## MEMO FOR PAST DISTRICT GOVERNORS

As District Governor Elect I would like to thank all of you for your support and help in my campaign for District Governor. Your input and knowledge was a great help to me.

A special thank you to PDG Tom Koch for his inspiring nomination speech. It was well thought out and I am sure for anyone who hadn't known me previously or was undecided on who to vote for became better informed as to who was the better qualified candidate.

Also, a special thank you to PDG Orv Doede for his seconding speech. It too, was very helpful in helping me secure votes for District Governor, 1992-93. I am sure that you all know that PDG Orv Doede will be my Cabinet Secretary-Treasurer and we look forward to working with all of you in our upcoming Lionistic year.

WISCONSIN DISTRICT 27-B1

July 4, 1992

Fellow Lions and Lioness:

On May 28th Past District Governor Bob Showers and I met with the Winneconne Lions Club to see what could be done to save the club from disbandment. After much discussion the four members of the club who were present decided it would be best to dissolve their charter. They had tried advertising for members and have had several membership drives with no success. At this point I suggested that we try one more membership drive at the Winneconne Sovereign State Days. The purpose of this letter is to ask you to help us on Saturday July 18th. What we have decided to do is try to get a booth that can be manned by Lions and Lioness to pass out literature and application forms to those who are interested. We will meet in Marble Park at 9:00 A.M. and stay until 3:00 P.M. Wear your vests so all can see that this is a joint venture with the Winneconne Club. Bring your spouse. Hope to see all of you there.

Yours in Lionism,  
DISTRICT GOVERNOR

To....District Governor Gordon Hoffman  
From..Leadership Chairman Dennis Kitchen PDG  
re....Leadership Training

The Leadership, Officer Training Meetings held for the incoming officers for 1992-1993 were held as follows,

Region 1, June 1, at Reedsville High school,	attendance	15
Region 2, April 27, Elkhart lake H. S.	attendance	34
Region 3, May 7, Rosendale H.S.	attendance	35
Region 4, April 30, Wautoma H.S.	attendance	46
	Total	130

I feel that an attendance of 130 Lions and Lioness that come for the officer training in our district is very poor. We have 91 new Presidents, Secretarys, and treasures each year along with about 300 vice presidents, with other elected officers we are looking at around 1000 club officers and directors in our district.

My assistants and I feel that a two hour training time is not getting the message across to the officers.

My recommendation for the next year, would be, a 4 to 5 hour Lions and Lioness Officer and Membership training day. We could involve more Lion trainers, cover more subjects, and get the Lions message to more members. I feel that if the date is picked early, (by district convention time), with the District Governors newsletters, region chairmen and Zone Chairmen, and other district officers promoting this one day seminar we could have a higher percent of officers attending.

I also recommend a Saturday with a 10:00am start 1 hour lunch 4:00pm close.

I do not want to hear, "I have been an pres, sect, trea, for X amount of years. Why do I have to come?". we the trainers need your knowledge to help train the new officers.

Dennis R. Kitchen, PDG Leadership chairman District 27 B-1

## OFFICIAL MINUTES OF CABINET MEETING \*

of District # 27-B1, Lions Clubs International, held on February 14, 1993, at the Columbus Club in Appleton, Wisconsin. Meeting was called to order at 1:00 P.M. by District Governor Gordon Hoffman who acted as chairman.

(CABINET SECRETARY: In the minutes be sure to list the name and office of each person who is present during the cabinet meeting.)

## Minutes of Business Meeting

This was a joint meeting with the Cabinet of District 27-B2. It opened with an assembly of both Cabinets.

District Governor Gordon Hoffman welcomed everyone and advised that he and District Governor Rudy Messar of 27-B2 have corsages for presentation to all the Ladies.

All Lions in attendance then introduced themselves and their Sweethearts.

The Pledge of Allegiance was led by IPDG Robert Showers.

A prayer was presented by Chaplain Earl Buchholz.

Song Leader Earl Buchholz led "God Bless America".

The members of each Cabinet then moved to their separate meetings.

District Governor Gordy advised that he received a communication from Lions Clubs International advising that they question the qualifications of District Governor Elect Ken Rohde. DG Gordy sent Lions International several documents to support the qualifications of DGE Ken but the officials at Lions International still do not give their approval.

Yesterday, DG Gordy met with International Director Donald McGee and Past International Director Helmer Lecy to discuss the situation. He was advised to obtain unanimous vote of approval and support for DGE Ken and have everyone in attendance sign their name and position on a sheet of paper. He was further advised to send these items with a cover letter to Lions Clubs International with copies to International Directors Harry Merriman, Garnet Davis and Donald McGee. This and the other information previously submitted will then be considered by the International Board of Directors. Based on similar previous situations, Director McGee is confident that the election of DGE Ken Rohde will be approved during the April Board of Directors meeting.

Motion by Zone Chairman Mark Heller, seconded by Past District Governor Victor Voigt that we unanimously support the election of Kenneth Rohde to the office of District Governor for the year 1993-94. Motion carried unanimously.

Two sheets of paper were then circulated for the signatures of everyone who supported the above motion.

Cabinet Secretary/Treasurer Orvin Doede read communications from the excused cabinet members.

Roll call was taken and attendance is shown on a separate attached sheet.

Motion by RC Chuck Taylor, seconded by PR Chairman Peter Gregouire to approve the minutes of the October 25, 1993 Cabinet meeting. Carried.

Motion by PDG Bob Showers, seconded by PDG Tom Koch to sell the 1993 District pins for \$1.75 per pin in quantities of less than 100 and for \$1.50 per pin for orders of 100 or more pins. Motion carried. Lion John said he must have the money before shipping or delivering pins.

Drug and Alcohol Abuse Chairman PDG Paul Tadych stated that some school districts are building the costs of the Lions Quest program into their budgets and don't ask the Lions Clubs for assistance. He advised that there is support money available out there from captured drug monies, and some schools are taking advantage of this as well.

DG Gordy Hoffman noted that our International Relations Chairman, Past International Director Edward Eick recently passed away and DG Gordy asked everyone to stand for a moment of silence.

Journey for Sight Chairman, PDG Paul Tadych and Lion Carl Knox told about a Journey for Sight being sponsored by the Appleton Evening Lions Club on March 13th at the Avenue Mall in Appleton. They are inviting other Lions Clubs to participate.

PDG Paul Tadych briefed us on the District organization and plans for Campaign SightFirst and the Used Eye Glasses Program. Our District Coordinator is PDG Bob Showers, who recently has been trained and is now recruiting Group Coordinators.

PDG Glenn Murty, our Leader Dog Chairman is at home, recuperating from his recent illness. Lion Glenn submitted a written report advising that so far, only 36 Lions Clubs and 10 Lioness Clubs have contributed to Leader Dog. He wrote that a lady from our District is training at Leader Dog School today and expressed the hope that by the end of the State Convention in May our District will again be 100% for Leader Dog.

DG Gordy Hoffman pointed out that PDG Glenn Murty has attended 98 consecutive cabinet meetings before missing this meeting. DG Gordy passed around a card for all attendees to sign for Lion Glenn.

IPDG Bob Showers said we have been grading used eye glasses at the Lions Camp and have been holding training sessions on our lensometer at the Butte des Morts Lions Club House. He added that we need to get the word out to the Clubs and get Lions to come and work with the used eye glasses program. Used eye glasses should not be sent to Wausau; they should be given to one of our Foundation Directors or to some one who will get them to the Lions Camp or to Butte des Morts. Lion Bob had a handout which explains the procedure for scheduling volunteers who wish to come to Butte des Morts to work on this program.

IPDG Bob Showers also reported on our District L.C.I.F. fund. He asked everyone to get the word out that we need the names of Melvin Jones candidates for consideration by the selection committee.

Leadership & Indoctrination Chairman, PDG Dennis Kitchen referred us to the article he had in the District Governor's February newsletter. The officer and membership training session for our District will be at Club Fond du Lac in Fond du Lac on Saturday, May 8, 1993.

Lion & Lioness Extension Chairman, Region 1 & 2, PDG Vic Voigt said they are presently still working on a Lions Club in the Black River area and are confident it will become a reality. He added that they recently met with Mong representatives in Sheboygan in regard to starting a Mong Club and felt that "we can make it happen".

Lion & Lioness Extension Chairman, Region 3 & 4, PDG Milt Wood stated he has some contacts he will be working with in the near future.

Lioness Associate, Lioness Cindy Buchanan advised that there will be a meeting of Lioness Club representatives in Fond du Lac on February 25th to vote on the forming of a Lioness District.

Membership Orientation & Retention Chairman, PDG Tom Koch informed us about the current membership figures for our District. He pointed out that membership development, orientation and retention will be topics for the May 8th sessions in Fond du Lac.

Public Relations Chairman, Lion Peter Gregoire distributed copies of an ad he has run regarding the donation of wheelchairs, walkers, crutches, electric wheelchairs, neck braces, leg braces, arm slings, and etc. to local Lions Clubs. The Clubs can then recycle these items by making them available for use by people in short term or long term recovery. Lion Peter said he will work with Clubs to get a similar ad in their local publications.

Wisconsin Lions Foundation Directors, PDG Herb Schneider and PDG Tom Thorson up dated us on the Foundation. Items covered included the up dating of the slide presentation program, the 500 Club dangles, the Foundation budget process, a book on the history of Wisconsin Lions, the new building for housing the used eye glasses program, the new Birch/Sturm Fellow progressive program and the mobile screening van. They reported that 16 Lions Clubs and 5 Lioness Clubs have not yet made a contribution to the Foundation during this fiscal year which ends March 31st.

Youth Exchange Chairman, Lion Del Peterson pointed out that we need money for the youth exchange program. He said Clubs need to support the Lions Youth Exchange Program first instead of the schools A.F.S. programs. Lion Del displayed the new MD27 youth exchange banner and he stressed that there is an urgent need for host families.

District Convention Liaison, PDG Bob Showers advised that the Convention Host Club, Mishicot Lions Club requests permission to host a District Golf Outing, probably sometime during September, with the profits being contributed to Campaign SightFirst.

Motion by PDG Paul Tadych, seconded by IPDG Bob Showers to grant that permission. Motion carried.

the Mexican people were very gracious and sincerely appreciative. They did have problems with the authorities at the border but feel they have learned how to cope with those problems for future trips. They would like to see the project continue and will bring this up at the first meeting of the new 1993-94 cabinet.

PDG's Bob and Dwaine presented a preliminary financial report for the ambulance project. It shows receipts of \$7,695.26 and expenses of \$5,676.20 with a balance of \$2,019.06. Some additional expenses may reduce that balance slightly.

# The Lion's Share

Vol 1 No. 1, July 1992

918 E. 4th St. Rd. #206 Fond du Lac, WI 54935 (414) 922-1623

## *Greetings from the District Governor,*

Congratulations to all of the newly installed Club officers and Cabinet members. I look forward to working with you during my year as District Governor. We have a big job ahead of us but I know that with all of us working together we can accomplish all of the things that need to be done for our District, State and International.

I would like to thank Past District Governor Bob Showers and his partner in service Lion Jeri for all the help, suggestions and input they have given me to better prepare me for my year as District Governor. I know it will be a great challenge to follow IPDG Bob but we are up to meet the challenge and keep District 27-B1 the best District in the state.

My goals for the District this year are Membership, Attendance, and Retention. We need new members so that we can continue to grow as a District. We also need regular attendance, so that we can meet our goals in our respective clubs. Retention is important and club members need to be kept interested and involved in Lionism.

I have just returned from the Lions Club International Convention in Hong Kong and I was overwhelmed with all of the proceedings. Betty and I totally enjoyed our eight days of training to be your District Governor and partner in service. We met many new friends from all over the world and it was an experience that we shall remember always.

Yours in Lionism,  
DISTRICT GOVERNOR

## *Greetings from the District Governor.*

Now that we are into our second month of our Lionistic year, things are moving along quite rapidly. From the M&A reports that I have been receiving, it looks like most of the clubs have been very busy during these summer months with projects and fund raisers. I would like to remind the Club Secretaries that it is very important that you get the M&A reports to the District Governor and to the Region and Zone Chairman on time by the 5th of the following month.

All those who attended the Milt Wood Appreciation Day on July 11 had a great time honoring a very deserving Lion. I enjoy receiving the many Club Newsletters. Keep them coming. If you have an upcoming event, please let me know at least six weeks ahead of time and I will include it in my upcoming events calendar.

Our 27-B1 District Convention is just a little over two months away so inform all of your Clubs of the following information: Candidate forms for those running for the following offices and sites: District Governor, Lt. Governor, WLF Director, and District Convention Site (Region 4) must be received by Election Chairman, Karen Koch, and the District Governor 30 days prior to the first day of the District Convention (Oct. 23). Bowling bids (Region 2) must be received by Sandy Polzin by Sept. 1. Any resolutions must be sent to the Constitution and By-Laws Chairman PDG Dwaine Habrat immediately so that he may have them back out to the Clubs 30 days prior to the first day of the Convention. You will find all Convention forms enclosed in this newsletter. Fill them out and send them back in with your check as soon as possible so that the Convention Committee can get reservations lined up.

At the 1992 International Convention in Hong Kong a Constitutional Amendment was approved so that as of October 1, 1992, the Board of Directors is empowered to levy a carrying charge on past due Club Account balances. There will be a 1% per month charge on any portion of an account that is past due 60 days or longer. Club treasurers, please take notice of this new Amendment.

A very special hats off to the Plymouth Lions Club for granting life memberships to three of their members: Lions Gene C. Adams, Art Fellows, and Arnold F. Miller. Congratulations to all three of these deserving Lions.

I had my first Cabinet Meeting on August 2, which was well attended and we covered all the items on the Agenda and approved the Budget for 1992-93. We have a very busy and exciting year ahead of us so send me your visitation dates as soon as possible because my calendar is starting to fill up quite rapidly..

Yours in Lionism,

# Fifth Annual Peace Poster Contest

## An Environment for Peace

Children have a unique vision of our world. Capture their creativity and stimulate their imagination through a local Peace Poster Contest, sponsored by your club.

Children ages 11, 12 or 13 are eligible to enter the fifth annual Lions International Peace Poster Contest—however, all contests must be sponsored by a Lions club.

Entrants are asked to express the theme "An Environment for Peace" in an original poster. Last year, 300,000 children from over 60 countries took part.

## How To Enter

Clubs planning to participate in the 1992-93 contest should order an official Peace Poster Contest kit immediately from the Public Relations Division at headquarters (see order form, below). Kits are available in all official languages for US\$25, complete.

Each peace poster kit contains all the necessary materials for administering the contest in one school, including:

- Official rules for the club and school
- Suggestions for encouraging participation in local schools and promoting the contest in the community
- Two posters to hang in the school to promote the contest
- Press release sample for local media
- Label for identifying winning poster
- Mailing tube and label to forward winning entry to next level of competition
- District governor notice of participation postcard

Kits must be ordered immediately to guarantee sufficient time for a well-planned contest. Note that **orders will not be processed after October 1, 1992.**

Keep in mind that deadlines are critical, and that any entries missing deadlines must be disqualified.

## How The Contest Works

Clubs should locate a local school interested in participating and then order a contest kit. Once a school is selected and the local competition begins, the Lions club, or school must select only **one winner per school** to advance to the next level of competition (any club can sponsor more than one school, if desired). The school winner then advances to district competition where **one winner** is selected by the district governor. All district winners advance to multiple district competition where **one winner** then advances to finalist judging.

## Prizes

One international Grand Prize Winner will receive US\$1,500 (or local equivalent), a commemorative plaque and a trip for the artist and two family members to New York City, to at-

tend Lions Day With The United Nations in March, 1993.

A total of 23 international Merit Award Winners will also be chosen, each receiving US\$250 and a special certificate. All international winners will be chosen by a distinguished panel of judges.

In addition, the president of the Grand Prize Winner's sponsoring Lions club will also receive a trip to New York City to attend Lions Day With The United Nations. The club and sponsoring school receive a plaque.

Lions are well known for their efforts toward international understanding. Create an environment for peace in your community through its children, and their vision for the future.

## *Greetings from the District Governor.*

This past month has been a very busy month attending Lions summer activities throughout the District. Betty and I have just returned from the scene of the devastating tornado in Wautoma. The scene was one that was unbelievable because of the vast destruction. Trees and wires were down everywhere. What were once homes were now just empty lots with debris scattered everywhere. By the time we were allowed into the area, the cleanup had begun. The path of the tornado was over 21 miles long and reached speeds up to 150-200 miles an hour, damaging over 500 homes and businesses and leaving 100 people homeless.

On the Monday after the tornado I contacted LCIF at Lions Clubs International. I asked for and received an emergency disaster relief grant for \$5000.00 to be used in the Wautoma disaster. The grant covers blankets, medical supplies, food and clothing. The money will be put into a special account at the M&I Bank in Wautoma and the Wautoma Lions will work with the people in the area who are desperately in need of help.

I would like to ask all of the clubs in the district to do their part in any way they can. At the present time they have more than enough food and clothing. What we need now is cash donations. If you would like to donate money, you can make out a check to the Wautoma Lions relief Fund, c/o your District Governor, 918 E. 4th St. Rd., Fond du Lac, WI. 54935.

On August 14, Betty and I, along with the Council of Governors toured Lions Club International Headquarters in Oak Brook, Ill. It was a very interesting tour because we got to see the inner workings of Lions International. Then on August 15, we were all flown out of Chicago to Detroit, Michigan, where we were met by members of Leader Dog, who escorted us to the Leader Dog facilities in Rochester, Michigan. Here we had a lunch and a short meeting with President Wm. Hansen. The rest of the day we were shown how students work with their dogs. The following day we were blindfolded and led around by a leader dog and his trainer. It was quite an experience. We got a first hand look at what our donations to Leader Dog do. It now cost over \$11,000 for a leader dog. At the banquet Saturday night, District 27-B1 was one of just a few Districts that were presented with 100% donation to Leader Dog out of all the states that were in attendance.

Our District Convention is fast approaching, so get your registrations in as soon as possible. Forms are found with this newsletter. I have just received confirmation that our speaker at the banquet Saturday night will be International Director Roger Richert from Bellevue, WA. We have also received bids for all offices and sites to be voted on. The seminars are all set and everything seems to be in order for a great convention to be hosted by the Cleveland Lions.

Yours in Lionism,  
District Governor

Dear Lion Leader:

As your District Governor, I am pleased to announce that your district leadership has named The Profit Masters, Inc. as the official supplier of Lion Mints and Giant Story Coloring Books for your fund raising needs.

After reaching a small quota, each time your club purchases lion mints and/or coloring books from The Profit Masters, our district is paid an advertising/administrative fee. This fee is used to offset some of the district operating expenses. In the past six years, our district has earned \$6,171.55 from clubs selling these products. The great news is, this fee comes directly from The Profit Masters, Inc. and does not increase the cost to your club.

If your club needs a good fund-raiser or you would like to learn more, I strongly suggest you take a serious look at what they have to offer. Remember, doing business with The Profit Masters, Inc. helps our district. Please watch for a mailing direct from them or call 800-521-7494. I look forward to visiting with your members soon!

Yours in Lionism,

 D.G.

### CAMPAIGN SIGHTFIRST -- Our First Priority in 1992-93

All clubs are asked to do *three things* for CSF during this year of organization, motivation and fundraising, as outlined in the manual sent to club presidents:

1. Raise as much money as possible for CSF this year in preparation for an intensive year of club fundraising in 1993-94. *Do something special!*
2. Generate *excitement* about CSF among members. Spread the word about this once-in-a-lifetime opportunity!
3. Recruit the best possible *leaders* for CSF. Submit the CSF Club Fundraising Committee Recruitment Form to International Headquarters with the names of your *CSF chairman, vice chairman, and treasurer!*

## *Greetings from the District Governor,*

We have just returned from the USA/Canada Forum where Betty and I met many old friends and made some new ones. The weather was very cooperative in Oklahoma City, sunny and warm. This trip was a learning experience. The seminars were educational and I was able to bring back some great ideas. It was the consensus of one of the groups that I was in that it would be a good idea and a very helpful learning experience to start sending our District Governors Elect and Lt. Governors to these Forums to better prepare themselves for their Lionistic year.

The response to the Wautoma Lions Relief Fund has been overwhelming. The way the Lions and Lioness Clubs throughout the state have responded with cash donations, food, clothing and labor makes me proud to be a Lion. Cash donations as of this date have exceeded \$35,000.00 plus the \$5,000.00 that was received from LCIF. I would personally like to thank all of the Lions and Lioness of Multiple District 27 for living up to the Lions Motto "WE SERVE".

Our District 27-B1 convention is now only several weeks away. I have enclosed in this newsletter the agenda for Saturday, October 24. The Cleveland Lions and Convention Chairman Clem Schoenborn have done an outstanding job setting up the convention. Bring your banner so it can be displayed on the walls in the Ballroom. Please do not take a banner other than your own, it causes problems. We will be having a parade of checks immediately following lunch on Saturday in the Atrium. Some of the Chairman have requested that you make out separate checks for each donation.

We will be having a full hospitality on Friday night. The following are running for an office or site: District Governor: Lion Ken Rohde, Howards Grove; Lt. Governor: Clayton Sengbusch, Oxford; WLF Director: Paul Tadych PDG, Amsterdam; Robert "Bob" Showers, IPDG, Packwaukee; Convention Site for 1993, Two Rivers, Manitowoc, and Mishicot. Convention site 1994, Green Lake. Bowling site for 1993, Elkhart Lake, New Holstein. There will also be special pin trading area next to the Atrium.

Resolutions that are to be voted upon have been sent out to all of the clubs. Study them carefully so you can make a knowledgeable decision.

Betty and I met our guest speaker, International Director, Roger Richert and his wife Rosemary in Oklahoma City at the Forum. They are very involved and dedicated to Lionism. Please make them feel welcome.

Congratulations are in order to the Lions Club of Manitowoc who inducted five new members and the Town of Menasha Lions Club who inducted eight new members, four of them were ladies.

You will also find enclosed with this newsletter a letter stating the latest situation regarding our room reservations for the 1993 International Convention in Minneapolis, Minn. One small reminder—you must have your IRS form 990 in by November 15.

Yours in Lionism,  
District Governor

Re: Housing at 1993 International Convention-Minneapolis

Dear District Governors,

This afternoon I received telephone call from John Valencik, of the Convention Division at Lions Clubs International.

Wisconsin headquarters will be the Raddisson Inn-St. Paul. It is located in downtown St. Paul. One hundred four (104) rooms have been allotted for Wisconsin. The rate is \$86 per night for either a single or double. This is a class A hotel and has adequate function space. The Minnesota Grand Ballroom seats 1400 and there is also a Governor's Ballroom which seats 600. The Illinois Lions will also have a number of rooms at this property.

Four or five blocks away we have also been allotted another one hundred eighty five (185) rooms at the Civic Center Inn, also in downtown St. Paul. These rooms are \$66.00 per night for either a single or double occupancy.

Both of the rates quoted above do not include tax.

As of September 17 the Convention Division has received housing requests from 165 Wisconsin Lions.

As all of you are aware rooms are assigned on a first come, first served basis.

Mr. Valencik indicated the importance of requesting function space at an early date as to assure its availability.

We will be requesting space for both our Wisconsin Breakfast and our reception in honor of International Director, Harry Merriman. Our breakfast is normally on Thursday morning, however the date and time of the reception has not been determined.

Sincerely,

Debi Lutz  
MD #27 Secretary  
Lions of Wisconsin

*It's Too Late When They Say: "Sorry"*

## **Save a Dropping Lion With a Timely Phone Call!**

**D**isappointed because you keep losing members and don't know why? Sure, they probably gave you a reason like: "I just don't have the time." But you've heard that one before. Most likely, you're losing them because they find their involvement with the club unsatisfactory, unfulfilling, et cetera, et cetera. Then again, maybe those dropped members had lost their jobs or just couldn't afford the dues anymore.

**A**lthough you may never know the real reason, there is a way to prevent many of these drops. You will agree, won't you, that anytime a member misses three or more consecutive meetings, it's time to give him or her a telephone call? True, their absence might be due to an illness or a vacation that hasn't been mentioned to anyone. But the situation may well be that this member is contemplating quitting your club. That's when your phone call *can make* a difference!

**W**hen a disgruntled club member can talk things over with the club leader, he or she can be re-motivated to give Lionism "another try." More than anything else, your timely phone call will clearly tell this wavering Lion that you—the club—cares about him or her. This simple message may win you a member you were about to lose!

**W**hy not ask your secretary this week to routinely give you the names of any club member who misses three or more consecutive meetings. It's too late when they say: "Sorry."

## *Greetings from the District Governor,*

It is hard to believe how swiftly my first four months as District Governor have gone. I have been very busy with visitations and meetings during these four months and I find that I learn something new each time I visit a club.

There a number of clubs who have not contacted me with a date to visit their club. These are required visits and I need to hear from you as soon as possible.

To update you on the Wautoma Lions Relief Fund, close to \$46,000.00 has been donated by the Lions and Lioness Clubs from across the state as well as some individual checks. The response to those in need has been truly remarkable. I am still receiving checks in the mail.

Our thanks to the Cleveland Lions Club for hosting our District 27-B1 Convention in Manitowoc on October 23-25. It was a huge success. We have received many compliments on the facilities and seminars and the overall setup of the Convention. The seminar that was held on "Helping Hands" received rave reviews. They would like to see it held again at the state convention in Two Rivers. For those of you who were unable to attend the convention the seminar featured Mac, a small Capuchin monkey who is trained to help quadriplegics.

We had some last minute changes, the biggest one was that ID Roger Richert could not attend our Convention. He called on Wednesday afternoon just before the convention and informed me that his father had passed away. Our condolences go out to the family. I personally would like to thank Lions Clubs International and ID Harry Merriman for finding someone to replace ID Richert so quickly. We were fortunate to get ID Garnet Davis and his wife Mary Ellen from Melfort, Saskatchewan, Canada, who filled in most admirably.

You will find listed elsewhere in this newsletter a break down of the convention. I would like to thank all of the Lions and Lioness and guests for their help and support.

We had our second District Cabinet meeting on Sunday, October 25 at the Manitowoc Holiday Inn. It was a very short meeting but we accomplished everything that was on the agenda.

You will also find enclosed in this newsletter forms and information on our Wisconsin Lions State Convention which will be held in Two Rivers in May and also our International Convention to be held in Minneapolis, Minn. in July of 1993. If you have not sent in your reservations, please do so as soon as possible to avoid being disappointed later. Rooms are filling up fast at both conventions.

Betty and I would like to wish all of you a Happy Thanksgiving.

Yours in Lionism,  
District Governor

## *Greetings from the District Governor,*

I am just about half way through my visitations to the Lions and Lioness Clubs in the District. I will now be assigning dates for the clubs who have not contacted me to set up a date for my visitation.

We are still very much involved with the Wautoma Lions Relief Fund. As of this date, we have received almost \$49,000.00 plus the \$5,000.00 from L.C.I.F. Because of you, the Lions and Lioness and Leos of Multiple District 27, the victims of the tornado are going to have a happier holiday season.

As we approach the new year, there are still many projects to do and fund raisers to be held. On a District level, our main priority will be MEMBERSHIP. When we started our year in July, we had 2630 members and as of the end of October we are down 11 members. It is my goal that we end this year 1992-93 with a net gain of at least 100 members. Congratulations to the Rosendale Lions Club who brought in 5 new members.

Elsewhere in this newsletter you will find schedules and updates on our International Convention to be held in Minneapolis, Minn., July 5-9, 1993. If you have not made your reservations, please do so NOW. Forms for the State Convention to be held in Two Rivers on May 13-15, 1993 can be found in my last newsletter or in the Lions State Magazine.

We were all saddened to hear of the loss of our PID Eddie Eick who passed away on November 18 at the Chilton Nursing Home. He has left a large void in Lionism which will be hard to fill, for his services were many and dedicated.

I feel greatly blessed because on November 11 I became grandpa. The addition to our family was a baby girl named Lauranna who weighed in at 8 lbs, 5 oz. What a great Christmas present.

Betty and I want to wish all the Lions and Lioness of 27-B1 a warm and heartfelt Merry Christmas and Happy New Year.

Yours in Lionism,  
District Governor

## CAMPAIGN SIGHTFIRST

The building blocks for the organization of the project are falling into place. IPDG Bob Showers has graciously accepted the Position of District Coordinator (Thanks Bob), and both he and DG Gordy will be trained in January. Out of this we will be looking for Club Coordinators and they will be trained in March/April. If you feel that you would like to become one, please give a call to PDG Bob, DG Gordy or myself at 414-668-6308. Clubs, plan a CSF project for this year and do it. 1993-94 will be the major fund raising year, so lets plan a great big fund raiser for then.

### **Nurses Needed At Camp**

As a result of the current nursing shortage, the Wisconsin Lions Camp has experienced great difficulty in finding nurses to work during the summer camp program. This past summer the Camp operated under conditions in which the nursing staff needs were minimally filled through various staffing patterns of weekend and part-time nurses. Unfortunately, the nursing shortage is occurring at a time when the Camp has increased numbers of children which require skilled nursing care.

Graduate nurses, LPN's, and RN's who have an interest in an excellent pediatric experience are encourage to contact the Lions Camp. Competitive wages, enjoyable work environment, and an excellent professional experience are provided. If you know of any nurses interested in full or part-time employment, have them contact: Wisconsin Lions Camp, 46 County A, Rosholt, WI 54473

### **Support Your WLF With A Donation In Memory Of A Departed Member**

Remember a departed member of your club by donating a memorial to WLF in his or her name. Memorials can also be given to honor members on special occasions such as birthdays and anniversaries. For memorial envelope packets write to or send your donation to Wisconsin Lions Foundation, 46 Co A, Rosholt, WI 54473.

## **What Is A WLF Birch-Sturm Fellow And How Can I Become One?**

The Birch-Sturm Fellow is named in honor of Frank Birch and Clarence Sturm who were presidents of Lions International from Wisconsin in 1937-38 and 1959-60 respectively.

The Fellow is one way for clubs to honor any Lions, Lioness, Leo, or non-Lion member, living or deceased, who has displayed undying dedication and commitment to the work of the Wisconsin Lions Foundation and the humanitarian works that it supports. Individuals are extended the opportunity to donate to WLF to become a Birch-Sturm Fellow, too.

In order to become a Fellow a Lion, Lioness or Leo must commit to donating \$1,000 to WLF. The \$1,000 can be made in one payment or four consecutive annual installments of \$250. Clubs or Districts may purchase a Fellow for a member in one payment of \$1,000 or two consecutive payments of \$500. For Clubs purchasing a Fellow the contribution must be OVER AND ABOVE their current Foundation donation level.

When the financial commitment is made you will receive a Birch-Sturm Fellowship plaque inscribed with your name, a Birch-Sturm pin and your name will be inscribed on a master plaque honoring all Birch-Sturm Fellows and displayed in the WLF Office at Lions Camp.

Your donation will be deposited into the WLF Endowment Fund. It will provide a perpetual gift to the Foundation and perhaps in time, as the Fund grows, help others.

For a Birch-Sturm Fellow application or further information write to: Wisconsin Lions Foundation, 46 County A, Rosholt, WI 54473

VOL. 1 No. 7 JANUARY 1993

918 E. 4th St. Rd. #206 Fond du Lac, WI 54935 (414) 922-1623

## *Greetings from the District Governor,*

We are proud of the accomplishments we have reached during our first six months into our Lionistic year. Starting the second half we are striving and reaching for greater goals.

**MEMBERSHIP!!!** We are down 50 members in the district since I became District Governor in June of 1992. We need to replace members who have been dropped from lack of attendance, non-payment of dues or are deceased. If we only replace members, we remain Status Quo. What we need to do is replace dropped members and bring in at least 3 new members in the upcoming months. If we continue to lose members we will soon be losing clubs. We need new members to keep our Spirit of Lionism alive. Our district has had a minus membership for at least six years in a row. It's time we have a PLUS year.

Campaign SightFirst will also be strongly promoted in the months to come. Remember, your contributions of \$1,000.00 or more can be donated towards a Melvin Jones Fellowship.

I am very happy to report that we have reached over \$50,000.00 in donations to the Wautoma Lions Relief Fund. This is over the \$5,000.00 we received from L.C.I.F. A complete District by District contribution list will be found in the next issue of the Wisconsin State Lions Magazine.

Just a reminder that all of the clubs must have their donations to WLF in by March 31, 1993 so we can once again obtain our 100% District contribution. We have been a 100% district for many years and I would like to see our District maintain this honor.

Elsewhere in this newsletter you will find an update on our ambulance project to Mexico. This worthwhile project will be a yearly one. We still need your donations. I have also included the most recent update on our state convention to be held in May.

Our Officers and Membership Training Committee has held two meetings. They have set a training session for all new officers and members for May 8. The Committee has worked hard to make this session a beneficial learning experience and I strongly recommend that all new officers attend. There will be hands on training, such as making up an agenda for meetings, setting up a budget, filling out M&A reports, etc.

A brief update on our Lensometer. The Lensometer is housed at the Butte des Morts clubhouse and now that everything is set up we can start training clubs on how to use the Lensometer to grade and package eye glasses. Please set a time and date with IPDG Bob Showers or Butte des Morts Lions President Irv Korth.

I would appreciate it if the President and Secretaries of each club would make copies of this newsletter and pass them around to their club members.

Thank you for the many cards and gifts we received during the holiday season. We wish all of you a joyous and Happy New Year.

Yours in Lionism,  
District Governor

## OFFICER AND MEMBERSHIP TRAINING SESSION

MAY 8, 1993 AT CLUB FOND DU LAC

Please inform all new incoming officers that they must keep May 8 open so they can attend the officer training session. This session is our new approach to the training of all officers and members. All Region and Zone chairman must also be present.

The Officer and Member Training Committee has prepared a very informative and stimulating training session for all those Lions and Lioness in attendance. There will be a two hour session in the morning from 10:00 a.m. to noon when we will break for lunch and the afternoon session will be from 1:00 p.m. to 3:00 p.m.. There will be a special Lioness seminar as well as several hands on training sessions on how to set up an agenda, how to make out minutes of a meeting, setting up a budget and filling out MSA reports, ect.

Door prizes will be awarded to those Lions and Lioness in attendance. This training session is for the benefit of those new incoming officers. It will help make their job easier as they take over their respective offices. You will receive a special packet of information when you register and this will be filled with information that you can use throughout your term as an officer or as a member.

The Committee is looking forward to a large turn out and we are asking that each club help promote this seminar so that hopefully we will have representation from each Lions and Lioness Club.

### STATE CONVENTION UP DATE

Just a quick note about the '93 state convention. The Two Rivers Lions still have a few condos left at Fox Hills Resort at Mishicot at \$81.00 per night. One-third of the condos have fireplaces, one-third have kitchenettes and one-third have jacuzzis. Fox Hills is the home of the state golf tournament, and it is a fine facility.

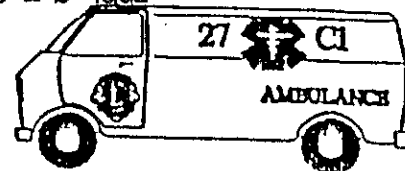

If you want to stay somewhere else, there is a stand-by list, and the convention corporation will try to accomodate everyone. There are a lot of new and exciting things this year, like a new car raffle, to be given away during the convention; Blind Country Superstar Ronnie Milsap will perform on Friday night, and receive his first Melvin Jones Fellow.

Finally, the closing banquet has really changed for the better. No political speeches, entertainment will be provided by "Riders in the Sky", stars of Public Radio Shows, movies, and appearances on the "Tonight Show". Then, the main speaker will be Ron Dentinger of Dodgeville, "Wisconsin Funniest Man". Prices are affordable, and if you decide against the closing banquet because of prior years, I'd hope you'd look at it again. This is going to be a great convention, and who knows..you could be driving home in a new car before it's all over.

# Wisconsin Lions Mission To Central America

---

DEC 12 1992

December 9, 1992

To: "Mission Mexico" Travelers  
From: Helmer Lecy - Coordinator

Excitement reigns as we close the gap to the day we go on this Lions humanitarian trip.

There are still a lot of loose ends but I'll outline what is positive and tell you the possibilities of the details that we are unsure of to date.

A group of Indiana Lions just came back from a like mission on Friday, November 27, and I have talked with some of them. There is a lot of similarities in our plans and all went well for them, and as planned.

To date, we do have three ambulances, one each from 27-B1; 27-C1; and 27-E1. These vehicles will meet at the I90- & I43 highway interchange at 8:00 a.m. on Sunday, February 21, 1993. We may have one or two cars also driving with us. We will drive to the St. Louis area on day 1; On day 2 we will drive to the Tulsa area; on day 3 we will stop in or near Temple, Texas area (that's about 40 miles south of Waco) and on day 4 we'll be in McAllen or on Wednesday night, February 24.

The Lions of Mexico, District B-7 will meet us in McAllen on Thursday a.m. February 25. They will take over the ambulances and will have a bus to drive us to the Tuxpan area where we will work the Eye Glass program.

The trip to Tuxpan is approximately 500 miles and it is up to the Lions in Mexico to determine if they want to do this trip non-stop or if we stay a night somewhere on the way. The roads in Mexico are bad and the travel is slow.

Whatever those Lions decide, we will spend Saturday, February 27 presenting our ambulances and supplies to whoever the District Governors and our USA Liaison decide should get them. These presentations will be rather formal and colorful presentations, and we want to all be involved. We will then proceed to a pre-determined village and dispense the eye glasses, we'll be ready to go to work on Monday morning, February 28. We will work this program for four days, allowing time on the fourth day, Wednesday, March 23, to get back to Tuxpan.

The Mexico Lions have indicated that they want to take us on a sight-seeing tour of some ancient Indian ruins on Thursday March 4, then heading home on Friday, March 5. Presently, the question on the return is if we'll fly home from the Tuxpan area or if the Mexico Lions bring us back to McAllen and we fly home from there.

## *Greetings from the District Governor.*

The busiest time of our Lionistic year is here. All clubs should be thinking about upcoming nominations for officers for the 1993-1994 Lionistic year. Elections should be held in March or early April so that the PU-101 and PU-101M Officer Reporting forms reach me no later than April 15. We need to get these names and addresses into the State Directory, which has a deadline. You will not be listed in the Directory if your names and addresses are not in on time.

We have been traveling around the state attending the conventions of the other District Governors. We have met many of our International Directors and made some new friends. We always pick up some new ideas at these conventions that we are able to bring back and share with 27-B1.

I now have all Lions and Lioness Clubs scheduled for my governors visitation. To date I have visited two-thirds of the clubs in the District.

**MEMBERSHIP!!!!** In the next couple of months you will be contacted by our District Membership Chairman, Tom Koch, PDG. The reason he will be contacting you is to see what your club is doing to increase membership. Our goal for 1992-93 is a PLUS membership. You will find in this newsletter an insert on membership written by Region 4 Zone 3 Chairman, Orville Kittel. It may help you and your club with some new ideas.

**CAMPAIGN SIGHTFIRST....** On January 22 all of the State Governors along with the District Coordinators' attended a special seminar on Campaign SightFirst in Lake Geneva. All clubs will be contacted to see that a committee is selected and ready to implement a fund raiser for Campaign SightFirst. All Presidents received in their packet at the start of their year, form CSF-25 35M Campaign SightFirst Club Fund Raising Committee Reporting form. As of today, I have received only 10 forms from the 75 clubs in the district. Please return these forms as soon as possible.

You will also find in this newsletter an update on the International Convention to be held in Minneapolis, July 5-9. There is also an application for parade participants. Read this over carefully.

For those Lions who transport eyes to the Milwaukee Eye Bank, find enclosed a new criteria for delivery on weekends and after 5:00 p.m.

All clubs should be making plans to attend our State Convention which is just three months away. Please get the applications filled out and sent in as soon as possible. You will find an application enclosed with this newsletter and in every issue of Wisconsin State Lions Magazine.

Remember your sweetheart on February 14. Its Valentines Day.

Yours in Lionism,  
District Governor

## DISTRICT PINS

Hopefully our new District 27-B1 pins will be here by February 14. We have ordered the same amount (1300) as last year. Price for the pins will be set at the Cabinet meeting. We are sold out of the 1992 pins. We have some 1990 & 1991 pins which we are selling for \$1.00 each. These would be good trading pins at the Int'l Conv.

District Governor Gordy installing a new Lioness member into the Van Dyne Lioness Club.

Congratulations were in order after District Governor Gordy installed a new member at the New Holstein Lions Club.

### INTERNATIONAL CONVENTION UP DATE

First of all, 104 rooms at the Radisson Inn-St. Paul (Wisconsin Headquarters) and 185 rooms at the Civic Center Inn have been reserved. All other Wisconsin registrants will be housed in a single location to be determined in February. You will be informed as soon as this location is made known. We currently have 600 registered from our state, an excellent response thusfar.

Our Wisconsin Reception honoring I.D. Harry and Kathy Merriman will be held Monday, July 5th from 5pm to 7pm. As previously been stated, a coat and tie is required. Those Past-Governors in attendance should consider wearing their white tux if possible.

The Wisconsin Breakfast will be held Thursday, July 8th at 7am in the Minnesota Ballroom of the Radisson-St. Paul. The room seats 1200 and will give us plenty of room to comfortably hold our function. Menu and ticket prices are still pending.

The July 6th parade will begin at 9:30am, with the route being just under one mile in length. It could last over five hours in duration, however! Enclosed is a parade participant entry form if you wish to include it in your newsletter. We must stress that qualifications for parade units are very strict (only highly-qualified class A bands, all vehicles must be fully decorated, etc.) Further parade information can be gotten from Lion Ron Grosskopf, whose address appears on the application. Deadline for entry is March 1st, so hurry.

### OFFICER AND MEMBERSHIP TRAINING SESSION

#### MAY 8, 1993 AT CLUB FOND DU LAC

Please inform all new incoming officers that they must keep May 8 open so they can attend the officer training session. This session is our new approach to the training of all officers and members. All Region and Zone chairman must also be present.

The Officer and Member Training Committee has prepared a very informative and stimulating training session for all those Lions and Lioness in attendance. There will be a two hour session in the morning from 10:00 am to noon when we will break for lunch and the afternoon session will be from 1:00 pm to 3:00 pm. There will be a special Lioness seminar as well as several hands on training sessions on how to set up an agenda, how to make out minutes of a meeting, setting up a budget and filling our MSA reports, etc.

Door prizes will be awarded to those Lions and Lioness in attendance. This training session is for the benefit of those new incoming officers. It will help make their job easier as they take over their respective offices. You will receive a special packet of information when you register and this will be filed with information that you can use throughout your term as an officer or as a member.

The Committee is looking forward to a large turn out and we are asking that each club help promote this seminar so that hopefully we will have representation from each Lions and Lioness Club.

A YEAR-ROUND OUTDOOR CENTER SERVING THE HANDICAPPED

● Tony Omernik, C.C.D. - Camp Director

● 46 County A Rosholt, Wisconsin 54473

● Voice/TTY 715-677-4761

January 5, 1993

Dear District Governor;

As we are now in the process of planning for the 38th season of camping at your Wisconsin Lions Camp, I would like to take this opportunity to provide you with camper application materials for the upcoming camping season. Enclosed are applications for the various camping programs, as well as additional information.

We encourage applications to be submitted to the Camp by March 30th, however, this is not a deadline merely a target date for returning campers who receive their applications in January. We continue to schedule campers until all weeks are filled to capacity, which does not generally occur until May. We encourage applications to be submitted even into the summer, since there are often cancellations, and we then take names off the waiting list to fill those spots.

If you have someone in your community who is eligible and would like to attend your Wisconsin Lions Camp, please submit the application at your earliest convenience. Upon receiving the application, the parents will receive confirmation of acceptance, and be sent a physical examination form along with other information.

Please do not hesitate to contact the Camp if you have any questions or concerns regarding camper eligibility, the application process, or need additional applications or brochures.

Yours in Lionism,

*Tony Omernik*

# Reflections In A Lion's Eye...

*At your next meeting, invite club members to close their eyes for a moment and reflect on the following:*

Our association's constitution and by-laws contain six "Objects of Lionism." The first is "to create and foster a spirit of understanding among the peoples of the world." As Lions prepare for the intensive YEAR OF CAMPAIGN SIGHTFIRST<sup>®</sup> the world is beginning to understand the scope of our commitment to sight. May this great undertaking foster in us a spirit of service equal to the opportunities that lie ahead. Please open your eyes to the possibilities—the possibilities of "Lions Conquering Blindness" for all peoples of the world through CAMPAIGN SIGHTFIRST.

*During the rest of 1992-93, CSF's "Year of Organization & Motivation," consider beginning every meeting with a reflection on special aspects of CAMPAIGN SIGHTFIRST.*

## Eyewitness In the Battle Against Blindness

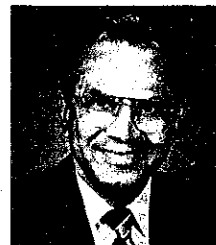

*Insect bites dot this young boy's body, making him susceptible to river blindness in later years. Special medication, administered annually, can save his eyesight.*

"CAMPAIGN SIGHTFIRST is battling the needless suffering due to blindness in parts of Africa much like 'Operation Restore Hope' is combatting the needless tragedy of starvation in Somalia. To see a child covered with insect bites that lead to river blindness — your heart goes out to him. But to know that his eyesight can be saved through CSF — your heart goes out to Lions."

## Membership Committee Chairperson Bulletin 1993

What did we do wrong to lose thousands of members every year?

Did we invite the wrong people to be Lions? - We don't think so!

Did we unconsciously resent their intrusion into our comfortable little world and fail to make them part of it? - Very unlikely!

Did we bring them in without honestly telling them and their spouses what their time and money commitment would be? - Usually!

Did we quell their enthusiasm by failing to give them responsible jobs and by not seeing their opinions on our work? - Sadly, yes!

Have we ensured that they have not left us as enemies with their pride and ego badly hurt as a result of some insensitive word or act? - We wonder!

When they were first absent from meetings or activities, did anyone take the trouble to call and say, "We missed you-are you O.K.?-or did we leave it to someone else?

Is our organization now coasting on a reputation earned years ago and no longer merited? It is our reputation which attracts new members.

Did they drop out because they didn't get what they expected? If so, then the fault is ours, not theirs.

Thousands of members didn't want to continue with us. Let's find out why and fix it-QUICK!

### MEMBERSHIP RETENTION

If you believe that membership retention is not a problem in your club, then nothing suggested here is going to help. If you believe that your club has a problem retaining not only the older members, but the newer, young members who have never really gotten into the spirit of Lionism, then the following might be helpful to you:

Make your meetings interesting enough so that your members do not leave thinking it's "another evening wasted." They are not going to be around too many years with that attitude, are they?

If your club has a fat bank account, insist that your money be put to work. Lions do not mind raising money and paying dues if they can see credible results.

Publicize your worthwhile projects and contributions. It is necessary for all Lions to be proud of their club and its accomplishments. We all need a pat on the back once in a while.

## Greetings from the District Governor,

February was a very busy month. I was gone almost every night with my visitations to the Lion and Lioness Clubs in the District. I attended a Council meeting in Chippewa Falls and helped open the State Bowling Tournament with a score that I will not disclose. I had my third Cabinet meeting on February 14 which was a joint Cabinet meeting with District B2. We attended two of my fellow District Governor's Conventions, D-1 and A-2.

On February 1, 1993, the District Governors were informed by our State Secretary, Debi Lutz, that she was resigning as of that date. Debi will remain with us until the State Convention on a part time basis. Application forms for the position of Administrative Secretary will appear in the March issue of the Wisconsin State Lions Magazine. All applications must be received by the screening committee chairman, David West, by April 10. The State office is headquartered in Stevens Point. Everyone is eligible to apply, you need not be a Lion or Lioness. A job description will be sent to you upon request.

Our ambulance project to Mexico left Brookfield on Sunday, February 21, at 6:30 a.m. In a recent telephone call from PDG Dwaine Habrat, I was informed the ambulance would be in McAllen, Texas on the evening of February 24, which would put them on schedule.

**MEMBERSHIP!!!** Congratulations are in order to several clubs who brought in new members this month. The Sheboygan Falls Lions Club brought in 10 new members, Elkhart Lake Lions Club brought in 4 new members and the Van Dyne Lioness brought in 6 new members. We have four months left in our Lionistic year, enough time for more clubs to bring in new members. I am confident we will have a plus membership in our district for the first time in 10 years.

Our state convention, which will be held in Two Rivers, May 13,14,15, is rapidly approaching. A reminder to all Lions and Lioness, get your registration and reservations in for meals as soon as possible. The Convention Committee has been working very hard to make this the best convention possible.

**CABINET MEMBERS**, must purchase their own opening banquet tickets but will be reimbursed for them at the state convention.

Congratulations to Elward "Bud" Smith, who was presented with a Melvin Jones Fellow by his Lions Club of Larsen/Winchester on the night of February 8.

Our Campaign SightFirst fund raiser is beginning to take shape. District Coordinator, PDG Bob Showers is in the process of setting up group coordinators for the District. Once all of the group coordinators have been chosen, we will have a meeting for them on April 24, at 10:00 a.m. at Club Fond du Lac. Keep this date open if you have been selected as a group coordinator. More details will follow in the next newsletter.

Our officers and members training session will be held on May 8, at the Club Fond du Lac, starting at 10:00 a.m. and will run until 3:00 p.m. with a one hour break for lunch. This meeting is for all Lions and Lioness clubs. Make sure you inform your new officers and members of this important date.

Yours in Lionism,  
District Governor

## ATTENTION ALL LIONS DISTRICT 27B1 HELP!

The Lensometer that the district bought is at the Butte Des Morts club house. It is available to be used and there will be people there to teach you how to use it so the eyeglasses prescription can be marked on a sticker which is stuck on the plastic bag they are put into. It is best to have 3 to 6 people at a time, that way, everyone can have a chance to learn how to use the Lensometer. When you teach people it will be slow, as you use it more, it gets faster. So the more time you have on the Lensometer, the faster you will get. We will also have to wash and dry the glasses before they are read. Then they are put in a box to be taken to the Lions Camp and separated and put into a box with the different prescriptions on them. At first the instructor has a lot to watch over, and when everyone knows how and you don't need him anymore he can relax a little. You have to make a reservation for the club house because the Butte Des Morts has their Lions' meetings on the 2nd and 4th Wed. of the month. The 2nd Tuesday of the month is booked, day and night. Every Monday is also booked day and night.

There will also be other clubs that will want to learn how to use the Lensometer too. So, if any club wants to go, I will go along and be the instructor or there will be one at the club house. You can call the District Tail Twister, Irv Korth at his home a 414-235-1507 or you can call me, Orville Kittel, at 414-294-3526. If you called Irv, he could tell you at that time if the club house is available.

Lions, we spent a lot of money for the Lensometer; it would be a big let down if it just stood there and wasn't used. There are three Districts set up to read glasses, one is in Indiana, one in California, and the other is in Wisconsin. So clubs from all over the United States will be sending used glasses to these places to be washed, read, labeled, sorted and shipped. I don't think that Rosholt can do all this by themselves. They need your help to preform this giant task. The retired Lions and there wives can come in the day time and the other Lions when they have time, or at night. I will do my best to make my schedule fit yours.

THANK YOU ALL VERY MUCH. HOPE TO  
SEE YOU SOON!

Help eyes that need glasses to  
see.

## RECYCLING HELPS THE ENVIRONMENT

About one third of our garbage is created by packaging waste. Here are some easy-to-follow steps that we can use in our everyday activities at home and at work that can help eliminate the amount of garbage that needs to be recycled.

- \* Take coffee cups to work instead of using disposable cups.
- \* Don't send unnecessary memos. Use electronic mail if available.
- \* Make note pads from used paper. Use recycled paper for brochures or newsletters.
- \* Use both sides of paper for photocopying, or circulate articles around the office with a routing slip.
- \* Use reusable canvas bags for shopping or reuse grocery shopping bags.
- \* Use kitchen towels, cloth napkins and handkerchiefs.
- \* Shop at stores that offer recycled products sold in bulk.
- \* Use overhead projectors or chalkboards instead of paper handouts.
- \* Buy refillable pens and pencils.
- \* Use both sides of paper for reports, homework, note-taking. Use old Christmas cards, egg cartons and magazines for school art projects.
- \* Take a lunch box to school or office.

Start recycling before filling the shopping cart. I'm sure that if we put mind to it when doing our shopping there are many items we use in our home or workplace that can be reused, as well as the packaging, before they are discarded or recycled. Keep this in mind when doing your shopping. Ever little bit helps to clean up our environment.

## Greetings from the District Governor,

MEMBERSHIP...By now you are probably tired of hearing me talk on membership. It is the most single important phase of Lionism. Without new members our clubs will eventually become non existent. I have set my priority goal for a plus membership in the district for the year 1992-93. We have not had a plus membership for over 10 years and we are so close to obtaining a plus membership for this year. As of the end of March, our membership for the district is down about 7 members. I am asking all clubs to go out and get new members for the months of April, May and June. Rather than dropping a member for non attendance or non payment of dues, have your membership chairman and sponsoring Lion contact these Lions and find out why they are not attending meetings or paying their dues.

If each club would bring in one new member in the next three months and would not drop any members we could attain our goal of a plus membership in the district. I know there are some factors that we have no control over, such as deaths and transfers.

Congratulations are in order for our newest Birch Strum Fellow in the District, Lion Barney Madigan of the Rosendale Lions Club, who was honored at the Rosendale Lion Clubs 25th Anniversary on March 27.

A special thank you to all of the clubs who have been participating in our mint and coloring book program with Profit Masters. The clubs who participated in selling coloring books sold over 2200 coloring books which is a thousand more than we sold last year. By these clubs participating in these two programs we normally make a profit of over \$1200 for the District in a year. As a result of these sales, we have been able to keep from raising our dues.

Make sure you have May 8 marked down on your calendar for our District Lions and Lioness Officer Training and Membership Orientation. It is most important that you have at least one or more Lion or Lioness representing your club. This is for your benefit and the benefit of the club.

Another special thank you to all of the Lions and Lioness Clubs in the district for their participation in contributing funds to Wisconsin Lions Foundation. You have made us 100% District for the 13th year in a row. A great job well done.

By now your clubs should be in the process of holding their election of officers for the Lionistic year 1993-94. As soon as the elections are held, you must send in your PU 101 and PU 101M forms to me by April 15 so that your club and officers will be listed in the State Directory.

I have enclosed with this newsletter the upcoming 17th annual USA/Canada Lions Leadership Forum which will be held on September 9-12, 1993 at Winston-Salem, NC. If you plan on attending send in your registration and housing reservation as soon as possible.

SPECIAL NEWS FLASH.....I have just been informed by Lion Mike McMeeken, PDG that Wisconsin has been awarded the USA/Canada Forum for 1996 which will be held in Milwaukee.

Yours in Lionism,  
District Governor

## Wisconsin Lions and 27-B1's Mission to Mexico

First of all, we want to thank the Lions and Lioness of 27-B1 for making this project a reality.

50 clubs gave a total of \$7202.00. Our 1985 Ford Ambulance cost us \$3412.50.

We spent \$233.58 to repair the ambulance and replace two tires. The project money earned us \$193.26 in interest.

We picked up medical supplies from many clubs, but I really want to thank the Wild Rose and Manitowoc Lions for the wealth of equipment that they acquired.

PDG Dwaine Habrat and PDG Bob Showers along with the 27-C1 ambulance left the A-2 District convention in Brookfield WI on Sunday morning February 21.

We traveled in a snowstorm to Beloit where we met the ambulances from 27-B2 and 27-E1. Our caravan traveled to St Louis the first night, Tulsa Oklahoma the second night, Temple Texas the third night and arrived in McAllen Texas the fourth night.

We had **NO PROBLEMS** with our ambulance, but there were breakdowns with the other vehicles. This did make for an exciting trip and brought our group closer together.

We had a great deal of trouble with the Mexican customs, and had to stay in McAllen Texas for three nights. After lengthy negotiations with the Mexican authorities we found it is best to deal with Mexico City before leaving from Wisconsin. The paperwork would then be with us before we leave from Wisconsin.

The Tuxpan, Veracruz Lions club consisted of 28 members and they were gracious hosts. The 29 of us from Wisconsin fit about 4000 people with eyeglasses. We were told that people were lined up days before we arrived and while we were there the line never seemed to die down. Our regret was that we could not stay longer and help more people. We also needed a larger supply of graded eyeglasses and so I urge you to become involved with recycling eyeglasses at the Butte des Morts Lions clubhouse.

A special thanks to the people from our District who joined us in Mexico for this humanitarian project. Orv and Ana Kittel from the Berlin Lions, Paul and Jean Riesen from the Packwaukee Lions, Marjorie Guell from the Eldorado Lioness

LEADER DOG REPORT

With two thirds of our Lionistic year behind  
We have received contributions from 49 Lions and  
Lioness Clubs for this very worthy program.

So far this year 9 Wisconsin citizens (including  
1 from 27 B-1) have attended the Leader Dog School  
to receive a Leader Dog thanks to us Lions.

During the past two years our District 27 B-1  
has been a 100% District. I am appealing to the  
other 44 clubs to please send their checks by the end  
of our State Convention in May.

Yours in Lionism,

  
Glenn Murty

## **We Serve**

March 23, 1993

To My Fellow Lions Club Members in Wisconsin:

The 1993 State Lions Convention will be held at Two Rivers in less than two months, and your club (to date) will not be represented.

This letter is written to reassure you that if someone from your club would like to attend, we can find them rooms and still get their meals arranged. On April 1st, there will be some rooms opened to us, and we'll fill them on a first-come, first-served basis.

We have worked extremely hard to make this the very best State Convention ever. Our hospitality on Friday night includes "America's Polka King" Frankie Yankovic and His Yanks. Speaker/entertainer of the Closing Banquet is Ron Dentinger, "Wisconsin's Funniest Man".

A brand new 1993 Chevrolet Lumina car will be given away, too! If no one is coming from your club, how about the idea of buying a ticket for the car for every member of your club? All proceeds of this raffle will benefit Wisconsin Lions Camp at Rosholt, Wisconsin. There are only 2,500 sold, so the odds are terrific at \$10 each!

Your District Governor can attest to the hard work we've put into this convention. It's gonna be great! It's gonna be too bad if you miss it!

I almost forgot to tell you about the seminars and the parade. They'll be the best ever, too! Hope you'll reconsider and send someone to represent your club at the State Convention.

Yours in Lionism,

1993 WISCONSIN LIONS STATE CONVENTION CORPORATION

### W MITCHELL

Mastering adversity from *The Man Who Won't Be Defeated*, W Mitchell. More than 70 million people have read his story about two of the most horrific experiences anyone could ever imagine. First, a fiery motorcycle accident and then a plane crash and W Mitchell turned them into victories unknown by all but a few. From behind a patchwork quilt of a skin grafted face, whose body gets around in a wheelchair, you will understand, with laughter and perhaps some tears—maybe for the first time—that "It's Not What Happens To You, It's What You Do About It."

### PATRICIA FRIPP

Patricia Fripp was a successful entrepreneur in the hairstyling industry, retiring after 24 years at the tender age of 39! Today she is a leader among speakers. In 1981, Patricia received the "Certified Speaking Professional" designation (CSP) (less than 5% of NSA have this honor.) In 1983 she received the "Council of Peers Award for Excellence" (CPAE) for professionalism and excellence in speaking (less than 3% of NSA have received this honor). In 1984 she became the first female president of the over 3,000 member National Speakers Association (NSA). Patricia has written a book, *Get What You Want*, and is the contributing author in five others. She is part of the *Insights Into Excellence* video training program. She is not an ordinary woman by any stretch of the imagination. Patricia began with her own internal talents, a great deal of ambition, an open mind, and an assumption that if she worked hard enough she would succeed. She has!

## Greetings from the District Governor,

Hopefully you have registered and made your reservations for the State Convention at Two Rivers which is just a few days away. Dates of the Convention are May 13-15. Try and attend because there are some great seminars set up for all Lions and Lioness. All of the clubs should make an effort to have someone representing their club at the convention. The only change we have to report is that Ronnie Milsap will not be appearing. The convention committee would like to see a few more bands and floats entered in the parade. At the State Convention this year your Council of Governors will be selecting a new state executive secretary. Our main speaker will be William Woolard, PIP and his partner in service, Virginia. Lets make them welcome.

Make sure you bring your delegate card to the convention so you will be able to be certified and vote on some important resolutions. We have two excellent candidates running for the position of International Director for the State of Wisconsin. They are Lion Bob Welch, PDG from East Troy, WI and Lion Phil Ingwell, PDG from Deerfield, WI. Be sure to vote for the candidate of your choice.

Enclosed in this newsletter is the 100% Secretaries form which must be filled out at the end of June and sent to District Governor Gordon D. Hoffman. This is a District award and all rules must be followed.

**CONGRATULATIONS** to our two newest Melvin Jones Fellow recipients, Lion Zone Chairman, Jeri Achterberg of Packwaukee and Lion John Laper from Fairwater.

You will find enclosed in this newsletter a question and answer form on Campaign SightFirst. Hopefully this will answer some of the questions you have regarding Campaign SightFirst.

By now all your elections of officers should have been held and your PU 101 and PU 101M forms sent in to me so that they can be recorded in the State Directory.

**MEMBERSHIP!!!!!!** After receiving the April M&A's the District shows a minus two in membership. If we do not have any more drops for the next two months and bring in some new members, I will have reached my goal of a plus membership for the year.

Remember Lions Week which is May 9-15. Wear your Lions pin and let your friends know what Lionism is all about.

Yours in Lionism,  
District Governor

### MEMBERSHIP COMMITTEE CHAIRPERSON BULLETIN 1993

IN YOUR CLUB.. IN YOUR COMMUNITY..IN YOUR DISTRICT..IN YOUR COUNTRY

As they have for many years January and March have been proclaimed as District Membership Growth Months.

Make plans now to implement the program in your club. Everyone Will Benefit. Your District Governor will feel pride as he turns over a stronger district to his successor. And your association will gain added prestige as it expands the scope and reach of its humanitarian services.

As you work with the Membership Committee and other members, stress the following:

- \* Too reduce the average age of our members, we must emphasize youth.
- \* Women now comprise more than half the world's population. Put their talents to work for you, and your Club's achievements will grow, too.
- \* Remind all that they; would not be Lions now had no one asked them to join-and that they have an obligation to share their good fortune with others.

QUALITY MEMBERS = QUALITY CLUBS

An effective membership development effort has four needs:

1. Cooperation of the club's officers and directors.
2. Work of the membership committee members.
3. Understanding and cooperation of all club members.
4. A well-planned, efficiently executed annual membership development program.

These four requirements, well-coordinated and properly implemented, will help maintain the membership of all Lions Clubs.

#### THOUGHT OF THE MONTH!

# LION PHIL INGWELL

## Candidate for Director

### LIONS CLUBS INTERNATIONAL

A LION'S LION

To: LIONS OF WISCONSIN

The clock is counting down towards the State Convention in May and decision day for the delegates. Decision day to choose the next International Director candidate from Wisconsin. This is a decision that can not be taken lightly. The candidate chosen will go on to compete at the International Convention.

You have heard the candidates speak and seen the literature. I would ask that you review the April issue of the Wisconsin Lion magazine and compare the experiences in Lionism of the candidates. There is a definite contrast in the candidates backgrounds and I believe that you will find that you and your delegates will want to send me on to the International to utilize my skills to represent the Lions of the world.

CAPABLE-DEPENDABLE-ENTHUSIASTIC and SINCERE are terms that other Lions have chosen to describe me as a Lion. Spread the word and join us in this quest to represent you on International Board. With your support, you can send a message that Wisconsin has a Lion who will work for all Lions and Lioness of the world.

I look forward to meeting all Lions at the State Convention and further convincing you that I am your candidate for endorsement. Your vote and the vote of all Lions at this Convention is very important. Please share this letter with your Club members.

Yours in Lionism,

Phil Ingwell, PDG District 27 D1

## Answering Your Questions:

### Answering Your Questions: Campaign SighthFirst

- Q:** As a Lion, what should Campaign SighthFirst (CSF) mean to me?
- A:** It means I am part of an historic program to help conquer blindness in the world! My association is doing something that has never been done before, and that no other organization has been able to do.
- Q:** Why is CSF different from other projects our association has undertaken?
- A:** We have never asked all of our membership, clubs and districts to work together over a three year period to accomplish so much—to actually eliminate preventable blindness in much of the world.
- Q:** What is the relationship between SighthFirst and Campaign SighthFirst
- A:** SighthFirst implements programs to cure blindness and Campaign SighthFirst raises funds to make SighthFirst programs possible.
- Q:** How does CSF relate to Lions Clubs International Foundation (LCIF)?
- A:** LCIF is the fundraising and humanitarian arm of our association. CSF is part of LCIF, but seeks new money to eliminate preventable blindness. Naturally, its support must come from all of Lions Clubs International.
- Q:** NEW MONEY: What is that?
- A:** Support for CSF should be over and above what is given to LCIF so that LCIF can continue funding essential grants for other worthy causes.

- Q:** What is the CSF goal?
- A:** US\$130 million is the campaign goal. More could be accomplished with another US\$70 million.
- Q:** Why does the campaign last for three years?
- A:** US\$130 million is a lot of money! It takes time to build a worldwide campaign organization and motivate 1.4 million Lions and 40,000 clubs. We are now just beginning. We will celebrate victory at our 1994 international convention.
- Q:** How should my club be helping CSF?
- A:** Be sure your leaders read the CSF material sent to your club and that they inform all members about the contents. Our objective is to make sure that every Lion worldwide is informed and ready to support CSF.
- Q:** Should we raise money for CSF this year?
- A:** Of course! Raise all you can, just as you did last year. But next year, fiscal year 1993-94, is the most important and by then all district and zone leadership will be in place. In this final year we will raise the majority of funds to reach our goal.
- Q:** How will clubs that raise significant money be recognized?
- A:** Three banner patches will be available.
1. Clubs that raised US\$1,000 or more last year (1991-92) received the Lions Conquering Blindness CSF award

2. The five clubs in each district that achieve the highest per capita giving in each of the three fiscal years will receive the district "Top Five" award patch for that year.
  3. The one club in each district that achieves the highest per capita giving to CSF for the period of July 1, 1992 through June 30, 1994 will receive the International Committee award patch.
- Q:** Are Melvin Jones Fellowships available to CSF donors?
- A:** Yes! All CSF donors whose gift (US\$1,000) would qualify as a MJF are entitled to receive the MJF recognition.
- Q:** My club contributes to a local sight-related project. Can these funds be considered as part of CSF?
- A:** CSF raises funds for specific projects approved by the SF Proposal Review Committee. CSF funds must be sent through customary LCIF channels.
- Q:** Is it true that anything Lions do to prevent blindness worldwide is defined as "SighthFirst"?
- A:** Yes. However, Campaign SighthFirst raises funds ONLY for specific projects approved by the Proposal Review Committee. Lions are currently contributing a tremendous sum of money to many sight-related

## Greetings from the District Governor,

**WHAT A FANTASTIC YEAR!!!!!!** It seems like our year just began and here it is, about to end. The time has flown by so fast.

I would like to take this opportunity to thank you, all of the Lions and Lionesses of 27-B1 for giving me the opportunity to serve as your District Governor. I would also like to thank all of the members of my Cabinet who helped serve the District along with me. I do appreciate your dedication and commitment to the Lionistic cause in this year of 1992-93. Betty and I made some great friends during this year and hope the friendships will continue for many years to come.

I enjoyed serving with the Council of Governors this year. The challenges were many. We were able to commit ourselves to the Lioness needs and give them the direction they have asked for. The State office was moved during the year which required several trips to Stevens Point for site selection. Our State Secretary, Debi Lutz, who has served the Lions of Wisconsin with true dedication gave us her resignation early in 1993. This required searching for a replacement. Congratulations go to PDG Lion Thomas Thorson who is the new State Executive Secretary. We wish him well.

Our state convention was a huge success. I would like to thank the Two Rivers Lions Club and Mark Heller and all of the clubs from the surrounding area for their commitment to the convention.

As I write this newsletter, I have six weeks left of my term as District Governor. My term ends officially at the conclusion of the International Convention in Minneapolis, Minn.

We did not let any grass grow under our feet during our year. We traveled over 21,000 miles by air visiting the countries of Tokyo, Japan; Hong Kong, Seoul, Korea; Macau, and Mainland China. We will have driven over 30,000 miles by the end of the International Convention. We have traveled through the states of Illinois, Michigan, Tennessee, Minnesota and Oklahoma. We attended all 10 District Conventions which led us to the western border of the state at River Falls to the eastern border of the state at Two Rivers; the northern border at Ashland and to the southern border to Lake Geneva.

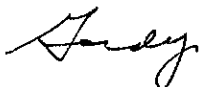

Some of our visitations were triple headers. There were mornings we left to attend a morning Lions function and then went on to a noon Lions meeting and proceeded on to an evening meeting. There were also several days that we had two visitations. I was out on Lions business 225 days and did the necessary paper work and newsletter in between.

I would especially like to thank the Green Lake Lions Club for their support and for giving me this years absence from the club so that I could serve the district. I did manage to make five visits to my home club.

We wish District Governor Elect Lion Ken Rohde of the Howards Grove Lions Club much success during his upcoming Lionistic year of 1993-94.

**THANK YOU LIONS AND LIONESSES OF 27-B1 FOR MAKING THIS A MEMORABLE YEAR FOR BETTY AND ME.**

Yours in Lionism,  
District Governor
