts to predict that the already unacceptably-large number of blind could double in 25 years.

Ironically, we are now in a position to prevent or reverse 80 percent of the world's blindness. If you live in a highly-developed country, you are aware that surgery for cataracts is both readily available and highly successful. Yet, some 50 percent of the world's blind *are blind from cataract.*

Other major causes—trachoma, xerophthalmia (vitamin A deficiency), onchocerciasis (river blindness), diabetic retinopathy and glaucoma—are susceptible to prevention, treatment or control. In addition, talented researchers are working hard to find cures—or to improve treatments where cures are not yet possible.

The real problem is not so much medical as logistical. And it is complicated by the fact that 90 percent of the world's blind live in developing countries.

SightFirst—Lions Conquering Blindness

Your association has decided to close the gap between what is being done and what must be done. After years of study and planning by board committees and staff, the International Board of Directors has adopted SightFirst, the most ambitious program ever undertaken by Lions Clubs International.

SightFirst's aim is to address the problem of world blindness by providing service where critical needs exist. It will not replace existing programs, but instead add the resources needed to get the total job done. Where a new hospital or clinic needs to be built, it will be built. Where the need is for additional trained medical personnel, they will be trained. Where operations research will provide greater efficiencies and thus more treatment, it will be carried out. Where surgical backlogs can be eliminated by sending in highly-trained teams for prescribed periods, they will be sent.

We can't do the job alone. We'll be working closely with the World Health Organization (WHO), the International Agency for the Prevention of Blindness (IAPB) and the many non-governmental organizations like ourselves who are committed to blindness prevention.

Solutions will be sought, and plans coordinated, on a national basis. Where they do not already exist, Lions will help to form national groups for the prevention of blindness. To ensure wide cooperation and support, all projects will be endorsed by the national ministry of health or equivalent authority.

Your Club Must Put SightFirst

Costs for the first six years of the program have been estimated at more than US$100 million. Funds will be raised and disbursed by Lions Clubs International Foundation. They will work hard to raise as much as possible from corporations and other foundations, but most funds will be raised or donated by Lions and Lions clubs.

The first step in getting your club involved in SightFirst, then, is to support LCIF. And the best way to do that is to name at least one Melvin Jones Fellow in your club every year. Many clubs can do more, and should. But even clubs with limited financial resources can donate to LCIF. And the vast majority of individual Lions and Lionesses can afford to become contributing members of LCIF at US$10 per year.

If every club and every member participates, we will have no difficulty in raising the funds needed for SightFirst, while at the same time continuing and even expanding LCIF's assistance to other important Lions programs in sight and other areas.

Hats Off to

the ROSENDALE LIONS for getting in 6 new members during the month of July.

SEPTEMBER 1991

HELLO LIONS AND LIONESS OF 27-B1

September is here and most of our summer fund raisers are behind us. Seems like most went very well *Good work Lions!*

Our District Convention is coming up soon. - November 1,2,3 The convention center will be at the Valley Inn located in Neenah. Make plans on attending NOW. We have an excellent International Director from Liverpool, New York as our speaker. Let's all show up and make Lion Bob Seibert feel welcome to our district. We have many good seminars planned. Leader Dog with Sue Manson and Doctor Kitter on Temporal Bone and hearing, both should be great seminars. I am looking forward to seeing you in Neenah.

Our month of August was a very busy one, but very rewarding. We toured our Lions International office in Oakbrook, Illinois. The building is superb and the staff very willing to help us in every way.

The next stop was Leader Dog School for the blind, in Rochester, Michigan. This was a great experience and words can not tell the feeling of walking blindfolded with the aid of a leader dog. If you are in the Detroit area, go to Leader Dog School, you won't be disappointed.

The next weekend took us to Milwaukee to visit the eye bank and temporal bone bank. Lions and Lioness, our support to Leader Dog, Eye Bank, and Temporal Bone enable these organizations to help many people. KEEP UP YOUR SUPPORT.

I also want to take this opportunity to invite you all to my home club's (Packwaukee) 15th anniversary. We have laid the plans for October 13th. There will be a early get together Sunday afternoon and dinner at 5:00 P.M. We have two great speakers, our new Wisconsin International Director Lion Harry Merriman, and Bob King from our Wisconsin Lions Foundation. Bob will talk to us about his experiance as a camper, and then a counselor at our camp. I have heard Bob speak twice and he is great. Should be a *GREAT* night.....*plan on attending.*

I hope each of you are working on my major goal for the year *MEMBERSHIP*. October growth period will soon be upon us. Let's all invite someone to your next meeting. Tell that person about what we are doing to help our fellow man, and maybe we can get another new Lion. Remember I want each Lion and Lioness to invite at least one guest to a meeting this year, why not make it in October?

Roaringly yours,
DISTRICT GOVERNOR

OCTOBER GROWTH PROGRAM 1991

CLUB AWARDS

Each Lion who sponsors one or more new members during the month of October is entitled to receive this handsome clutch-back pin

Each club adding five or more new, transfer or reinstated members (excluding Charter Members) during October will qualify the President and the Membership Chairman to receive this Achievement Medal.

IMPORTANT--CLUB SECRETARY

An official award request form must be submitted to Lions Clubs International postmarked no later than February 1st of the following calender year. Mail your club request form early as Lions Clubs International reserves the right to substitute awards at any time.

DISTRICT AWARDS

1. The District showing an average increase of one or more members per Club shall qualify the DISTRICT GOVERNOR and DISTRICT MEMBERSHIP CHAIRMAN to receive a personalized certificate signed by the International President.
2. The region showing an average increase of two or more members per club shall qualify the REGION CHAIRMAN to receive a personalized certificate signed by the International President.
3. The Zone showing an average increase of three or more members per Club shall qualify the ZONE CHAIRMAN to receive a personalized certificate signed by the International President.
4. The District Governor will submit an official request form for the Region Chairmen and Zone Chairmen who qualify. Only new, reinstated and transfer members will be included in the computation toward awards for the October program.
5. To be eligible for awards a District must have a minimum of 20 clubs, a Region 10 Clubs and a Zone 4 Clubs.

MEMBERSHIP GROWTH IS ESSENTIAL ON CLUB, DISTRICT AND INTERNATIONAL LEVELS

Either we grow and increase our potential for expanded services, or our membership will gradually decline through the years. Therefore, Lionism should continue to grow.

Many Lions proudly display the awards they have earned for sponsoring new members. But awards are not the only reason for increasing membership.

You know that there are advantages to encouraging service-minded individual to become Lion members. Your club and District will gain ideas, manpower, leadership potential and the ability to achieve greater goals in service for those in need. The new member experiences pride in being a Lion, satisfaction in accomplishing things for others, and fellowship in a world-wide service organization.

Don't be selfish! You are reaping the benefits of being a Lion. Pass this experience on to other qualified individuals in your community. It will assist your Club to enhance the scope of activities to better serve the community.

THANK YOU
27-B1 LIONS & LIONESS

Probably a *FIRST* ever in Wisconsin Lionism our District 27-B1 should appear in the Leader Dogs for the Blind 1990-1991 fiscal report as a 100% District - and for both LIONS and LIONESS. Our contributions for the year were up 10%.

11 Leader Dogs came to Wisconsin during the past year. This brings the all-time total to 332.

And as July ends I have already received the first check for the 1991-1992 fiscal year. Thank you Kingston Lioness for your sizeable increase over the last year. Only 93 more clubs to go !!!!

GLENN MURTY, P.D.G.
District Leader Dog Chairman

PARADE OF CHECKS

Immediately following the noon luncheon at District Convention Saturday, November 2, we will have a parade of checks. Bring your checks for WLF, Diabetes, LCIF, Youth Exchange, Temporal Bone Bank, Leader Dog and whoever else you choose to donate to and let's get our yearly obligations behind us.

Don't forget early donations to WLF will get the club 50 points in the District contest!

JOURNEY FOR SIGHT

Dear Lions, Lioness, and Leos ...

On August 11, 1991 at the District 27-B1 Cabinet meeting, a Journey for Sight District Fundraiser was approved.

PURPOSE: To raise funds within our district to purchase a 'Lensometer' and to draw attention to the Oions and what they do.

WHO PARTICIPATES AND WHO PROFITS: Your club must approve to participate, and along with that participation, please include your community. Profits are split 60% clubs and 40% district.

COST AND FUNCTION: A Lensometer costs over $3,000.00 and is used to read used eyeglass prescriptions.

CONTROL: The District Sight Chairman will have control over the Lensometer and clubs may contact him to employ its usage.

DATES: January–March 1992 for sign-up to participate • April 1992 Pledge Papers out • May 1, 1992 the actual journey • May 15, 1992 monies into the District • June 1, 1992 monies (60%) returned to the clubs.

MORE INFORMATION: Contact the District Governor, the Journey for Sight Chairman, or the Regional and Zone Chairman. There will be a special seminar at the District Convention, Neenah, November 1, 1991.

Yours in Service,
PAUL A. TADYCH P.D.G.

BIRCH-STURM FELLOWSHIP

The Birch-Sturm Fellow was created by the Wisconsin Lions Foundation to honor those Lions, Lioness, Leos and non-Lions who exemplify undying dedication and commitment to the work of the WLF and the humanitarian works that it supports. Frank V. Birch and Clarence L. Sturm are honored by the Fellowship because they were the first two Lions International Presidents from Wisconsin. These two great Lions were staunch supporters of the Foundation. Both served on the WLF Board of Directors.

Frank Birch joined the Milwaukee Central Lions Club in 1924. He was District Governor in 1929-30 and International Director in 1931-33. He served as International President in 1937-38. Clarence Sturm was a charter member of the Manawa Lions Club in 1929. He was District Governor in 1941-42 and nternational President in 1959-60.

In order to become a Birch-Sturm Fellow, an individual must commit to donating $1,000.00 to the WLF Endowment Fund. The $1,000.00 can be paid at once or in four consecutive annual installments of $250.00. Clubs or Districts may purchase a Fellowship for a member with one payment or two consecutive annual payments of $500.00. *Note:* Club purchases must be over and above the Club's current donation level to the WLF.

After the financial commitment has been satisfied, the Birch-Sturm Fellows will receive a plaque and a lapel pin. Their name will also be inscribed on the Birch-Sturm Fellowship Master Plaque honoring all Birch-Sturm Fellows.

The WLF Endowment Fund consists of donations received from bequests and memorials. Currently, only the interest of the Fund is used to support the WLF operating budget. As the fund grows, with the help of income from Birch-Sturm Fellowships, it is hoped that a new support program will be possible to help Lions with their humanitarian projects.

Lions pledge $500,000 to UW eye research facility

Eye research efforts in Wisconsin received a big boost on May 16 when the Wisconsin Lions Clubs formally announced plans to contribute $500,000 to the UW-Madison Department of Ophthalmology's eye research building project.

The announcement was made by Peter Cerniglia at the Wisconsin Lions' 68th State Convention in La Crosse. A Cross Plains Lions Club member, Cerniglia is director of the fund-raising effort. Gov. Tommy Thompson, a Lions club member, was also present to thank the Lions and accepted the first $250,000 installment of the pledge on behalf of the University of Wisconsin-Madison and the Department of Ophthalmology.

The $500,000 contribution will be used to build two laboratories within a new 10,000-square-foot addition to the Clinical Sciences Center (CSC) to house eye research programs. The project is being financed entirely by private funds and $1 million from the National Eye Institute of the National Institutes of Health (NEI-NIH). The department has yet to raise $1.8 million in private funds to complete the $5 million project.

"I cannot express how grateful everyone in our department is for Peter Cerniglia's devotion to eye research and this project," said Dr. George Bresnick, acting chairman of the UW Department of Ophthalmology. "Without Peter's efforts and the support from the Lions, Lioness and Leo clubs, we would be much farther away from our goal. I hope that the Lions' generosity will encourage others to support this very important project."

In the past three years, Cerniglia has traveled more than 18,000 miles throughout the state, devoting many of his weekends and evenings to promote the building project. In recognition of his efforts, Cerniglia was awarded the highest honor given by the Lions, the International Lions Presidential Award. The presentation was made at the May convention.

Cerniglia credits the support of family and friends with visual disorders as one of the primary motives of his work. "My great aunt has one artificial eye and her other eye was in danger of being lost. Thanks to surgery and the research that made that knowledge possible, her eye's function was restored and she can still see. When she says 'keep up the good work' it means a lot to me," explained Cerniglia.

The new laboratories made possible by the Lions' contribution will be used to study visual disorders through the use of molecular and cell biology, two scientific areas that the National Eye Institute considers a high priority with regard to long-term research funding. Other programs that will occupy the new facility include immunology, visual function, electrophysiology, ocular epidemiology and biostatistical analysis.

"The potential and opportunity for greater eye research efforts at the UW-Madison are evident," according to Dr. Bresnick. "At the moment, we lack the physical space to take full advantage of new research opportunities."

With nationally recognized eye specialists, the ophthalmology department consistently receives among the highest levels of research funding available from the NEI. Dr. Bresnick said the new research space will allow the department to attract greater federal and private research funding to study age-related eye disease, as well as other visual disorders.

The Lions' $500,000 gift includes contributions from more than 450 Lions, Lioness and Leo clubs, 162 individual Wisconsin Lions club members and $50,000 from the Lions Club International Foundation. Funds are raised through community events held annually to support vision-related projects. Some of the projects include eye banks, camps for persons with visual disabilities, glaucoma screenings and diabetes detection programs.

OCTOBER 1991

Seems like summer has just started, but we are well into the early part of fall. Our clubs have all been busy working hard to accomplish our Lionistic goals. I just returned from a 2438 mile trip to Salt Lake City to attend our USA/Canada Leadership Forum. The forum was excellent. We had nine Lions and guests from District 27-B1 in attendance at our forum. I encourage each and everyone of you to think about the forum and plan to attend the next USA/Canada forum in Oklahoma City next year. Forums are the best place to learn Lionism on a down-to-earth basis. It was great to see Lions from the US and Canada and to have an opportunity to visit with them on a one-to-one basis, by gummers! Forum registrations will be in the Lion magazine after the first of the year. Make plans now to attend next year's Forum. We are also asking clubs to consider sending their first vice president. They will come back a much more educated Lion and be a better leader for your club.

We are rapidly approaching Nov 1,2, 3–the time for our District Convention at Neenah. The convention will be headquartered at the Valley Inn and hosted by the Town of Menasha Lions. We are planning on a large turnout of Lions and Lionesses from our District. We would like to surpass last year's registration total of 556. We have eleven interesting seminars planned. Please take advantage of as many of them as you can. In another part of this newsletter, I have more information about the convention. Our Saturday evening Honor Banquet should be a great time for all. We have International Director Lion Bob Seibert, and his wife Mary, from Liverpool, New York as our guest for the entire weekend. I met with Director Bob in Salt Lake City and he is looking forward to meeting with the Lions and Lioness from our District. We are planning a visit to our Wisconsin Lions Camp on Friday afternoon, and we will be back early to enjoy your fellowship.

We have been attending other District Conventions and encourage you to do the same. It is a great opportunity for you to learn how other Districts do things. The more Lions events you attend, the more new ideas you can bring back to your club. You will find a list of the upcoming conventions on the Governor's schedule page..

I would like to remind the delegates from each club to be sure and vote on Saturday, November 2. This is your opportunity to express the opinion of your club. We have sent the resolutions to each club so they can be read and studied before the convention. After reaching a decision on how your club wants you, as the delegate to vote, BE SURE TO VOTE.

Roaringly yours,
DISTRICT GOVERNOR

MEET THE CHALLENGE?

Will your Club help meet the challenge to purchase an Ambulance for the Lions Club in Guatemala?

The District 27-B1 Cabinet has given its Clubs the go ahead to become involved in the "Mission to Guatemala" project. We will be raising funds to purchase an ambulance, drive it down in November 1992 and donate it to the Lions Club of Guatemala. Eyeglasses, medical supplies, instant milk.etc. will be taken down with the ambulance.

We need any support your Club can give us. Monetary donations may be made out to "27-B1 Ambulance Fund" c/o Governor Bob Showers P.O. Box 637 Packwaukee, Wi 53953-0637.

We will be accepting these checks during the Parade of Checks at this years District Convention.

CLUB BANNERS

In an expression of unity, we are asking all Lions and Lioness clubs to bring their club banner and stand to the convention. They will be displayed along the walls in the Grand Ballroom.

"PARADE OF CHECKS"

Immediately following the noon luncheon at District Convention on Saturday, November 2, there will be a Parade of Checks. Bring your checks for WLF, Diabetes, LCIF, Youth Exchange, Temporal Bone Bank, Leader Dog and whoever else you choose to be presented at this time. Let's get our yearly obligations behind us.

And don't forget – early donations to WLF will get your club 50 points in the District Contest!

TRADING PINS

A special pin trading area with tables will be set up at the Convention on Friday evening from 5:00-10:00 p.m. Stop in and see how much fun pin trading can be.

There will be a table in the registration area for you to purchase convention, club, district and state pins.

DON'T LET THEM RETIRE TOO EARLY

Is your club aware that the Jaycees and some other groups have an upper age limit? In the United States, the age limit is 35; in some other countries, it's 40.

But whatever the limit, former Jaycees are excellent membership prospects. In addition to leadership training, most Jaycee chapters also raise money for charitable purposes and provide other services to their communities. The Jaycee "graduate" can often move quite easily into Lions' membership.

How do you get them? We think the best way is to establish a regular relationship with the Jaycees in your community. A first step could be to ask the local president to give a program on their activities at one of your regular meetings. Ask to be given the same opportunity in return.

Then take it a step further. Could the two clubs have a joint meeting every year? Is there a fund-raising event or other community activity that the clubs could work on jointly? If such a relationship could be developed, which service club do you think the 35 year old Jaycee would think of first?

So don't delay in contacting your local Jaycee or other age-limiting leadership or service organization. These are men and women who care about the community. Make sure they realize that retirement from their current organization can be just the beginning of an even deeper involvement.

The annual Tournament of the Lions State Bowling Tournament shall be conducted on handicap basis. Each bowler shall receive a handicap of 75% of the difference between his or her average and 200 pins in each event entered, not to exceed a maximum of 150 pins per person in each event. The handicap allowed shall be taken from the A.B.C. or WIBC handicap manual. Each bowler shall use his or her previous year's average. This shall be his or her highest average attained in any league he or she bowled. A minimum of 21 games must have been bowled to establish an average. The average shall be certified by the team captain. Any falsification on the entry blank will be reported to the American Bowling Congress or Women's International Bowling Congress to be dealt with previous year his or her current year's average, providing he or she has bowled 21 games as of January 1, 1991 may be used. If he or she cannot meet the foregoing requirements and he has established an average within the past three years (not including current year) he or she must use this average. If he or she cannot meet the foregoing requirements he or she will be required to use an average of 150 pins.

Rule No. 363a-3 applies with regard to Tournament prize winnings and the ten pin reference. Bowlers be familiar with the rerating requirements of Rule No. 27. One hundred per cent of all prize money shall be paid in the event entered on a handicap basis. The champions in each event shall be declared by actual pin fall plus handicap and will receive appropriate recognition.

IF AVERAGE IS FALSIFIED PRIZE MONEY IS FORFEITED

Team captains, upon signing this application, certify that the players whose names are shown on the entry form are bonafide Wisconsin State Lions/Lioness for whom competition in this tournament is restricted.

NOVEMBER 1991

DEAR LIONS AND LIONESS OF 27-B1...

As you read this letter, we will be nearing the completion of our 16th annual District Convention. I want to thank each and every one of you that attended and took advantage of the seminars and fellowship. It was good to see the large turn out of Lions and Lioness from our District. I also want to congratulate the winners of the elections and wish them the best of luck next year. It was our pleasure to have International Director Lion Bob Seibert and his wife Mary, from Liverpool New York, and my twin governor, Lion Bob Smoke and his wife Betty from East Detroit, Michigan with us for the weekend. I hope you had a chance to meet them and extended them greetings from your club.

I personally want to thank all the Lioness of District 27-B1 and to tell them how proud I am of all your hard work for Lionism in our District, State and International. After receiving the letter on October 21, I was as unhappy, hurt and confused as you. After many phone calls and a meeting in Plover on October 26, I believe we have answers to your questions. FIRST OF ALL, Lions Clubs International is not dropping the Lioness. You may continue exactly as you have in the past, but will not have the support staff at Lions Clubs International. The Lioness awards and supplies will continue to be available as long as there is a demand for them.

Lions Clubs International would like to see you charter and become a Lions club. This would benefit us all in the Association by making us in the United States larger and stronger. The decision will be up to you, but whatever you decide I will be behind you 100%.

We wish to express many thanks to all the Lions and Lioness that sponsored new members during our October Growth Period. This helps your club a great deal and helps me achieve my goal of new members in our district. We still have a ways to go, so start planning now for bringing in more new members during the January-February-March Growth Period. Each sponsor will receive a special lapel pin.

Last, but not least, I want to thank the Town of Menasha Lions Club and anyone else who helped to make this convention a great success.

Roaringly yours,
DISTRICT GOVERNOR

PACKWAUKEE LIONS..... EDDIE BELL

IT'S WONDROUS WHAT A HUG CAN DO,

A hug can cheer you when you're blue.

A hug can say " I Love You so"
or "Gee; I hate to see you go"

A hug is "Welcome back again!"
and "Great to see you!" or "Where've you been?"

A hug can soothe a small child's pain
and bring a rainbow after rain.
The hug! There's just no doubt about it,
we scarcely could survive without it.

A hug delights and warms and charms,
It must be why God gave us arms.

Hugs are great for fathers and mothers,
sweet for sisters, swell for brothers,
and chances are some favorite aunts
love them more than potted plants.

Kittens crave them, puppies love them --
Heads of states are not above them.

A hug can break the language barrier
And make the dullest day seem merrier.

No need to fret about the store of them,
The more you give, the more there are of them.

So stretch those arms without delay
And give someone a hug today!!

PUBLICITY CAN HELP YOUR CLUB

Your club can use the media as a tool to help with fundraising, to attract the interest of potential new members and to recognize outstanding contributions from members and donors.

WRITE A PRESS RELEASE for an event or a service project the whole community should know about. Include who, what, where, when, why and how in the first paragraph. Type, double spaced, on your club letterhead with your home and work phone easily identifiable so reporters can call for more information. Keep it to one page or a page and a half, at most.

USE A LETTER TO TELL A STORY, say of a child your club has helped. Letters are usually kept by reporters for future stories. Always use the name of the person to whom you're writing.

DON'T USE PHONE CALLS as your initial contact unless a story is extremely time sensitive. Reporters prefer to have something in writing to look at before you call them. After a letter is sent, a follow-up call is appropriate.

LETTERS TO THE EDITOR. Take the opportunity to tell the Lions' point of view on topical issues, or to compliment an outstanding citizen or community project. Write clearly and keep to the point.

CONTACT THE PHOTO DESK of your local newspaper with good picture ideas, such as your club delivering food baskets. Or, take a photo or your event and send it to a local newspaper along with a two or three line description. Make your events more visual ... Dress up in a lion suit to deliver toys to hospitalized tots.

Lions Diabetes Education Month

DID YOU KNOW....

- Diabetes is a leading cause of blindness. Diabetics are twenty-five times more prone to blindness.
- Diabetics are seventeen times more prone to kidney disease, five times more prone to gangrene (often leading to amputation) and twice as prone to heart disease and stroke.
- Diabetes decreases life expectancy by approximately one-third.
- The incidence of diabetes appears to be increasing by 6% annually.
- 50% of diabetics don't know they have the disease.
- There are two types of diabetes--insulin dependent and non-insulin dependent.
- Only 10% of the total diabetic population are Type 1, insulin dependent.
- Insulin dependent and non-insulin dependent are subject to the same devastating complications.
- The chances of developing diabetes double with every 20% of excess weight.
- Women are more likely than men to have diabetes.
- The chances of developing diabetes increases during middle and old age.
- Insulin does not cure diabetes. Presently there is no known cure for diabetes.

WHAT CAN YOUR CLUB DO?

- Plan a November Club meeting on diabetes education featuring a speaker from your medical community or diabetic association.
- Offer your Club's assistance to a diabetic association or the medical community in distributing diabetes educational materials to the public.
- Provide diabetes educational releases to newspapers, radio and TV.
- Consider the feasibility of sponsoring a diabetic summer camp or day camp session.

An Ambitious Goal? Absolutely.

Lions wouldn't have it any other way. They know what can be done for the good of humanity through the Melvin Jones Fellowship Program. They have seen the results.

Homes built for special children...
for the elderly
Funding for SightFirst
Communities restored after natural disasters.

The Melvin Jones Fellowship Program helps make possible the international humanitarian work of LCIF. Your support is needed to help the family of Lionism reach this worthy goal. Write today for details of the Melvin Jones Fellowship Program.

SEASONS GREETINGS LIONS AND LIONESS-

I am writing this December Newsletter during our deer hunting season. I hope all the deer hunters did well and everyone had a pleasant Thanksgiving.

For all of you that were unable to attend our District Convention, you missed a Good One. We really had an enjoyable time with our International Director Lion Bob Seibert and his lovely wife Mary. We also had the pleasure of having my Twin Governor from 11-A1, East Detroit Michigan Lion Bob Smoke and his lovely wife Lion Betty., and we are looking forward to attending their District Convention in March.

Congratulations to District Governor Elect Gordon Hoffman from the Green Lake Lions Club and to Wisconsin Lions Foundation Director Elect Tom Thorson from the Neenah Lions Club.

Our clubs did a super job on recruiting new members during our October Growth Month. We brought in 46 new members -let's do that for each month during our Jan-Feb-March Growth Period. Lions and Lioness REMEMBER MY GOAL!

I want to thank all the clubs that have sent checks for our 27-B1 AMBULANCE PROJECT. It is coming along good, but we still need to hear from more clubs in our District. Remember this is a District Project and we all need to help to make it a success. Don't forget we also need used eyeglasses and any used or outdated medical supplies or equipment.

In closing we want to wish each and everyone of you a Very Merry Christmas and a Happy New Year.

Roaringly yours ...

LIONS CLUBS INTERNATIONAL FOUNDATION • LCIF

LCIF is the charitable branch of Lions Clubs International. The Foundation was established to receive donations from Lions, and others interested in humanitarian pursuits, and through careful disbursement, use those funds to help meet the need of communities throughout the world. The original concept of the foundation was to administer charitable, scientific, literary and educational programs for the well-being of humanity.

Primary contributors to the Foundation's global humanitarian efforts are Lions, Lioness and Leo club members. Please be sure your club's budget includes a contributions to LCIF. It is possible to recognize individuals for humanitarian service with the presentation of the Melvin Jones Fellowship. This fellowship is the Foundation's highest commendation of humanitarian service. During this 75th year of Lionism, a goal of the Foundation is to achieve 75,000 Melvin Jones Fellows. There were 43,917 Melvin Jones Fellows as of June 30, 1991. This goal can be reached if every club bestows one fellowship this year. Please discuss this with your club's Board of Directors. Contact your District LCIF Chairman or your District Governor for additional information.

MEET THE CHALLENGE?

Will your Club help meet the challenge to purchase an Ambulance for the Lions Club in Guatemala?

The District 27-B1 Cabinet has given its Clubs the go ahead to become involved in the "Mission to Guatemala" project. We will be raising funds to purchase an ambulance, drive it down in November 1992 and donate it to the Lions Club of Guatemala. Eyeglasses, medical supplies, instant milk.etc. will be taken down with the ambulance.

We need any support your Club can give us. Monetary donations may be made out to "27-B1 Ambulance Fund" c/o Governor Bob Showers P.O. Box 637 Packwaukee, Wi 53953-0637.

Ode to a Volunteer

Many will be shocked to find
When the day of judgement nears
That there's a special place in heaven
Set aside for volunteers.

Furnished with big recliners,
Satin couches and footstools,
Where there is no committee chairperson
No group leaders or carpools
No eager team that needs a coach
No bazaar with a bake sale.
There will be nothing to staple,
Not one thing to mail.

Telephone lists will be outlawed,
But a finger snap will bring
Cool drinks and gourmet dinners,
And rare treats fit for a King.

You may ask, who will serve these privileged few
and work for all they're worth?
Of course, all those who reaped benefits
And not once volunteered on earth!

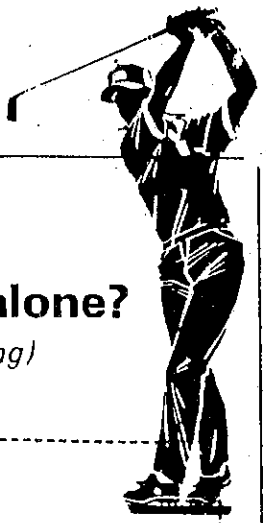
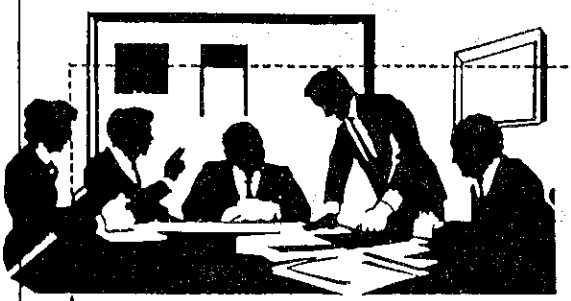
DO YOU

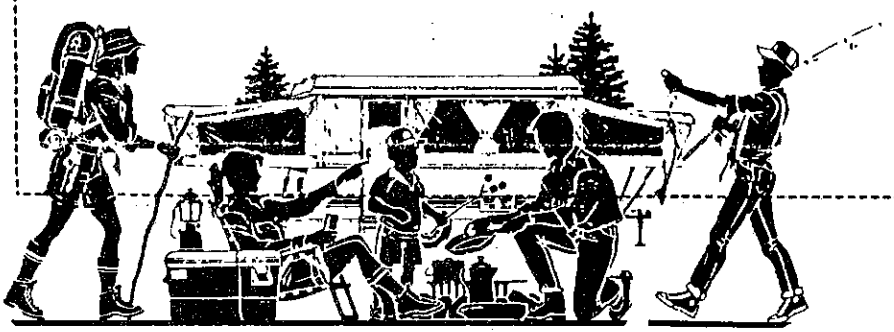


Play golf alone?
(It could be boring)



Work alone?
(It's doubtful)

Travel alone?
(It might be lonely)



Go camping alone.....or fish alone?
(Could be dangerous) *(Who would you brag to)*

Dine alone?
(It's much more fun ...with someone)

Invite a friend
(Lions come..... from all walks of life)

Then WHY do YOU go to your Lions Club alone?

You can't be that much of a loner

An excellent way to ensure that the trip to your club meeting will not be lonely is to invite one or more individuals to become members. They will not only provide companionship, they will also strengthen your Lions club's capacity to answer human needs...in your own community and around the world. Make that special effort to bring in new Lions. Your commitment to membership growth will help your club reach *steady net gains annually*. So extend that invitation and never again will you be alone in your trip to club meetings.

Only *YOU* can give others...the opportunity to serve

JANUARY 1992

FELLOW LIONS AND LIONESS,

I hope each of you had a very Merry Christmas and a Happy New Year. Our Lionistic year is half over and we are starting the second half ... Let's make it the BEST HALF!

We are now starting our January, February and March Growth Period. Remember earlier in the year I talked to you about DEDICATION, COMMITMENT and INVOLVEMENT to Lionism. I know if you remember and use these goals in your Lions Club, and you try, you will bring in new Lion members. Remember, my goal is membership and we must work on it together.

My other goal for the year is our 27-B1 Ambulance Project. With your help, we will purchase a used ambulance and drive it to Central America. The ambulance then will be donated to a Lions Club, who in turn, will give it to a needy village. The checks have been coming in very well to this point. We are close to having $3,000.00 collected. Lions and Lioness – keep up the good work and keep those checks coming in!

Lions and Lioness – we must also remember our commitments to supporting our worldwide Lionistic projects ... WLF • Leader Dog • LCIF • Diabetes • Youth Exchange • Temporal Bone • Sight First. We all must get our WLF donations in *now*. We want to be first in our state to be 100% in donations to WLF. I also want you to remember our donation to Leader Dog. Last year our district was 100% in contribution to Leader Dog. This was the first time for us, and we were the only district in the state to be 100%. *Let's Do It Again!*

We have been telling you about SIGHT FIRST, and you will be hearing a lot more about it. When you receive information on Sight First, READ IT. We are taking on a major international project! To accomplish this project, we must take on an additional fund raiser each year – just for Sight First. Our past International Director Helmer Lecy is the National/Multi-National Coordinator for this project. He and Lions Clubs International will keep us up-dated on Sight First and help us get up to speed on this GREAT international project. Let's all give it our best!

Roaringly yours ...

WHAT IS LCIF WEEK?

All year, LCIF (Lions Clubs International Foundation) is working to help Lions achieve their humanitarian goals, but the week of January 12-18, 1992 is special! This a week for Lions throughout the world to take a closer look at LCIF, to learn more about their foundation, its achievements and its goals, and to realize the only way LCIF can expand its important programs is if Lions increase their support.

LCIF WEEK IS A TIME FOR RENEWED COMMITMENT. It is a time for every Lion and Lioness to get involved with their foundation and the opportunity to bring LCIF closer to its full potential of serving humanity.

Dear President Banker,

The Council of Governors of MD #27 – Wisconsin would like to address the Board action recently adopted at the International Board meeting relative to the Lioness club program.

On behalf of our 161 Lioness Clubs, with approximately 4,100 dedicated Lioness members, we wish to make our feelings known to you.

The Board action to discontinue support services to the Lioness Clubs as of June 30, 1992 is an unacceptable decision. If, in fact, the Board felt that the Lioness Department was not providing the services expected, a more acceptable solution would have been to "fix the problem", appoint someone to organize efforts to improve the services – not throw up your arms and discontinue the services completely.

Wisconsin Lioness members were satisfied with the services and, in fact, complimented the Lioness Department staff for their constant cooperation.

Your letter to the Lioness Club presidents states that the Services Activities Committee completed an extensive study of the Lioness Club Program. We are, at this time, requesting a copy of the results of that study. The District Governors, Lioness Presidents, Associates and leaders in Wisconsin are not familiar with this study.

We also want to point out to you our disappointment in the procedure in which we were informed of the Board's decision. Most of us learned of the decision through phone calls or questions at club visitations. The Club Presidents had received their letters before us, the officers of this association! Letters should have been sent to us in advance of the clubs, therefore eliminating some embarrassment. This was definitely poor public relations on your part.

We feel strongly that this decision was made in haste and with very few alternatives considered.

As District Governors, we have dedicated and committed ourselves to supporting all of our service-minded members, both Lions, Lioness, and Leos ... and despite the decision, we will continue to do so in the future.

Sincerely,
COUNCIL OF GOVERNORS
MULTIPLE DISTRICT 27
LIONS OF WISCONSIN

AN OPEN LETTER
TO ALL
Wisconsin Lioness Clubs

NOVEMBER 27, 1991

DEAR LIONESS PRESIDENT,

Approximately five weeks ago you received a letter from our Lions International President, Donald Banker. In this letter President Don referred to some action by the International Board which reflected some major changes in our Lioness program. In my opinion, both the content and the tone of the letter were in direct conflict and in opposition with the philosophies of our Wisconsin program.

I had served on President Bill Bigg's Lioness Ad Hoc Committee, as an advisor in 1990-91, and as a committee member I am well aware of the comments and the suggestions that the Lioness from all parts of the world have given us, as a result of a worldwide survey. At the International convention in Australia, President Biggs told me the trend of the survey was to continue to give the Lioness more responsibility in our Lionistic Service and to also get from them a bigger financial commitment, in the form of higher fees. However, the content of President Banker's letter indicated the trend of the survey as I know it, has been reversed.

Along with this reversal, there seems to be an air of confusion, so on my way to Central America, I stopped at International Ray Hughston's home in Brownsville, Texas to discuss this issue. Director Ray is the chairman of the committee that deals with the Lioness program. Tim and space does not permit me to elaborate on our entire conversation, but I will share with you, or elaborate a bit, on the "behind the scenes" Board action.

The first action was to eliminate the Lioness Department as it exists in our International Office in Oak Brook, Illinois. This department consists of three employees who work exclusively with you, to answer questions and give advice about administrative functions of a Lioness Club. They put together your quarterly newsletter and other publications, as well as membership kits. They also keep a file on each Lioness Club. But this was very restrictive, due to the lack of information that the quarterly report requested and/or generated. Therefore, club information and statistics were very hard to analyze.

Another part of this action was to write a letter to each Lioness Club informing them of the elimination of this support service and to advise you of some options. These options were three in number:

[1] To continue as a Lioness Club, as always, with no selected support group at the International office,

[2] To convert the entire club into a Lions Club,

[3] To dissolve the club and each member join a Lions Club individually.

As I have seen this, and as I interpret the desires of Lioness members, I believe the majority of you will choose No.1. You have worked so well as Lioness Clubs and I am confident you can continue to do so. In Wisconsin, we have a very well-defined organization known as the Wisconsin State Lioness Advisory Committee. With this committee and with the strong support of the Wisconsin Council of Governors, we are in a very good position to continue as Lioness Clubs without the Lioness Department in Oak Brook.

The International policy concerning affiliate clubs will be re-written prior to the July 1992 Board Meeting and will reflect much of the past practices. We do have two pages in the International publication *The Lion* that is strictly Lioness news. One problem is to get this magazine into the home of every Lioness member, however subscriptions are available. I understand that the Lioness supplies will be included in the Lions Supply Catalog, which is the way it was some years ago. However, you will have to order these through your sponsoring Lions Club.

The Service Activity Department will have a staff member who will specialize in dealing with Lion affiliate clubs, so you will have someone on the International level who can work with you on a limited basis.

The second part of the Board action is to eliminate the administrative fee you now pay. This fee that you will no longer pay International could be levied in part (25% or 50%) and be payable to the Wisconsin State Lioness Advisory Committee, which now operates on $10.00 per year per district, or a total of $100.00 per year. Just think how this additional money could enhance and promote the State Lioness program. With part of the money you could create a Wisconsin Lioness newsletter, which could actually be a better support document than the quarterly newsletter that you will be losing at the International level. Or possibly you could put this newsletter into our *Wisconsin Lion* magazine, giving the Council of Governors some financial support for this opportunity. You do know that each of you can receive the *Wisconsin Lion* magazine for as little as $5.00 per year. Just contact the State Office to begin your subscription.

Much more can be said about ideas to make you stronger and I know that Lion Ivan Ryan, who so ably heads up the Advisory Committee, also has some ideas. Lion Ivan has also said, "Let's go on as Lioness, as we always have."

I totally support Lion Ivan's philosophy and pledge to help all of you in any way I can. I firmly believe that this setback (as some consider it to be) should not be viewed in that manner. So let's take our strengths and make them stronger. Let's all approach this in a positive manner, and let's go on to make our motto "WE SERVE TOO" even more meaningful.

Yours in Lionism,

Helmer N. Lecy
Past Int'l Director

Great SightFirst Fundraiser

An excellent way to raise funds for *Campaign SightFirst* (CSF) is through the Lions Journey For Sight. A Journey activity can provide funds to conquer blindness, as well as bring awareness to the community regarding this extraordinary and historic Lions initiative.

There are several different kinds of Journeys a club can sponsor, including a walk-a-thon, bike-a-thon, jog-a-thon . . . whatever best suits the club and community.

Invite the local media to cover your Journey and prepare news releases to generate publicity. Good publicity also means providing supplies and awards, such as plaques, pins, T-shirts, etc. These special Journey For Sight items are available through the Club Supplies Division at International Headquarters.

Additional CSF fundraising ideas are listed on the back of this page.

CSF Fundraising Ideas

Listed below are a number of fundraising activities that have been used by Lions groups and others. You may wish to look through the list to come up with an idea for your own Campaign SightFirst club fundraiser. In certain areas of the world, greater emphasis has been placed on members' personal giving in order to raise funds. You may wish to use these methods, if they are in keeping with your tradition.

We Serve

Lion members are needed!

In your club...In your community...In your district...In your country

As they have for many years, **January, February and March** have been proclaimed as District Membership Growth Months. Each Lion who sponsors one or more new members during this period will receive a special pin from the District Governor in recognition of his or her special efforts to increase the number of Lions available to serve the community.

Make plans now to implement the program in your Club. **Everyone will benefit.** Your Club will have more hands to help in fundraising and service activities. Your District Governor will feel pride as he turns over a stronger district to his successor. And your Association will gain added prestige as it expands the scope and reach of its humanitarian services.

As you work with the Membership Committee and other members, **stress the following:**

- To reduce the average age of our members, we must emphasize **youth.** Ask members to invite prospects who are at least as young as they were when they were inducted (or even younger)!
- Women now comprise more than half the world's population. Their talents and achievements have moved many to the highest levels in business, government and the professions. **Put their talents to work for you,** and your Club's achievements will grow, too.
- Remind all that they would not be Lions now had no one asked them to join — and that they have an obligation to share their good fortune with others.

While stressing these points, keep in mind that men and women of all ages can enhance your Club's quality if they are "of good moral character and good reputation," and can afford the money and time it takes to be a Lion.

Urge every member to become involved in the January-February-March District Membership Program. They'll receive this handsome and unique pin — and the satisfaction of knowing they've added greatly to the service potential of Lions Clubs International.

FELLOW LIONS & LIONESS,

Already one-third of our January • February • March Growth Period has skipped by us. Have you brought your new member in yet? If the answer is "yes" – Great! But if it is "no" – then you must get busy. I need your help to meet my goal of new members in our district. Let's all work together to bring in new members to make our district stronger.

Lions and Lioness – Have you made all your yearly contributions to our district, state and Lion Clubs International, WLF, LCIF, Leader Dog, Diabetes, Youth Exchange, Temporal Bone, and 27-B1's ambulance project? If you have that job done – Good! But if not, again, we must get busy! We still have some clubs that have not contributed to our Wisconsin Lions Foundation. Our Lionistic year for the foundation ends soon. Let's all help by getting our contribution in now. Remember, the cost of living goes up each day, so remember our donations also should go up to help cover this increase. Only you, the Wisconsin Lions and Lioness, make it possible for a special child to go to our camp. Let's all dig deep and help our children.

I also want each of you to help us be 100% in contributions to Leader Dog. We did it last year for the first time! Let's do it again. 100% contribution for all our Lion and Lioness Clubs.

Since our District Convention in November, I have been talking to you about our 27-B1 Ambulance Project. Our mission is to collect the funds, purchase a used ambulance, drive it to Central America and donate it to the Lions of a needy village. We will also take used eye glasses and medical equipment with us on this journey. I urge all clubs to get *involved* and help meet this district goal.

Our 27-B1 pins should be available by the middle of this month. Let's all wear a district pin! They look great ... depicting a Leader Dog on our district shape. I urge each of you to consider submitting a design for our next district pin. The pin designs are voted on at the District Convention.

Our next District Convention will be hosted by the Cleveland Lions and will be headquartered at the Holiday Inn, Manitowoc. Remember the date – October 23, 24, 25 – Write it down and book your reservations now.

Have a G' Day.

Roaringly yours ...

LIONS CLUBS INTERNATIONAL FOUNDATION

The week of January 12-18 1992 was LCIF week. Have you made your commitment to LCIF for this Lionistic year? Now is the time to do it!

The District Melvin Jones Committee will be meeting this spring to select the District Melvin Jones Fellows for the year. These fellowships are provided by your LCIF contributions. Nominations for Melvin Jones Fellows must be received prior to May 13, 1992 by the District LCIF Chairman. Your contributions are also to be sent to the District LCIF Chairman. Last year the District presented five Melvin Jones Fellows. Let's increase that number this year.

If your club or zone wishes to present a Melvin Jones Fellow, you can contact the District Governor or the District LCIF Chairman for information. Our goal is to have 75,000 Melvin Jones Fellows worldwide by June 30, 1992. As of November 30, 1991 there were 47,159 Fellows.

A reminder to Melvin Jones Fellows in District 27-B1. This year we will have our first Melvin Jones Breakfast at the State Convention in Wausau. The breakfast will be at 7:00 a.m. at the Elks Lodge on Friday, May 15, 1992. Only Melvin Jones Fellows can attend this breakfast. Order your tickets using the form in the WISCONSIN LION magazine.

Lion and Lioness Friends who have called and/or written concerning the Lioness Program...

MY DEAR FRIENDS,

I appreciate the interest which has been shown, and I am happy to share my view of things with you. Please understand – it is **only** my view, but I believe it to be shared by many, including a majority of the International Board. Actually, the vote was unanimous.

First, this decision by the Board **does not** tell the Lioness clubs to disband. It **does encourage** them to become Lions, either by membership in another club, or by converting their Lioness club to a Lions club. I am proud to be a Lion, and I would welcome them. We moved to eliminate "sexism" in Lions clubs in 1987!

Now, here is the background on the action of the Service Activities Committee of which I am chairman. Some Lioness believe they should be allowed to vote on all levels of **LIONS'** issues, while paying no additional dues. Others believe there should be a dual dues structure for Lioness who wish to vote in Lions' elections (this, in my opinion, would present an administrative nightmare)! Still another group of Lioness feel they should have the **right** to hold district, multiple district, and international offices in **Lions Clubs International**, while remaining a member of the Lioness club only. There are a number of other opinions, but these are a sampling of the ones I've heard.

In view of the foregoing, I felt that the Service Activities Committee, under whose oversight the Lioness program comes, and the International Board needed to establish a definite policy to bring to an end the continuing debate on this issue, so that **all** of us can work more diligently toward our humanitarian objectives.

Everyone should understand that this decision by the Board does **NOT** "wipe out" the Lioness clubs. They are free to continue their function in their local communities just as they have in the past. They may continue the same projects as they have always done. No one, **especially I**, questions or challenges the great contribution the Lioness have made to our combined efforts. If any of the Lioness **choose not** to be Lions, then most certainly they are encouraged to continue their wonderful endeavors, as in the past!

The main difference in the policy change is that the dual-organization concept is re-directed. Many Lioness clubs will scarcely notice the difference. It is my intention, along with others on the committee, to encourage the Club Supplies Department to continue providing many of the Lioness articles that are now available.

I feel certain that the April Board Meeting will yield productive guidelines for the furtherance of the Lioness program. Clubs, Districts, and Multiple Districts* have a great deal of flexibility under this new concept.

I hope this helps to explain the overall direction and intent of what was done. Please be patient with us as we attempt to "fine-tune" our programs, so that those who are recipients of our benevolence will reap the most benefit.

Yours in ~~Lionism~~,

RAY HUGHSTON,
International Director

FUNDRAISING ACTIVITY INCREASING

Campaign SightFirst began the new year with over $1 million raised to fund SightFirst programs to prevent and cure blindness. The three-year campaign seeks to raise over $130 million by July 1994.

Judge Brian Stevenson, Past International President and International Executive Coordinator of Campaign SightFirst (CSF), has asked all club presidents for a report on their club's fundraising plans for CSF this fiscal year. *Fundraising Activity Report forms* should be submitted to the CSF office in Oak Brook, Illinois. Additional copies of the form can be requested by contacting (708) 572-0780 or fax (708) 572-0784.

Has your club planned its CSF fundraising activity for this fiscal year? Please be sure that it is over and above what you would normally raise for LCIF so that the good work of the foundation may continue.

CLUB BANNER PATCH AWARDS

Two distinctive banner patch awards are available for clubs that exhibit leadership in raising funds for Campaign SightFirst (CSF) this fiscal year ending June 30, 1992. They are:

"Lions Conquering Blindness" presented to all clubs that raise a minimum of $1,000 for CSF for the year 1991-92.

District "Top Five" - (first through fifth place) presented to the five clubs in each district that achieve the highest per capital giving to CSF for the year 1991-92.

PINS AND CERTIFICATES SPECIAL RECOGNITION

In addition to the club award patches, special certificates and pins will be awarded in the following categories.

CSF International Award for District Governors. To the district governor in the entire association who has the highest per capital giving to the CSF in his district for the year 1991-92.

CSF Multiple District Award for District Governors. To the district governor in each multiple district whose district has the highest per capita giving to the CSF for the year 1991-92.

CSF International Award for Multiple District Council Chairmen. To the multiple district council chairman for the year 1991-92 who has in his multiple district the highest per capita giving to the CSF in the entire association. *Membership based on statistics reported to and recorded by LCI headquarters as of July 1, 1991.*

All clubs in the district are encouraged to strive for CSF awards. The awards are a prestigious symbol of distinction, recognizing those who rise to the challenge of Campaign SightFirst.

CSF promotional items will be available for display at local conventions. These will include pins, banners and posters which may be purchased by local clubs to help promote CSF.

NATIONAL/MULTI-NATIONAL LEADERSHIP

There are seven Campaign SightFirst National/Multi-National committees in place worldwide, each consisting of five to seven members. Chairmen and secretaries were appointed at recent committee meetings in Bombay, India • Kobe, Japan • Melbourne, Australia • Nice, France • Oak Brook, Illinois • Rio de Janeiro, Brazil.

MELVIN JONES FELLOWSHIPS

You can help LCIF reach its goal of 75,000 Melvin Jones Fellowships by the 75th anniversary year by sponsoring at least one additional fellowship this fiscal year. Fellowships *can* be designated to Campaign SightFirst.

In addition to the recognition normally associated with Melvin Jones Fellowships, a gift of $1,000 credited to CSF by June 30, 1992 will entitle your club to receive the "Lions Conquering Blindness" CSF Award Patch for 1991-92.

WLF SIGHT COMMITTEE SURVEY

PLEASE TAKE A FEW MINUTES TO READ, COMPLETE & RETURN THIS SURVEY.

Your Wisconsin Lions Foundation Sight Committee is working on putting a proposal together for presentation to the WLF Board this summer. The proposal is that the Foundation purchase, equip, supply & maintain a van that will travel around the state of Wisconsin giving free eye exams to anyone. This proposal has been in the works for the past couple of years and now that Lions International is committed to wiping out preventable blindness by the end of this century this project takes on an even more critical nature. Many Wisconsities go blind each year thru the effects of Diabetes, Glaucoma, Macular Degeneration & other eye deseases. Your WLF Sight Committee is working towards getting the support of the Wisconsin Optometric Association. We have already met with representatives of the Wisconsin Optometric Association and we feel confident that they will be in complete support of our screening van.

Please answer the following questions----circle your answer.

Are you in favor of the WLF sponsoring a screening van. Yes No

If this van was available would you use it in your area. Yes No

Would you be willing to pay a nominal fee ($50-100) when it was used in your community. Yes No

In order to keep operating expenses as low as possible would your club be willing to house and feed the driver when in your area. Yes No

Volume 1, No.9
March 1992

HELLO LIONS AND LIONESS,

We are now starting our third month of our January • February • March Growth Period. We have had new members come in the last two months, but not in significant number. If you're planning on sponsoring a new Lion during this growth period, you must have them in this month! Remember, each sponsoring Lion will receive a handsome lapel pin indicating their commitment to bringing in new members. Our District lost a lot of members in December due to the "poison pen" month (if members aren't active, drop them). I urge you to reconsider these members who are not always active, but may still do a lot of good for your club. So if they are paying their dues, selling raffle tickets, or helping on various work days, consider keeping those Lions in your club and spend more time trying to get them involved in other activities. We do want to bring in new members, but the most important thing is RETENTION ... keep the quality members you now have within your own club.

Our State Convention in Wausau on May 14, 15, 16 is rapidly approaching. The delegate and alternate cards were sent to your clubs along with registration blanks. We urge you to respond and get your Lions and Lioness registered for the State Convention. We'd like to see a good turnout from 27-B1 and a big turnout for our District Meeting. Remind your delegates to go to Convention and attend the seminars, but it is most important to **VOTE.**

Our International Convention will be held this year in Hong Kong from June 23–26. We'd like to have a good representation from B1 at this Convention. You have to let our State Secretary, Debi Lutz, know if you are planning to go, so she can keep you abreast of any changes in Convention plans.

We have had the pleasure of attending some of our other District Conventions in the last few months. I've met some mighty fine Lions and Lioness, International Directors, and 2nd Vice President Jim Coffey. Attending other conventions is a great learning experience. I urge Lions and Lioness of 27-B1 to make the effort, take the extra time and commitment to go to another District Convention and see how other Lions "do their thing. I thank the District Governors from our Council who have invited us to their conventions. It is an experience we will remember for a long time.

We are making plans at this time to travel to Michigan to my twin governor's convention on March 27–29. District Governor Bob Smoke from East Detroit was at our convention in Neenah with his lovely wife, Lion Betty. We had a great time in November and look forward to seeing them and enjoying the fellowship of the Michigan Lions and Lioness.

LIONESS, you must talk to your sponsoring Lions Club and urge them to write to Lions Club International to request your conditional license number. This authorization is to be applied for under the sponsoring Lions Club letterhead. LIONS, remember when your Lioness ask for this letter, get it written and sent to Lions Club International ... as they must have it before July 1. Elsewhere in this Newsletter, I have published a letter from PDG Ivan Ryan and his sample letter showing the information and address needed to send for this conditional license.

Roaringly yours
DISTRICT GOVERNOR

ARE YOU GOING TO HONG KONG?

If you are planning to attend the International Convention to be held in Hong Kong, please let me or our State Secretary, Debi Lutz know. The state office is located at 2715 Post Road, Stevens Point, Wisconsin 54481 • telephone (715) 341-2277.

Debi will be sending out important information to all planning to attend this Convention, so please make yourselves known in the immediate future.

Thanks for your assistance regarding this matter.

CLUB MEMBERSHIP CHAIRMAN'S RESPONSIBILITIES

1. Select acceptable club membership program with attainable goals and objectives for the Lionistic year (July 1 to June 30th) with the club Board of Directors approval.
2. Conduct at least one Membership Retention & Development session with the general membership of the club and present membership goal and program.
3. Promote the International Membership Growth Programs (October membership., January February, March Growth Award., District Governors Growth Award).
4. Conduct periodic sessions on prospecting and selection of new members.
5. Organize membership contests within the club.
6. Assist members in following-up on prospective members.
7. Ensure that a formal ceremony is held to induct a new member as soon as possible following the approval of applicant.
8. Ensure that all new members attend a orientation Seminar. When numbers dictate, conduct a session with the assistance of the District Membership Chairman.
9. Make sure that the sponsors are aware of their responsibilities towards the new members they have introduced into Lionism. If necessary, conduct information sessions.
10. Obtain names of non-attendees, members who have failed to pay their dues, and personally contact them (preferably) with the sponsor of that member.
11. Organize (with the approval of your club program chairman) various ways to recognize Monarch and Charter members.
12. Actively participate on the District Membership and Extension Committee.
13. Attend District Membership Training and the Annual Refresher sessions.
14. Report to and work closely with the Club Executive Officers.
15. Maintain close contact with the District Membership Officers.
16. If your Club has less than twenty (20) members, strive to exceed that number to avoid having the Club placed on STATUS QUO.

CLUB MEMBERSHIP COMMITTEE

MEMBERSHIP DIRECTOR: The membership director shall be the chairman of the Membership Committee. The responsibilities for this position shall be:

a. Development of a growth program specifically for the club and presented to the Board of Directors for approval.
b. Regular encouragement at club meetings to bring in new quality members.
c. Preparation and implementation of orientation sessions.
d. Reporting to the Board of Directors on ways to reduce the loss of members.
e. Serving as a member of the Zone level Membership Committee.

LEADER DOGS

With only 1/3 or our Lionistic fiscal year left, we still have 32 Lions and 10 Lioness clubs out of our total 93 clubs that have NOT made their contribution to the Leader Dog Program. At this time, we are slightly ahead of 1990-91 both in number of clubs and dollars in. So far 16 clubs have increased their gifts. We had one Zone (Region III, Zone 3) reach the 100% in February. Two others are only one club short.

We expect to have a Leader Dog team returning from the school in March and are arranging for another.

In 1990-91, our District 27-B1 was a 100% Leader Dog District for the first time in the state of Wisconsin. *Please help* to make 1991-92 two-in-a-row!

Please issue your check to Leader Dogs for the Blind and mail it to Lion Glenn Murty PDG, Route 2 Box 240, Wild Rose WI 54984-9410.

CLUB BANNERS

We ask all clubs to bring their club banners to District Convention and display them. We have a club who is missing their banner from this years convention in Neenah. Would all clubs please double check and see if they might have picked up a banner that does not belong to them. Replacing a club banner is not only costly to the Club, but trying to replace all the awards that are displayed on it is even harder. If anyone knows the whereabouts of this missing banner, please contact District Governor Bob Showers so we can make arrangements to return it to the rightful owners.

Thank you.

EXTENSION & MEMBERSHIP

Net Gains

Nomination / Election of Club Officers
We are entering the most critical time of our Lionistic year in regard to membership growth. Club leadership or the lack of, at all office levels will shape the outcome of our Membership Program for the upcoming year.

The Club Nominations Committee should be largely comprised of Past Presidents, who from experience understand the requirements of the individual offices and the proper selection procedures for developing a strong slate of officers.

The system is set up to provide for progression thru the ranks for the Vice Presidents to President and the Membership Committee members to Membership Director. This not cast in stone, it is the decision of the Nominations Committee and the vote of the Club membership, who serves on the Board of Directors. All potential officers must be personally contacted to determine their desire to commit a year to fully serve as the office requires.

Club Presidents - Your Nominations Committee should be selected and in action at this time. Plan to hold your elections in March or the first meeting in April at the latest.In May or June hold a formal officers installation at a Ladies Nite.

Club Secretaries - You are responsible to meet the filing deadline for the PU-101, Officer Reporting form and the PU-101M, Membership Committee Reporting form. These reports are due be April 15th. This earlier than the International Office deadline, however District Governor Elect Lion Rudy Messar needs the PU-101 information early for organizing the State directory and I need the PU-101M information for the District & State Membership Directories. Your efforts in this matter will be greatly appreciated.

Officer Training - At a minimum, the newly elected President, Secretary and Membership Director are required to attend. Attendance is a requirement of the 100% President; 100% Secretary and Membership Director Growth Awards. Watch for details regarding these training sessions, which are held at the Region level at a location near you.

Lions Club President:

This message is for all Lions Clubs who sponsor a Lioness Club in your community. I assure you all Lioness Clubs in Wisconsin want to remain Lioness Clubs. No Lioness need to become a Lion. No Lioness Club needs to become a Lions Club. The sponsoring Lions Club must apply to Lions Clubs International for a conditional license number for their sponsored Lioness Club by *June 30, 1992.* Please co-ordinate with your local Lioness Club President and get this request letter sent at once. Please don't delay. Use your clubs letterhead, sign it as your Club's president and send it to Lions Clubs International, Attention: LEGAL DEPARTMENT.

Lioness want to remain Lioness, not Lions. We need them to help us serve the needs of our community and the less fortunate. I have informed all Lioness Clubs in our State with the help of the Lioness leaders of our districts to contact their sponsoring Lions Club to apply at once for the license number for their club to remain and serve as a Lioness Club.

We have 161 Lioness Clubs with 4100 dedicated, involved and committed members. Lions and Lioness serve the needs of two different cliental. We need both type clubs in our communities to get 100% coverage of service to the less fortunate and filling the needs of their respective communities. I have pledge that if the Lioness organization does lose the staff support of Lions International, on June 30, 1992, the Lioness program here in Wisconsin will continue as a strong and viable Lioness organization with or without International staff support. We will prevail in our great state of Wisconsin. Below is a sample form of a request letter if you care to use any portion of it. Date it, use your Lions Club name and Lioness club name, use respective District number, sign it, keep copy for records or follow-up and mail. Thank you for your support and co-operation on this most important matter.

Sincerely in Lionism,
PDG IVAN RYAN
State Lioness Advisory Chairman

Attention: Legal Department

The XYZ Lions Club, District 27-B1 Wisconsin, requests a conditional license number for our sponsored Lioness Club of XYZ, Wisconsin, as directed by the International Board.

Do you have drivers over age 55 in your group? Would you like to have a free hour program presented in conjunction with a meeting or as a special project for the community?

The Division of Motor Vehicles has developed a Driver AWARENESS Program primarily for drivers 55 and older which is intended to alert them to:

* Facts relating to the older driver population
* Driving ability as related to the aging process
* Driving errors of older drivers
* New driving techniques

This is a valuable program for the drivers in your community. Many of the **nearly 900,000** drivers in Wisconsin who are age 55 and older have not taken a course in driver education or training as our youthful drivers have. Instead they have experience and judgement that are very important elements of safe driving, *However, roads change, laws change, signs change and we change.*

Trained volunteers present the program using a slide program. They also provide selected highway safety material.

Volunteers are needed in some areas of the state. Training for volunteers is about 2 1/2 hours. We provide slides and a script to use in the presentations. The volunteer need not be a highway safety expert but must have a good driving record and be at least 55 years old.

If you would like to arrange to have the program presented in your community or for more information contact Wes Geringer 608/266-0614, or write to Wisconsin DOT, Driver AWARENESS Program, P.O. Box 7917, Madison, WI 53707-7917.

We sincerely believe that with adequate driver AWARENESS, mature drivers can cope with the demands of today's traffic, continuing to be safe and productive citizens in the community.

HELL-O LIONS AND LIONESS OF DISTRICT 27-B1;

We have now completed the third month of our January•February•March growth period. I hope all clubs worked hard and brought new members in to help Lions International gain members and District 27-B1 be No.1. I do not have a final tally of new members brought in to this date since all March M&A reports are not in. I will give an update in our next newsletter.

Lion Jeri and I just returned from our trip to Troy, Michigan, where we visited our twin governor Lion Bob Smoke and his wife Lion Betty. We attended their District Convention in District 11-A1. Governor Bob, Lion Betty and the Lions of Michigan were gracious hosts. We indeed had a great weekend and enjoyed visiting A-1 and the complete council of governors from Michigan. We arrived home and reflect back on our weekend of making many new Lion friends in another State and District. I urge each of you when you have an opportunity to, visit another District Convention or another State, do so because the reward will be great. One of the highlights of our trip to Michigan was a tour of the Penrickton Center for Blind Children. This facility is funded 100% by two Lions Districts, 90% from District A-1. Penrickton Center for Blind Children is a five-day residential, daycare treatment, and consultation/evaluation center serving blind multiple-handicapped children. The Penrickton Center serves blind children, ages 1-12 who have at least one additional handicap. All children must be able to attend a school program. Services are offered without regard to race, color, religion, national origin or sex and there is no fee charged. This is a great District Project and the Penrickton Center is doing a great job serving needy children. We certainly enjoyed the tour.

Our year is winding down pretty fast and each club should have had their elections of new officers by now. Remember you must get your PU 101 and PU 101M forms on their way as soon as possible. We must have these to complete our State Directory and the International Office needs them for their printings. If you do not get the PU 101 in on time, your club will not be represented in our State Directory. We're counting on you to do the good job you have in the past.

Lions and Lioness, remember our State Convention is coming up very quickly. If you have not registered, do so at once. The convention will be held in Wausau on May 14•15•16. I hope to see a good turnout from District B-1 with lots of delegates there ... Delegates, be sure to vote! This convention is put on for the Lions and Lioness of Wisconsin and we hope you take the opportunity to attend and bring lots of information back to your club.

Included elsewhere in this newsletter is a schedule of events for our 16th Annual USA/Canada Lions Leadership Forum to be held in Oklahoma City, Oklahoma, September 24-27. These forums are a great experience – please consider going or consider sending your first vice president. He/she will come back to your club a much better leader.

Roaringly yours

GREAT JOB
B-1 LIONS & LIONESS:

We are now 100% in contributions to W.L.F. I thank all Clubs for making the effort to contribute before our March deadline.

ATTENTION
CABINET MEMBERS

Our fourth cabinet meeting will be Sunday, April 26, at the Radio Station Restaurant on highways 21 and 73 in Wautoma. (That's approximately one mile east of downtown, on the north side of the road.) Parking for us will be on the side of the building.

Zone Chairman and Region Chairmen will meet at 11:00 a.m.

The full cabinet meeting will be at 1:00 p.m.

Cabinet pictures are to be taken at 3:00 p.m. You can order an 8x10 picture of the Cabinet. The cost is $5.50 and payment must be made at the April 26 Cabinet Meeting.

NURSES NEEDED AT LIONS CAMP FOR SUMMER PROGRAM

As a result of the current nursing shortage, Lions Camp has experienced great difficulty in finding nurses to work during the summer camp program. This past summer the Camp program operated under conditions in which the nursing staff needs of the Camp were minimally filled through various staffing patterns of weekend and part-time nurses. Unfortunately, the nursing shortage is occurring at a time when the Camp has increased numbers of children which require skilled nursing care.

Graduate nurses, LPN's and RN's who have an interest in an excellent pediatric experience are encouraged to contact the Camp. The summer camping season operates from June through August. Nurses are needed throughout that period of time. Competitive wages, enjoyable work environment and an excellent professional experience are provided. Any nurses interested in full or part-time employment during the summer should contact:

GET WELL MESSAGES TO...

Paul Tadych, PDG, who has been in the hospital and now recuperating. His address is N1032 Ctry "KW" in Cedar Grove 53013 – you might like to send a card to wish a speedy recovery.

Also to Lioness Rose Buchholz for a speedy recovery from her recent illness – her address is 115 Belleville Street in Ripon 54971.

DISTRICT 27-B1 BOWLING TOURNAMENT

The Hillbert Lions are proud to be this year's host for the 1992 District 27-B1 Bowling Tournament being held October 3-4 • 10-11 • 17-18 at Tommy's Village Lanes on Hwy 57 in Hillbert.

"Early Bird" entries dated prior to September 19 will be eligible for a $25.00 cash award given each day at registration. Plans are made to provide all entrants with great bowling, raffles, prizes, and LOTS OF FUN!

Entry forms, fees and other details will be in future newsletters as well as mailed to all clubs in the district. For any additional information not covered, please contact Lion Bob Reif at P. O. Box 314 in Hillbert WI 54129 or call him at (414) 853-3068.

CLUB MONEY EARNERS
PLAN No. 2

This is most often used and recommended for clubs in well-populated areas, ideal for street give-away operations, for on-the-spot contributions, at shopping areas, factories, banks, airports, anywhere there is traffic ... YOU GIVE AWAY LIONS MINTS IN EXCHANGE FOR CONTRIBUTIONS.

Lions are aided by wives, friends, school boys and girls and other volunteers. Lions Club workers are identified their T-shirts, signs, canister, etc. CANDY DAY is fun and it's easy if you organize and prepare. Profits can be high. Often a contributor will give $1.00-$2.00 or even $5.00 and take several rolls of candy for the kids at home or for the "girls at the office."

And as part of this method, remember the industrial possibilities. Many companies have funds available to support local projects. Ask business firms and supporters in the community to contribute the cost of a case of Lion mints to the campaign.

CAMPAIGN SIGHT FIRST
Put the "Fun" in Fund Raising

'LIONS CONQUERING BLINDNESS' is serious work. But the way Lions go about raising funds to meet this challenge can be fun, exciting and even a bit outrageous. Events that may seem slightly silly can raise significant funds for the fight against blindness, and generate publicity to help raise public awareness of our serious mission.

In Australia, Lions are planning a nationwide "snoring contest" in which participants will contribute money to have tape recordings of their snores judged. The winners will receive prizes supplied by a local manufacturer of an anti-snoring device. The idea is perfect for radio and television news coverage.

Also planned is a nationwide "Eyepatch Day". The idea is for Lions and others in the community to make a donation for an eye patch which they will wear all day to show their support for CSF. That very noticable badge of support gives Lions an opportunity to explain the CSF cause to all they meet.

WISCONSIN EYE BANK
The Gift of Sight

2870 University Avenue • Suite 103 • Madison, WI 53705-3611
(608) 263-6223 • FAX (608) 263-0571

DEAR FRIENDS,

Even when you know that your help is making a difference, it's nice to be appreciated.

But, in this case, the Wisconsin Lions Foundation has made such an impact that a simple thank you is not enough. In this case, generous volunteer and financial support plays a vital role in helping the Wisconsin Eye Bank succeed in its mission.

Last year, for example, the Eye Bank and its network of professionals, Lionism in Wisconsin, and other volunteers helped hundreds of people receive corneal transplants. Another 1,400 eye and cornea donations furthered research and education.

But with all the people we were able to help, we still had a waiting list for transplants at the end of 1991. And experts predict that advances in research will at least double the need for donations in coming years.

Eye Bank technicians are on call 24 hours a day, seven days a week. When a donation becomes available, the eye tissue must be removed within six hours of death; tested for bacteria, viruses and defects; and transplanted within 48 to 72 hours. We work with 82 hospitals as collection centers and have certified almost 600 people in eye removal throughout the State.

In addition, we are gaining international recognition as an expert resource for other countries. We are helping Nicaragua build its Eye Bank program, by providing expertise, educational materials for the public, and training at the UW Hospital for its doctors.

In the Philippines and in China, we have provided guidance to groups as they began developing Eye Bank programs. The Wisconsin Eye Bank Program is truly on the world map.

Yet the Wisconsin Eye Bank has some definite challenges, and needs your continuous support, in 1992:

- TO PROVIDE QUALITY TISSUE FOR RECIPIENTS BY PURCHASING A LABORATORY SPECULAR MICROSCOPE FOR EVALUATING CORNEAL TISSUE.
- TO ACCESS DATA QUICKLY AND ACCURATELY FROM THE PATIENT INFORMATION DATABASE, BY UPGRADING AND ADDING COMPUTER EQUIPMENT AT THE EYE BANK. THIS DATABASE HOLDS OUR PATIENT AND DONOR LISTS – AT LEAST 1,500 TO 2,000 NEW CASES A YEAR.
- TO INCREASE EYE DONATIONS THROUGH STATEWIDE PUBLIC CAMPAIGNS, AND TO BUILD BETTER LOCAL PROGRAMS IN AREAS WITH DONOR HOSPITALS.

The Lions Foundation, as sponsor of the Wisconsin Eye Bank and its donor branches, is crucial to our continued success – one of our greatest strengths is the extraordinary support you give us. We want you to know that your excellent work has truly made a difference.

We at the Wisconsin Eye Bank thank you and look forward to working together in 1992 to improve the quality of people's lives through the Gift of Sight.

Sincerely,

Margaret Kelm

KEY NOTE SPEAKER - DR. JAMES BLAKELY

Doc Blakely, keynote speaker, seminar leader, consultant and author of seven books, is a creative force on the world platform scene today. This businessman possesses a rare talent for presenting totally positive approaches to problem-solving.

His credentials include B.S., M.S., and Ph.D. degrees from Texas and Missouri. He is a writer who also has the verbal ability to inspire, motivate and educate. Doc Blakely is in demand as a platform speaker throughout North America, addressing meeting planners from associations to Fortune 500 companies. The 3500-member National Speakers Association has recognized him with every award they give including "The Cavett," an honor that has been given to only 12 speakers.

Radio personality Paul Harvey writes: "I've shared enough platforms with Doc to recognize his diligence. He *works* at his craft of keeping you and me entertained."

A light-hearted success humorist, Doc delivers the most serious message in a dynamic, but entertaining way.

SUE THOMAS

At the tender age of 18 months, Sue Thomas was watching television with her family when she suddenly went deaf. Her hearing could never be restored. With devoted, supportive parents, Sue was determined to succeed, with God's help. She completed her B.S. degree in Political Science and International Relations at Springfield College in 1976, followed by graduate studies at Case Western Reserve University.

With her uncanny ability to read lips from across a room, she worked in undercover surveillance for F.B.I. headquarters in Washington. Despite her success there, her longings led her to the Columbia Graduate School of Bible and Missions in Columbia, S.C. This was followed by a move to California where, six years ago, she founded and presides over Operation Sound, a non-profit organization to open the doorway between the hearing and deaf worlds, the latter consisting of more than 21 million people in North America, some 250 million worldwide.

Interviewed frequently on radio and TV, she is in demand as a public speaker before business, professional, civic and church groups.

JOE GRIFFITH

Joe Griffith has a diversified background. He has been a stockbroker, real estate developer, commercial pilot and a TV Newscaster! He has appeared in more than 200 commercials for such companies as McDonald's, Holiday Inns and Dayton Tire. Joe is also an author with several books to his credit. His latest is the *Speaker's Library of Business Stories,* published by Prentice Hall.

Since 1971, Joe Griffith has delivered over 2,000 speeches and seminars to groups representing the most prestigious corporations in the U.S.

Entertainer Steve Allen says: "Joe Griffith knows exactly how to win over an audience." And, Dale Carnegie President J. Oliver Crom says: "His selection of business stories, anecdotes, and humor is right on target."

GREETINGS LIONS AND LIONESS ...

Our annual State convention this year to be held at Wausau is fast approaching. The important dates are May 14•15•16. There are many excellent seminars planned. We hope you will take advantage of this convention and take your learned experiences back to share with your club members. Our District meeting will be held on May 15 at 10:30 at the Labor Temple in Wausau, followed by our District luncheon. We hope there is a good turn out for this event. We will be discussing District business and the resolutions you will be voting on this year at the convention.

As we are writing this May newsletter we are finalizing our plans for the International Convention in Hong Kong. Truly it should be a rewarding experience. We are also finalizing plans for our 16th annual USA/Canada Leadership forum. This year it will be held in Oklahoma City, Oklahoma, September 24-27. Again I urge that your clubs consider sending a representative to the USA/Canada Forum. It is a learning experience they won't soon forget.

By now all of our clubs have elected their new officers, their PU101 and PU101M are sent in and our clubs are making plans for their summer activities. I urge you, as Lions and Lioness, to work together to make your fundraisers enjoyable as well as profitable. We all must remember that a job goes much easier if we have fun doing it.

I also want to take this opportunity to remind you of LIONS WEEK. Lions Week this year will be May 10-16, the same week as our State Convention. Our goal is the promotion of Lionism within Wisconsin. This will inform the public about Lions, Lioness, Leos and their Lionistic service. It will help us build support through awareness for local clubs and their projects. With this we hope to stimulate membership through local publicity and promotion. Be sure to wear your Lions pin during LIONS WEEK and try to get some coverage on your local radio station or newspapers.

Have a good month and we will see you at Wausau.

Roaringly yours
DISTRICT GOVERNOR

Do You Know The Difference?

DELEGATE CERTIFICATION

A delegate is voted in at club level. This allows you to go to District, State or International Conventions as a "DELEGATE" to vote.

But ...

You can vote only after you are certified. Certification is done at specified times at all conventions. This allows you to vote and represent your club.

BE SURE TO GET CERTIFIED AND BE SURE TO VOTE!!

WISCONSIN LIONS WEEK May 10-16

GOAL: THE PROMOTION OF LIONISM WITHIN WISCONSIN THROUGH A STATEWIDE PUBLICITY CAMPAIGN BY THE LIONS, LIONESS, AND LEOs OF THE STATE WITH THE PRESENTATION OF A "WISCONSIN LIONS WEEK" PROCLAMATION TO THE WISCONSIN LIONS AT THE STATE CONVENTION.

1. Inform the public about Lions, Lioness and Leos and their Lionistic service.
2. Build support through awareness for local clubs and their projects.
3. Stimulate membership through local publicity and promotion.

IDEAS

A. Wear your pin all week.
B. Publish an article in your local newspaper about your club and its projects.
C. Hold a radio interview about Lionism and your club.
D. Sponsor a TV, radio or newspaper ad announcing the Lions 75th Anniversary and Wisconsin Lions Week.
E. Put "Wisconsin Lions Week" on a community sign such as a bank sign during May 10-16.
F. Invite community leaders to your meeting to tell them about Lionism, its 75th anniversary, and your club.

Improve Our Environment
ADOPT A HIGHWAY

Now that spring is finally here, summer is right around the corner. With the coming of summer some of you clubs out there might want to help clean up the environment by getting involved in the state's "ADOPT A HIGHWAY" program.

Under this program your club agrees to keep the trash and litter picked up in the ditches and roadsides. In return you get a little publicity and recognition for your public service by having signs posted along the road indicating that your Lions Club has adopted that particular road or highway and are responsible for keeping it clean and neat thereby improving the appearance and the environment.

MEMO

FROM: ID Harry Merriman
RE: **Lioness Update**

As expected, the International Board did not reverse its action regarding Lioness Clubs at the April Board Meeting. Some actions were taken, however, which clarify the situation and answer some of the questions. All take effect as of July 1, 1992. These actions are outlined below:

1. The entire Board Policy chapter on Lioness Clubs was eliminated. A small section on Lioness clubs was added to a different chapter, but it isn't very big.
2. There will continue to be a Lioness Club catalog. Items will remain available as long as there is a demand for them. Lioness clubs may purchase supplies directly, paying by cash, check or credit card.
3. There will be no charge for the "conditional license". Lioness clubs are advised to apply as soon as possible through their sponsoring Lions Club.
4. Lioness Clubs will be covered by the Lions Club's liability insurance.
5. Lions Clubs International will no longer recognize Lioness Districts or Multiple Districts; however, they are not prohibited.
6. The "standard" Lioness Club and District Constitutions and By-Laws have been eliminated.
7. District Lioness Chairmen are still recognized.
8. District Governors will not be reimbursed for newsletters sent to Lioness clubs.
9. There will no longer be an International Lioness Club Directory. Since no reporting forms are required for the coming year, this was expected.
10. There will not be a Lioness Club category for trading pins, banners, or publicity contests.
11. A Lioness Club which becomes a Lions Club may not use the word "Lioness" in its name.
12. The Lioness Department will be continued for six months to process awards earned during the 1991-92 year.

THIS MEMO WAS SENT TO 1991-92 GOVERNORS, DG-ELECTS, PID LECY, AND MD-27 LIONESS CHAIRMAN PDG IVAN RYAN ON APRIL 27, 1992.

REQUIREMENTS FOR 100% SECRETARY'S AWARD – 1992

1. All M&A Reports must be mailed by the last day of month in order to reach Lions International, District Governor, Region Chairman and Zone Chairman no later than the 5th of the following month.

2. All District and International dues and all CLUB supply billings be given to Club Officers for payment within 10 days of receipt. Payment must be within 30 days of receipt of billing.

3. There must be no club indebtedness owed to Lions International or the District which would make club delegates ineligible to vote at either the State or International Convention.

4. The PU101 Form must be properly filled out showing the newly elected President, Secretary, and Treasurer and must be completed as required and submitted no later than April 30, 1992 to Lions International and the District Governor.

5. All delegate forms and cards must be completed and submitted by May 1 for the State Convention.

6. The Secretary must attend at least two Zone Meetings held in his Zone during the current year.

7. At least one of the following requirements must be fulfilled:

   a. Attended the District Officers Training Seminar

   b. Attended the District Convention

8. The Club Secretary must be recommended for this award by either his respective Region Chairman or Zone Chairman with final approval by the District Governor.

9. Any of the above rules may be waived by the District Governor if he is advised of conditions which exist beyond the control of the Secretary.

10. Application for this award must be submitted to the District Governor no later than July 20, 1992.

HELL-O LIONS, LIONESS

I want to take this opportunity to thank you, the Lions and Lioness of 27-B1, for giving me the opportunity to serve as your District Governor this year. It truly was a great experience and I surely gained more than I gave out. I thank every member of our 27-B1 Cabinet who served with me for our District this year. Your commitment and dedication to Lionism is truly appreciated by me and the Lions and Lioness we served.

We just completed our State Convention in Wausau. It was a great conventionwith an exciting District Meeting, a very very wet parade, and a few tornado scares where we sat in the basement of the Holiday Inn dressed in our tuxedos. Indeed a convention I will never forget.

I also take this opportunity to tell the Council of Governors how much I enjoyed serving with them. Jeri and I made some great friends and I hope the friendships will continue throughout our lives.

At the writing of this newsletter, I still have approximately 30 days left of my term, which ends at the conclusion of our International Convention in Hong Kong. I would like to take this opportunity to give you a brief update on the miles and the nights and the cities and countries we had an occasion to visit this year. To date, we traveled 24,462 air miles (with our International Convention still coming up that should be in excess of 23,000 miles) which would bring our total to 47,462 air miles traveled this year! We also drove 24,449 road miles (with approximately 1,140 miles yet to travel in June) totaling approximately 25,588 miles traveled by car. We visited cities from Wisconsin's southern border in Beloit to Hurley in the north, from Two Riversin the east to River Falls on Wisconsin's western border. We traveled extensively throughout Wisconsin in all 10 districts and met some truly wonderful Lions, Lioness, and Leos. Our travels also took us to many states, some just stopovers in air miles, others for visitation. This year we've traveled in Illinois, Michigan, Minnesota, California, Utah, and Hawaii, as well as Canada, Fiji, Australia, and of course our trip this month to Japan, Hong Kong, Macau, China and Korea.

This year, as your District Governor, was truly a great experience being able to visit so many cities and countries. We still have the Oklahoma City Forum coming up in September and a trip to Mexico with our ambulance project. Some of our day and/or evening visitations this year included three visits, starting with morning and ending with the evening visit, and a few more included two visits per day. Our total commitment was 262 days this year for Lionism, plus many many days we didn't count used for paperwork, newsletters, etc.

I thank the Packwaukee Lions Club for giving me this year of absence from our club so I could serve our District. We wish District Governor-Elect Lion Gordon Hoffman and his wife, Betty, all the success in the world for their coming year. I hope they enjoy it as much as Jeri and I have.

Lions, Lioness ... have a great year and THANK YOU.

Lion Bob

Up the Hill but not Over

BY LILLIAN JACOBS, RACINE

They say getting old really isn't so bad,
But I wish for the youth I once had.
I watch my grandchildren run and play,
Just tires me out by the end of the day.

In the morning while I'm still lying in bed,
Pains start creeping up from my toes to my head.
My mind sometimes gets scrambled so it is said,
I'm really not sure if I'm alive or dead.

As I stand up with my feet on the floor,
The first place I head for is the bathroom door.
When I look in the mirror, this is what I see,
An aged wrinkled face where youth used to be.

As the day goes on I get weary and weak,
It becomes such a job just to shuffle my feet.
My body that once was so firm and lean,
Looks like it's gone through a thrashing machine.

My hair has changed from color to gray,
But for some of us the hair has gone away.
As I look around at some of my family,
They're getting gray and aging like me.

My body that once was so firm and perky,
Just hangs like the waddle on a turkey.
My bones which help hold my body together,
Ache with pain at the change of the weather.

Growing old is all part of life,
We share this aging with husband or wife.
I go to bed wondering what the next day will bring,
Will it be happiness, will I hear the birds sing?

As I grow older each and every day,
I thank God for my good life as I pray.
So getting older isn't really that bad,
Because of the memories of youth I once had.

When You Meet a Leader Dog

A Leader Dog brings to men and women who are blind, a great sense of independence. More and more blind people are trained with well disciplined and dedicated Leader Dogs each year. It is very important that all sighted people know something about the way a Leader Dog team works together. We should know how to act when we encounter a blind person and his Leader Dog. The Leader Dog team knows what to do - but do we?

A person using a Leader Dog wants to be treated like an independent person, so the best way to treat that person is to assume he/she is an independent. If he/she is in some sort of trouble, they will ask for help. Never rush up and startle a blind person by grabbing their arm, but simply ask, "May I help you?" If a blind person appears to be in need of some assistance – approach him/her on the right side, the Leader Dog will invariably be at his left. Do not touch or take the blind person by the arm without first asking, in a quiet tone, if he would like a little help. Under no circumstances should a person take hold of the Leader Dog's harness, this will confuse the dog and startle the individual.

If a blind person does welcome your help, offer him your left elbow. He/she will take it and drop the harness handle as a signal to the dog that he is "off-duty" temporarily. If the blind handler is seeking assistance for a street crossing, always take them all the way across the street and up on the opposite curb, where the dog will again resume its duties.

Do the blind diner a favor and DO NOT offer tasty morsels to the Leader Dog. The owner looks after the Leader Dog's diet very carefully – the animal is well fed and does his job most efficiently when a recommended diet is followed.

Do not pet a Leader Dog when it is in harness or when working. There is a natural impulse to pet a Leader Dog, they are friendly animals that like to be petted and allowed to romp and play, but the owner should always be consulted first. Always ask the owner's permission before touching his Leader Dog.

Remember, that while a blind person appreciates attention the way we all do, he wants his friends, and others he meets, to be natural with him and not overly solicitous. A person enjoys independence because of the faithful Leader Dog. A person with a Leader Dog likes to get around on his own and really does not appreciate attention he doesn't need.

Pity should have no place in your approach to the man or woman who travels with a Leader Dog, for here is a person to be admired and respected for the victory he has won.

JUNE 1992 NEWSLETTER

HONG KONG

Lions
CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my party.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists/not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unanswering loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Cabinet of 27B1

Dear Lions:

I have checked the records of Lion Paul Schmid, Cabinet Secretary-Treasurer, for the year 1990/1991. I find that the balance on the bank statement from First Wisconsin Two Rivers, showing $4,836.63, agrees with the outstanding balance in the checkbook, other than two checks outstanding, number 191 for $250.00 and number 192 for $160.00. The checkbook balance of $4,426.63 agrees with the general ledger balance of July 31, 1991. In my opinion, the books are in order.

Sincerely,

John F. Coleman
Past District Governor

Cedar Grove, WI. 53013 phone 414-668-6308

Who May Participate?

1. All Lions and Lioness, and Leos from District 27-B1
2. Certainly involve your community!

How is the Journey to be run?

1. Any means that the club may wish to; walk, run, wheelbarrow, or any other inovative means to attract attention.
2. Clubs need to set up their own course of Journey, or if more than one club joined or meeting at a central point. HAVE FUN WITH IT!

Purpose of the Journey for Sight

1. to purchase a Lensometerfor the District. A lensometer reads perscriptions of used eyeglasses. This will greatly aid those clubs in our District who collect eyeglasses and have doctors who distribube them in 3rd world countries. A Lensometerwill cost in excess of $3,000.00.
2. The District Sight Chm. will have control of the Lensometer, and clubs will borrow the use of it from him.
3. To draw attention to what Lions do and to involve other non-Lions in this project, not only in the journey, by having them classify used eyeglasses by using the Lensometer,ie: senior citizens at their centers.

Fundraiser:

1. A Journey For Sight is definitly a fundraiser, and monies collected will be shared on a 60%-40% split with the District. Participating clubs will receive 60% and the District 40%.
2. All monies must be collected by May 15, 1992 and sent to the District Secretary. The distribution of the split will be sent to each participating club by June 2, 1992.

Sight Conservation-Eye Bank
Chairman's Goals for 1991-1992

1
To develop a priority list of perceived unmet needs in sight conservation in the District

2
To propose a plan to the District and Clubs for meeting those unmet needs

3
To prepare and inventory of existing sight conservation activities in the District

4
To assist the District Clubs in improving their existing sight conservation programs

I would appreciate any information you can provide to help me attain these goals.

DISTRICT LCIF REPORT, NOVEMBER 1, 1991

Balance, July 1, 1991	$1,106.38
Contributions, July 1 to November 1	750.00
Total, November 1, 1991	$1,856.38

(Note: $500.00 of the $1,856.38 has been designated for a future Melvin Jones by the Sheboygan Evening Lions Club)

Encourage your clubs to support LCIF. We have a goal of 75,000 Melvin Jones Fellows during this 75th year of Lionism. This goal can be reached if every club names a Melvin Jones Fellow. If an individual club doesn't feel they can do this on their own, go on a zone basis. We have many people who should be recognized for their humanitarian activities.

There will be a breakfast for Melvin Jones Fellows at the State Convention in May at Wausau. This breakfast will be on Friday morning and only Melvin Jones Fellows can attend. Their will be information in the WISCONSIN LION as to the purchase of tickets and the time and location of the breakfast.

ZONE CHAIRMAN REPORT. 2/14/92

ZONE 1 - REGION 1

District Bowling at Hilbert.
1st Three weekends in
October, Tommies Village Lanes.

A committee has been
formed from our zone
plus the New Holstein
Club to run a food
stand at the 1993 Farm
Progress Days to be held
in Calumet County.

Lions Quest Program
has been very successful
in three of the clubs in
the zone. - Stockbridge
Hilbert and Brillion.
Brillion Club has provided
funding for Two Additional
Instructors And Hilbert

will fund an Additional Instructor for the 93-94 School year.

All clubs have had excellent fund raisers, and are on line with their donations toward Lions projects.

Instead of a Zone Social the clubs would like an additional zone meeting All present and new officers will be in attendance.

Zone has a plus 2 in membership.

Zone Chairman's Report
Region Four
Zone One

February 16, 1992

Governor Bob, fellow Lions:

First of all, I must apologize for my absence and lack of participation in the previous cabinet meetings and District Convention. I have had a very busy year in another position and it has caused me to miss many Lion functions.

The zone has gained seven new members plus two reinstated and one transferred in since July of 1991. During the same time the zone has lost twenty members. Ten of which resigned in good standing, two transferred, three deceased and the others were dropped or moved. This gives the zone a net loss of ten with a membership of 203 (+23 Lioness) as of January 31, 1992. Something, I'm not sure what, must be done to maintain our membership. Maybe more stringent recruitment criteria should be utilized to ensure that the new member is earnest in his/her desire and understands the obligations of a Lion. Maybe they are not being made active participants in the club's functions and committees which would make them feel useful and needed. At the present time, the zone is taking on water and the bilge pump is not keeping up with the flow. The zone has lost about thirty members in the last three years! Something has got to change.

Some clubs in the zone donated money to other organizations for Christmas baskets for the needy and many distributed their own. Many sponsored children's Christmas parties. Winter fund raisers have included fisherees, flea markets, food stands and more.

At the last zone meeting in November it was decided to give one Melvin Jones Fellow per year and use the excess monies contributed for other projects, such as a lensometer, etc.

The next zone meeting will be held on March 5, 1992 at the "Hillside Inn" in Poy Sippi where the next Melvin Jones Fellow will be selected. The "Spring Social" date and place will be decided then also.

In Lionism,

Chuck Taylor

Bowling Committee Report

The Opening Ceremonies for the 1992 State Bowling Tournament was Feb 1, 1992. Entries for the tournament are complete and all weekends and time slots are full. All requirements seem to be in order.

PDG Glen Murty will continue as Secretaries of the State Bowling Committee.

By direction of the Council of Governors the audit team reimbursements were made 2/1/92 along with a request that future audits be conducted at a time and place so as not to incur expenses ie; State Conventions.

As a side note the State Bowling Committee was victorious over the District Governors in the opening bowling match.

Re: Convention Committee Report

The State Lions Convention at Wausau is rapidly approaching. Houseing facitlities are filling fast so urge your clubs to make their reservations at once if they haven't already done so. The ticket reservation blank is in the February issue of the Wisconsin Lion. Every member must fill out a reservation blank, because it is on an individual basis - not club basis. This should be done prior to April first. Prices for all meals increase if the blank is submitted after April 1. Zone Chairman and Region Chairman - please get this message across to all clubs in the district. Urge as many members as possible to set aside May 14, 15, and 16th to go to the Lions State Convention and rub elbows with their fellow Lions from all parts of the state. They'll be a better Lion by attending.

Are you making plans to attend the International Lions Convention on June 23-26 at Hong Kong? There are also many different tours being offered. Looks as if a basic price for the round trip air, tax, and transfers is only $1275.00 per person. There are many different options offered for side trips both before and after the convention. One of those is departing June 13th, including 7 nights first class hotels, most meals, tours, dinner show with visits to Singapore, Malaysia, and Bangkok before coming to Hong Kong. With all this the price is $2475.00 per person. All clubs should have received their voting credendials form from International. Those going to Hong Kong should be sure to get this form filled out as soon as possible.
Any Questions about either The State or International Convention?

Respectfully submitted

Drugr Alcohol and

District 27-B1 Lio nsQuest Chairmans report to Cabinet February 16, 1992

Lions-Quest Expansions Continue

In 1984 Lions Clubs International made a committment to fight drug abuse through the support of Lions-Quest Skills for Adolesence, a comprehensive, educational approach to drug prevention for sixth through eighth grade students. During that first year 520 schools in the United States and Canada were served.

In eight years Skills for Adolescence has expanded to reach young people in over 21,500 schools around the world. In 1987, Skills for Growing, a program for kindergarten through fifth grade, was established. To date, there are nearly 5,900 schools using this program. In 1990, Skills for Living, a ninth through twelfth grade educational program was established, and is growing in use.

Lions can be proud of the role they play in helping young people to lead healthy, responsible lives that are drug free.

Lions-Quest's reach is world wide with young people in 24 countries and geographic locations participating in the program.

GOOD NEWS

Sales of alcoholic beverages in the United States have fallen sharply since 1980. Hard liquor sales are down 23%, wine 14%, and beer down 7%. More pregnent women are decreasing alcohol consumption. A survey revealed that only 20% of pregnent women drank during pregnency as compares to 32% in 1985. This is in contrast to a smaller decline among non-pregnent women, from 57% in 1985 to 53% in 1988. Drunk drivers arrests have dropped dramatically in Ontario, Canada. Dropping from 20,300 in 1980 to 8,200 in 1990. For the fist time in 16 years less than half of the United States high school seniors surveyed reported that they had tried an illicit drug. Reported use of an illicit drug at least dropped from 66% in the early 1980s to 47.9% in 1990.

The war against drugs is far from over. There is still much that can be dome and should be done in every community. HOWEVER, BATTLES ARE BEING WON!

DISTRICT 27-B1

There is only one school District in Sheboygan County that does not have Lions/Quest started in it, and that is being researched. Appleton will have started this coming Fall in at least one school. There are many other school districts in 27-B1 that als have a Lions/Quest program ongoing.

RED RIBBON WEEK October 24-November 1, 1992

Lions Clubs in the United States are encouraged to support Red Ribbon week again this y year.

JOURNEY FOR SIGHT Chms report February 16,1992

After a great deal of thought and agitation about how to go about fundraising for a len lensometer without interfering with other Lions or Lioness projects, I have decided to:

1. allow clubs to contribute directly to the fund
2. To hold a one day Candy Sale on May 2, 1992.

CANDY SALE:

1. using roles of assorted fruit purchased from F&F Labpratories, Inc. of Chicago, Illinois as the projects resource.
2. Lions Assorted Fruit Rolls, (30 boxes per case)of 20 rolls eachper case is equall to 600 rolls per case at $50.40 per case or 8.4¢ per roll.
3. order 12 cases at $50.40 each equalls $604.80
4. 600 rolls per case times 12 equalls 7,200 rolls
5. Rolls of candy will be sold as donations only.
6. 12 cases split evenly between our four regions is equall to three cases each region or 1,800. Split this into 18 clubs per region and you have 100 rolls per club to sell. Of course not all clubs are going to participate.
9. BREAKDOWN OF AUTHORITY:

DG and the Journey chm. at head, then the 4 RC, the ZC, and the clubs. We will use r reverse order on monies collected; clubs to ZC, ZC to RC, R6 to DG or Comm Chm.

All returns should be in in one week, since cllected monies are a simple ~~6~~ in out of club treasuries.

10. EXPECTED FUNDS to be raised on 12 cases of candy: 7,200 rolls should bring a donation of 50¢ per or ~~$~~ $3,600.00 less the original $60~~0~~.80, should bring about $3,000.00..

MONIES RAISED TO DATE:

Eden Lions----------$ 50.00
Random Lake Lions------$100.00
Kingston Lioness----------$100.00
Neshkoro Lioness----------$600.00

TOTAL TO DATE: $850.00

+ 225.00
$1075.00

Balance, February 1, 1992	$4,521.38

(Note: $150.00 has been designated for SightFirst and $125.00 has been designated for a future Melvin Jones by Collins Lions Club leaving $4,246.38 for District Melvin Jones Fellows at this time)

There will be a breakfast for Melvin Jones Fellows at the State Convention in May at Wausau. This breakfast will be on Friday morning at 7:00 a.m. at the Elks Lodge and only Melvin Jones Fellows can attend. Order your Breakfast ticket along with your other tickets for the convention. The breakfast will be finished in time for the opening business session of the convention.

Encourage your clubs to make your annual contribution to LCIF. The District Melvin Jones Committee needs nominations for the Melvin Jones Fellows to be presented by the District. Send nominations to me prior to the State Convention.

Governor Bob, fellow Lions:

The Zone has had a loss of four members since January. One due to death and three resigned in good standing. We gained two new members for a net loss of two and a zone membership of 201 Lions with 23 Lioness - membership problems remain.

The clubs in the zone have donated over $3,000 to various programs since January. Projects included various Lion's projects/programs, County Counteract program in the grade schools, fire victims, boy scouts, recipients of glasses, etc.

At the zone meeting held on March 5, 1992, the zone's fourth Melvin Jones Fellow was selected. He is Lion Sherman Hamilton from the Hancock Lions Club. The formal presentation will be held at the zone's social later this spring.

The subject of a district lensometer was discussed at great length. A motion was made, seconded and unanimously carried to support the lensometer at the Lions Camp and not purchase one for the district. It was felt that Lions from throughout the multiple district should be trained on the machine and that a schedule be set up to utilize the Camp's lensometer to the maximum.

Also by unanimous vote was the affirmative to the WLF questionnaire and to support the screening van both physically and monetarilly.

The Wild Rose Lioness made it known that they intend to remain a "Lioness" club as long as possible. The zone recognizes and respects their desire.

Yours in Lionism,

Chuck Taylor

ELKHART LAKE, WISCONSIN 53020

Only 20 Lion-Lioness clubs have donated to our Lions Youth Exchange Program this year in our district. This needs to be budgeted for every year.

Our district has turned in its allocated $800.00 to the MD27 Youth Exchange Fund.

AS OF TODAY, WE HAVE A BALANCE OF $360.00

As of now, we have approx. 61 youths coming to Wisconsin. 12-abroad.

We need host families.----two, 3 or 5 weeks----1 week at camp.

Our camp will be held at Camp Vista which is between Fond du Lac and West Bend.
