Dear Cabinet Member:

Because of a somewhat ridiculous constitutional by-law, I must get the official cabinet minutes to you within 10 days following our cabinet meeting. Therefore, I am sending this special mailing. However, I must get something more from the 22¢ so I am writing a couple of things for each of you to emphasize my goal. Here are some things you should know:

1. First, we serve better together. Therefore, I need your help in getting new clubs and help in emphasizing membership retention.

2. Second, PDG Fred Holtz has been appointed to fill John Schneider, Jr.'s cabinet position as environmental chairman and site selection committee.

3. For those who were not at the last meeting: We started a memorial fund for anyone to give in remembrance of John Schneider, Jr., PDG. If you would like to give as a Cabinet member, please send monies to our cabinet secretary.

4. Please encourage attendance at the District Convention. We have many things going. More will be coming on this.

5. Zone Chairmen & Deputies: Don't forget our meeting on August 31 at 2:00 p.m. sharp. Also, I am asking Max Harrington, PDG, and Don Kringle, PDG, to be at this meeting.

6. Talk good about what's happening in our district. Keep me informed of your thoughts and work hard to make this a good, friendly year. Think Lions and Lioness Extension. Thanks.

Yours in Lionism,

Tom

Thomas L. Koch, DG

# Lions International

WISCONSIN DISTRICT 27B-1

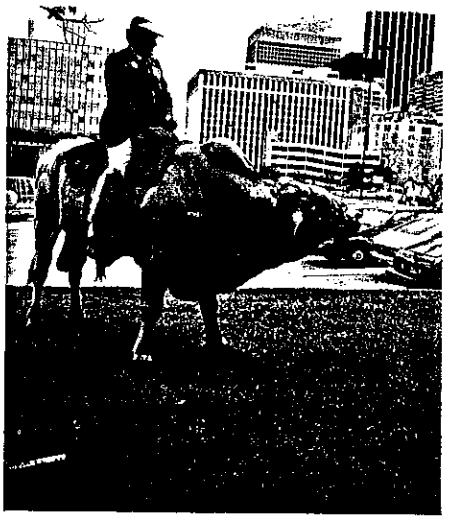
JULY, 1985 27B1 NEWSLETTER



I could not go to Dallas without riding one!

LIONS ARE FUN! IT'S GREAT TO BE A LION! After attending my first International Lion Convention, my enthusiasm for lions is really flowing. I want to do so many things! President Reagan told us in Dallas that what lions are doingis great. At school, I learned that Lions are great. A couple days ago one of our local lions said "Lions are fun." The more I get involved with the International Association of Lions the more I realize that Lions are fun, that lions are great. This year our Lions International President wants us to emphasize being an International Lion. This means getting involved with really beginning a DRUG AWARENESS program, really begin a DIABETES PROGRAM, and really start a program to STRENGTHEN MEMBERSHIP. This year I want to hear what you are doing to help make members in your club an International Lion. I will be giving rewards to clubs and individuals for doing great. I certainly would like more members to come up to me this year & say-"It's Great To Be a Lion, Leo, or Lioness." "Lionism is fun!" Only if you can get each member involved will this be said. Good Luck!

**********

The District Convention will soon be here. We plan to have something for all Lions, Lioness & Leos this year. Notice the attached sheets. More will be coming to each club on this, but mark November 8, 9, & 10 on your calendars now. Cabinet members please note that our second cabinet meeting will be on November 10 at Fox Hills.

**********

It is also not too early to begin planning for the USA-CANADA Forum which will be held in Hollywood Florida. Lion Tom Thoreson is investigating a group rate to leave late Thursday or early Friday. Please contact him if you might be interested.

**********

Presidents: Remember President's day is July 21. Send in your reservation form if you have not already. It is well worth your time to go. These forms should be in the hands of the presidents.

**********

Before I get hounded by our Pin Chairman, PDG Gene Norberg, there are still district pins available--please order these now. We need an idea (design) for both our District and State Pin. Remember there is an award ($50 Savings Bond) for the winner.

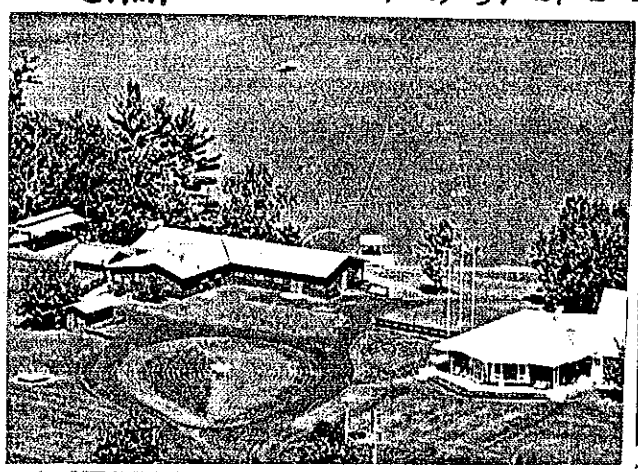
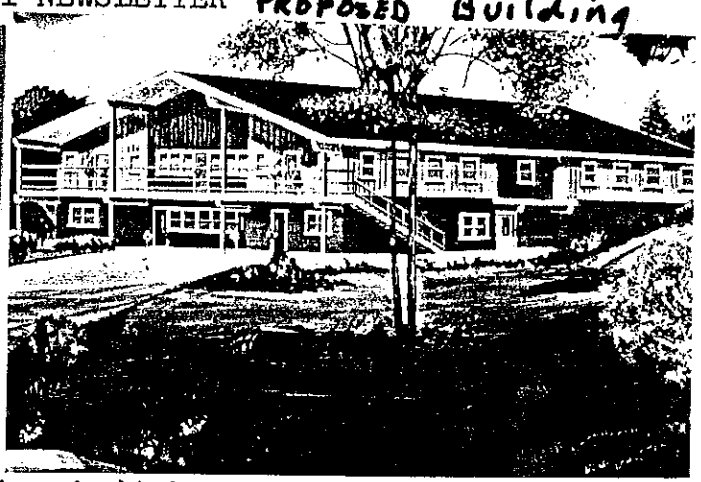
LIONS CAMP



PROPOSED Building



A MESSAGE FROM YOUR DG: Even though it has not been an extra busy month, it has been very exciting and rewarding. I was expecially pleased with our district's attendance at the Wisconsin Lions Camp on President's day, making it the biggest attendance ever. Now I hope the president's go back and sell the new building program. The decision is to not being building until pledges or donations for 80% of the $200,000 goal is reached. Get the pledge forms in. Remember this must be over and above what you normally send to the Foundation. After those great summer fund raisers, now is the time to be generous.

This month I experienced my first cabinet meeting and first council meeting. Because of an extra good group this year, both were very enjoyable. Next month I have two other major events: A visit to Leader Dog and Lions International and DDG Dennis Kitchen and I will be attending a Lions Quest Seminar. Also, I will be attending a leadership and extension seminar. You will hear more on these meetings.

I am pleased with the way clubs are getting M&A's in. We must have a great bunch of secretaries this year. Can we get them all in by the fifth of the month? Let's try! Also, thanks for scheduling visitations. For the clubs who still haven't please contact me as soon as possible.

There is a lot of enjoyable, important news in this letter. Please read it and share it with members of your clubs. Note the special reports and scout letter. Finally, don't forget to get reservations in for the District Convention--at least four per club should be planning to attend, but I expect many more from the "active" clubs. I will guarantee one thing: You will learn from this convention, and you will have a good time.

IN MEMORIUM: We lost a great Lion Leader recently in the death of Past District Governor John Schneider, Jr. Our sympathies to his wife and family. Because he did so much for lionism in this district, including starting several clubs, having the first district convention, and serving six years on the Wisconsin Lions Foundation Board, and, of course, his many committees in lionism, our district is setting up a special memorial fund in his name. This fund will be used for something at the Camp to be chosen in cooperation with his family and the Camp committee. Clubs, relatives, & friends are encouraged to send donations to this fund to: Cabinet Secretary, David Wood, Route 1--Box 86, Ripon, WI 54971. The entire fund will be turned over at our District Convention at Fox Hills.

RESOLUTIONS: All resolutions to be recommended to the Annual District Convention for action shall be submitted to the Chairman of the Resolutions--consitution and by-laws committee--Clem Schoenborn, Jr., PDG in duplicate at least sixty (60) days prior to the Annual District Convention. The deadline this year is September 8, 1985. Please send them to him at 8823 Northeim Lane, Newton, WI 53063.

BOWLING: TO ALL REGION III CLUB PRESIDENTS:
All Lions Clubs in Region III are eligible to host our 1986 District 27-B-1 Lions Bowling Tournament between the third weekend in October and the second weekend in November, 1986. Any Region III Lions Club desiring to host this tournament must submit their written invitation to the District 27-B-1 Bowling Chairman before September 1, 1985. Delegates will choose by ballot the host club during the District Convention at Mishicot on November 8, 9, and 10th, 1985. Article III, Section 4 of our District 27-B-1 bylaws apply for this tournament. One invitation has been received so far. Please send this request to Glenn Murty, PDG, Dist. 27-B-1 Bowling Chairman, Route 2, Box 240, Wild Rose, WI, 54984.

LEOS: TO ALL ZONE CHAIRMEN AND CLUB PRESIDENTS: We are starting a new year in Lionism. I ask each of you to consider starting a Leo Club in your area. We currently have one Leo Club in Rosendale. There are not enough clubs for these youth to have activities at the District or State level.

I urge you to contact your clubs for interest in starting a Leo Club in your area. I would be happy to come and explain the program and help you organize the club. As many of you have seen at the Dells State Convention District meeting, the Leos can be a great help in your fund raisers and sharing the financial expenses of your club.

It may take 2-3 months to get a club organized so let's get started now. By District Convention time, I would like to have at least 4 clubs organized or at least in the process, so these folks can participate and learn about Lionism with programs programs similar to the lions and lioness.

These young folks, boys and girls, ages 13-14 and older, will someday be future lions and lioness, ready to join your club and begin to function with 4-5 years of experience. For information, contact me, Thomas R. Schumacher, District Leo Chairman, P. O. Box 193, Rosendale, WI 54974 or call 414-872-2855.

PRAYERS NEEDED: Immediate Past District Governor Eugene Norberg heard some bad news recently. He has a couple of growths on his kidney. Right now no local doctor can remove these growths and he is investigating surgery with the Mayo Clinic. Needless to say Gene is down mentally and could use your prayers.

MEETING: Deputy District Governors, Zone Chairmen, Max Harrington & Don Kringel don't forget the meeting at my place--from stop sign in Rosendale, go north one block, east one block and north 1/2 block--202 Adams. This is an important meeting, starting at 1:30 p.m. on Saturday, August 31. The meeting should be over by 3:30 p.m.

COMMITTEE CHAIRMAN FOR DISTRICT: Don't forget your articles--next article is due by August 31 by Ray Wodach--Youth Exchange. Also, I still would like article due from Fred Holtz, on Dist. Convention site rules and Camp report.

MY CALENDAR Again I am asking that club secretaries, presidents or program chairmen contact me for visitations. Please indicate time, location, date, and special duties--also is it a ladies night? Please do the same with your zone chairman and deputy district governor--preferably not the same night.

Dear Lion President:

The youth of our communities are one of a Lions Clubs most important responsibilities. Each year our clubs are called upon to provide money, service and leadership to influence our youth's growth and development. As your Governor, I am interested in helping identify all possible resources for your club's efforts in this area and give appropriate recognition where it is due.

Recently I was made aware of the outstanding partnership Lions Clubs across the country have with the Boy Scouts of America. Did you know that of all service organizations Lions are the largest users of the scouting program? That in our district we have 24 clubs with a cumulative total of over 480 years tenure in using scouting programs? That these opportunities are available to <u>all</u> Lions Clubs?

You, your secretary, or some other member of your club is invited to join me on Thursday, September 12, at The Colony, 15 West Division Street in Fond du Lac--Cocktails at 6:00 p.m., dinner--including chicken & fish with all the trimmings. The cost is only $7.50 per person, including tax and tip. On this evening, I will be joining the Bay Lakes Council, Boy Scouts of America in recognizing the Lions Clubs in our district who currently use scouting as part of their youth program.

Our evening will include highlights of the scouting program in our district, scouting growth potential for boys <u>and</u> girls, and the opportunties available for your club to join in this great partnership for your community.

Your attendance or a representative from your club at this meeting will be important to Lionism and to me. I will be counting at least one representative and proceeding with the plans--Dinner begins at 6:30 sharp, and the entire evening program will be finished by 9:00 p.m. I look forward to working with this fine group and your club.

Yours in Lionism,
Thomas L. Koch

WHAT AN EXCITING MONTH! First, it was off to Oak Brook to visit our exciting, completed International Headquarters in Oak Brook, Illinois. We learned more on what we should, could, and could not do. Then we had a real experience--my wife and I had our first plane ride from Chicago to Detroit. There, we took a bus to our Leader Dog School. What a tribute to lionism! Classy, efficient, and doing the job it was intended for. I wish to convey the thanks that so many at the school conveyed. Lions are GREAT! Then, Milt, Morrie, and I went to work on starting a new club. Excitement rose quickly in Eldorado, and sure enough we added a new International Lions Club in 27-B-1! Wow! Most of all the officers and leaders were elected and they seem to be just what anyone could ask for. How great! Then DDG Dennis Kitchen and I went to a Quest seminar--More exciting things happening! I love it! Now, really I start what I hope to be the best part of my term as DG--visiting the clubs. I sure hope as I visit I will always sense in each club that LIONS ARE FUN. This is sooooo important!

## A MESSAGE FROM DISTRICT 27-B1 HEARING AND SPEECH CHAIRMAN

DID YOU KNOW THAT IN THE UNITED STATES THERE ARE 18-20 MILLION PERSONS AFFLICTED WITH A HEARING PROBLEM? ACCORDING TO A MAJOR INSURANCE COMPANY, IMPAIRED HEARING IS THE MOST COMMON DISABILITY IN AMERICA.

HEARING LOSSES FROM SLIGHT TO SEVERE ARE FOUND IN ANY AGE RANGE, FROM THE NEWBORN TO THE AGED. GENERALLY, MOST HEARING LOSSES DEVELOP GRADUALLY OVER MANY YEARS. HOWEVER THERE ARE A SIGNIFICANT NUMBER OF CHILDREN WHO ARE BORN WITH A HEARING LOSS. MORE BABIES ARE BORN WITH A HEARING LOSS THAN IS GENERALLY THOUGHT. VIRAL DISEASES AND CERTAIN DRUGS TAKEN BY THE MOTHER CAN EFFECT THE HEARING MECHANISM OF AN UNBORN CHILD. THE RH BLOOD FACTOR MATERNAL RUBELLA AND BIRTH INJURIES ARE ALSO RESPONSIBLE FOR HEARING LOSSES IN NEWBORN INFANTS. CHILDHOOD DISEASES, A VERY HIGH FEVER, CERTAIN DRUGS, OTITIS MEDIA, ETC., MAY AFFECT A CHILDS HEARING. IN WISCONSIN ALONE, 1200 CHILDREN NEED EDUCATIONAL ASSISTANCE BECAUSE OF A HEARING LOSS.

THE DEAF ARE AT A TREMENDOUS DISADVANTAGE IN DEALING WITH LIFE'S MOST BASIC ACTIVITIES AND RESPONSIBILITIES. TO QUOTE HELEN KELLER, "THE PROBLEMS OF DEAFNESS ARE MORE COMPLEX, IF NOT MORE IMPORTANT, THAN THOSE OF BLINDNESS. DEAFNESS IS A MUCH WORSE MISFORTUNE BECAUSE OF THE LOSS OF THE MOST VITAL STIMULUS--THE SOUND OF THE VOICE THAT BRINGS LANGUAGE, SETS THOUGHTS ASTIR, AND HELPS US IN THE INTELLECTUAL COMPANY OF MAN."

TO HELP THE DEAF WE AS LIONS AND LIONS CLUBS CAN PUBLICIZE DEAF AWARENESS (WRITE: RID, P.O. BOX 1339, WASHINGTON, D.C.), PUBLICIZE THE EFECTS OF NOISE POLLUTION, PROVIDE HEARING TESTING EQUIPMENT FOR SCHOOLS, CLINICS, HOSPITALS, ORGANIZE TEMPORAL BONE BANKS, DONATE TTY (TELEPHONE) EQUIPMENT TO THE DEAF, POLICE, RESCUE, ETC., PROVIDE FOR LOANER HEARING AIDS FOR TESTING/REPAIRS ETC., ENCOURAGE EMPLOYMENT AND SUPPORT STATE AND LOCAL EDUCATIONAL AGENCIES.

ONE OF THE AGENCIES WHICH WE AS LIONS CAN SUPPORT FINANCIALLY, IS THE GREAT LAKES HEARING DOG PROGRAM. IN THE GREAT LAKES REGION, THERE ARE OVER 250,000 DEAF PEOPLE. THE PROGRAM PROVIDES A MEANS FOR THE DEAF TO "HEAR" THE SOUNDS OF DAILY LIFE THROUGH THE HEARING DOG - A FRIEND, COMPANION AND A VITAL LINK TO THE HEARING WORLD.

HEARING DOGS ARE TRAINED TO ACT AS "EARS" FOR A DEAF ADULT. THROUGH BASIC OBEDIENCE HAND SIGNALS AND SOUND ALERT TRAINING, THE DOGS ALERT THE DEAF TO SOUNDS IN AND AROUND THE HOME. WITH A HEARING DOG, THE DEAF WILL KNOW ABOUT A KNOCK AT THE DOOR, A TELEPHONE CALL, THE RING OF AN ALARM CLOCK, A FIRE OR A CHILD'S CRY.

THE RECIPIENTS OF THE HEARING DOGS MUST MEET SEVERAL REQUIREMENTS; 18 YEARS OF AGE OR OLDER; SEVERE TO PROFOUND HEARING LOSS; LIVING ALONE OR WITH OTHER HEARING IMPAIRED PEOPLE. THESE ARE GENERAL GUIDELINES ONLY; EACH APPLICATION WILL BE CONSIDERED ON ITS OWN MERIT.

THE COST TO TRAIN AND PLACE EACH HEARING DOG IS APPROXIMATELY $3,000. THE DEAF RECEIVE THE HEARING DOG AT NO COST. THE GREAT LAKES HEARING DOG PROGRAM DEPENDS ON CONTRIBUTIONS AND SPONSORSHIPS FROM INDIVIDUALS, SERVICE/SPECIAL INTEREST GROUPS AND CORPORATIONS TO CONTINUE ITS SERVICES TO THE DEAF.

THE ADDRESSES NEEDED IF YOU, YOUR CLUB, OR SOMEONE YOU KNOW WOULD LIKE TO MAKE A CONTRIBUTION, OR IS INTERESTED IN APPLYING FOR A HEARING DOG, ARE AS FOLLOWS:

Youth Exchange Report by Ray Wodach

YOUTH EXCHANGE--The time to start thinking about Youth Exchange is here. Zone Chairmen please find some time for me at your first zone meetings. I will be glad to give details about Youth Exchange.

Youth Exchange is open to any one between L¢ TO @L. Let me know what country he or she is interested in visiting, and I will try to arrange contact with that country. The cost of the trip is sometimes paid by the parents or by the sponsoring clb, or a combination of the two.

Deputy District Governorso--Please talk ukp Youth Exchange program when you visit the clubs.

Deadlines for applications is January 15, 1986, in order to have ample time to contact the foreign countries.

If Lions International would have spent more time in the past years with YOUTH, maybe we wouldn't be spending so much time on DRUG ABUSE programs now.

If you need more information on Youth Exchange, please contact me, Ray Wodach, RFD 4, Hwy 57, Plymouth, WI 53073, PH 414-876-3175.

LIONS CLUBS INTERNATIONAL FOUNDATION

By GaryBednarz, LCIF Chairman

LCIF was started in 1968. Since then, LCIF has provided millions of dollars to the needy of the world. LCIF has helped with human needs, namely floods, drought, famine, earthquakes and tornados. When thousands of malnourished children were going blind due to vitamin deficiency, and thousands more had lost their vision to cataracts and other eye diseases, LCIF was there.

LCIF has helped young men and women with education and training to better themselves with skills for a better life. LCIF has helped to build homes, hospitals, eye treatment centers, orphanages, schools, clinics, recreational and social centers. Grants have furthered medical research and provided food for starving refugees.

No other organization can match what Lions have done to aid a suffering humanity. No better way exists for Lions of all nations to help their fellow man. LCIF has built hope, confidence, self-respect and human dignity while providing assistance, relief, and comfort. What a great way for Lions to help people in need.

Lions Code of Ethics--"To aid my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy." LCIF is YOUR foundation. LCIF is most effective in rendering aid to those in need, and superbly efficient in purchasing, supplying and administering required assistance. Grants approved by the LCIF Board of Trustees were initiated by Lions who saw the need to aid those less fortunate than themselves. It therefore requires not only your support, but also your leadership.

Eight "Regulations" for attracting and keeping new Lions!
1. Dig up 1 prospect between 21 & 100. 2. Invite him to a meeting.
3. Fill him up with good food. 4. Brainwash. 5. Sign him up.
6. Put him to work. 7. Check on him from time to time. 8. If
you use him you will never lose him. (From Lion Herb Schneider, PDG

## THE OCTOBER ANNIVERSARY MEMBERSHIP GROWTH MONTH

Membership growth is a pivotal factor in the survival of every Lions Club, making it stronger, while providing additional manpower to meet the needs of the less fortunate in every community where Lionism is represented. Also, it will contribute to maintain our Association's strength and its position as the greatest service organization in the world.

Additionally, with today's advancement in technology and communications, countries around the world are no longer far apart. Hence, the problems of this modern age touches the lives of all men, especially the younger generations which represent the future leaders of all our nations. Although every Lions Club tries to meet its respective local needs, it can no longer remain isolated from the rest of the world because only through the united efforts of all Clubs world-wide can we solve the eminent threats to a bright future for all, such as drug abuse and diabetes. Our Association has embarked on an ambitious program to get rid of the dangers mankind is facing today. Therefore, now more than ever every Lion in every Club must think *international.*

*WE SERVE BETTER—TOGETHER* is the theme of our International President Joseph L. Wroblewski. If every Club, District and Multiple District work together to achieve the Association's goals, we will make certain that our future generations will live together in a safer and better world.

*Our annual October Anniversary Membership Growth Program is an opportune time for Lions to bring more young men to the ranks of Lionism. Your own Club's ability to serve will be strengthened while reinforcing the sound foundation of our International Association. Sponsoring new members during October will also enable your members to earn special awards, recognizing their commitment and that of your Club to the success and to the future of Lionism internationally.*

Keep your Club strong and in doing so, our beloved Association will remain as the largest force among other service organizations in our common battle against the miseries and dangers afflicting our current society!

Won't you have every member of your Club re-commit himself to the family of Lionism by inviting other quality men from your community to join your Lions Club?

We are confident we can count on your enthusiasm and support, inasmuch as *WE SERVE BETTER-TOGETHER.*

OCTOBER, 1985 NEWSLETTER--DISTRICT 27B-1

Greetings to all hard-working lions, lioness and Leos! What an exciting month! All is well in Hollywood Florida! It was a very exciting USA-Canada Forum, and many things are happening in our organization. I concentrated in three major areas at the Forum: Fundraising, Lions and Lioness extension, a combined meeting of fighting diabetes and drug and alcohol abuse. Also, the district governors had a chance to meet with our International President, Joe Wrobleski. I received many ideas, and hope to share many of these with you as I visit your clubs and work with you for the remaining part of this year.

Much of this month has been spent helping to plan the 1985-86 District Convention. Please look at the enclosed agenda and please let your members know what is happening at this convention. I just wish every lion, lioness and leo would have the opportunity to attend this convention, especially from 9:45-11:45 a.m. on Saturday, November 9. Please come for this time if you can. The dignitaries we have coming at this Convention to share with you information that will help each club and each member. All areas have such qualified personnel that I hope I can make it to every table--24 tables!--At least I hope one member from each club can make it--that means 6 members per club--How about it?

++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++

Find enclosed: Convention information--Constitution and By-laws to be voted on at the convention--Committees, Diabetes information, and News bits. Please share this information with your members.

Dear District Governor Tom:

Here are the goals I have established for Diabetes Awareness for 1985-1986 in District 27B-1.

1. Every club in 27B-1 appoint a diabetes chairman.
2. Every club contribute to the Wisconsin Diabetes Association to support research.
3. Make diabetes information available to every club in the district.
4. Obtain "Diabetes Awareness Kit" when available from Lions Clubs International and present it at zone meetings.
5. Prepare one article for District Governor's Newsletter and provide supplemental information during the year.

Enclosed is an article for your newsletter with information I have gathered about diabetes from the International Convention. November is Diabetes Education Month so this information would be appropriate in the next couple months.

Yours in Lionism,

Thomas E. Thorson
Chairman, Diabetes 27B-1
2895 W. Breezewood Lane
Neenah, WI 54956

## DIABETES AWARENESS

November is Lions Diabetes Education Month. What can your Lions Club do to support the International President's program on diabetes? Here are some suggestions.

1. Appoint a club diabetes chairman to plan and coordinate activities. Notify the district chairman who your chairman is so a contact can be established for information.

2. Plan a club program about diabetes. You could invite a local doctor to your meeting to discuss the disease. There will be a "Diabetes Awareness Kit" available from Lions Clubs International this year which your district chairman hopes to have available.

3. Conduct preliminary screenings for diabetes in your community. Such screenings should be done in cooperation with medical personnel or existing agencies for the diabetic. Your part could include providing publicity, assist in filling out forms, finding appropriate facilities for the screenings and making the necessary arrangements, following up on cases, and defraying the costs involved.

4. Support research by contributing to the American Diabetes Association, Wisconsin Affiliate, Inc. These contributions should be sent to the District Chairman. They will be recorded on the district records and forwarded to the association.

Requests for additional information can be made to the District Chairman or to Lions Clubs International, International Activities and Program Development Division. Report all diabetes activities to the District Chairman so a summary of the district diabetes activities can be prepared at the end of the year. The District Chairman is Lion Thomas E. Thorson, 2895 W. Breezewood Lane, Neenah, WI 54956

Dear Lion President:

The youth of our communities are one of a Lions Clubs most important responsibilities. Each year our clubs are called upon to provide money, service and leadership to influence our youth's growth and development. As your Governor, I am interested in helping identify all possible resources for your club's efforts in this area and give appropriate recognition where it is due.

Recently I was made aware of the outstanding partnership Lions Clubs across the country have with the Boy Scouts of America. Did you know that of all service organizations Lions are the largest users of the scouting program? That in our district we have 24 clubs with a cumulative total of over 480 years tenure in using scouting programs? That these opportunities are available to all Lions Clubs?

You, your secretary, or some other member of your club is invited to join me on Thursday, September 12, at The Colony, 15 West Division Street in Fond du Lac--Cocktails at 6:00 p.m., dinner--including chicken & fish with all the trimmings. The cost is only $7.50 per person, including tax and tip. On this evening, I will be joining the Bay Lakes Council, Boy Scouts of America in recognizing the Lions Clubs in our district who currently use scouting as part of their youth program.

Our evening will include highlights of the scouting program in our district, scouting growth potential for boys and girls, and the opportunties available for your club to join in this great partnership for your community.

Your attendance or a representative from your club at this meeting will be important to Lionism and to me. I will be counting at least one representative and proceeding with the plans--Dinner begins at 6:30 sharp, and the entire evening program will be finished by 9:00 p.m. I look forward to working with this fine group and your club.

Yours in Lionism,
Thomas L. Koch

DISTRICT 27-B-1 NOVEMBER NEWSLETTER--DG KOCH
1985

Talk about getting worn out quick! Well, the District Convention is history. We did something new, and I think it went quite well. The comments were generally favorable, and I do think Lions, Lioness, and Leos went back to their clubs better informed because of our work in lionism. We were certainly blessed with several of the "brass" in lionism in our state and at our international level. I hope that you had the opportunity to have members from your clubs at every seminar. Certainly it was quite an experience for me, and even though I did not attend the seminars, I did have a chance to overhear and discuss lionism with several of the presenters. I have to thank so many from outside our district who helped make this convention a success. However, a very special thanks goes to my own cabinet and certainly to all the lions, lioness and leos who participated in this convention. I said "I love you" and I really mean it. Thanks so much! I hope you all had fun! (In spite of the weather.) Thanks also Lioness who helped at the seminars!

We are starting our most nostalgic and gratifying time of the year. I would hope that it is a time that your club can show your yearly gratifying ways by giving to our Wisconsin Lions Foundation and Wisconsin Lions Foundation New Building Fund. We also, of course, need your help and your contributions in diabetes, LCIF, Leader Dog, Hearing Dog, and sight conservation--(Eyes and glasses.) Make this a real gratifying year four yourself and others. Wouldn't December be a great month to do this if you haven't already?

---

I THINK:

1. That in spite of the recent vote, our district is the most financially sound and most reasonable district as far as dues in the state. Therefore, when those seeking to split the district, they should also seek splitting some clubs away to surrounding districts, rather than forming a new district.

2. That cabinet members who have complaints about the District Convention should bring these complaints up at a cabinet meeting--not a general session.

3. That secretaries who do not get M & A's in on time should be brought up as deficient at Board meetings.

4. That all clubs should schedule their District Governor Deputy District Governor and Zone Chairman at their meetings. (Zone chairman, twice.)

5. That housing problems at a District, or State Convention should be thought about before the vote. I am speaking of this year's State Convention especially. Remember that!

6. That if you have a happy thanksgiving this year, which I hope you do, it will because of what you did for others.

7. That the next District Convention should be scheduled to as near a date as this year, but not conflict with the District Bowling as it did this year.

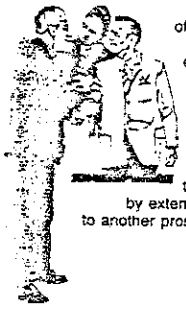
# Lion Members Are Needed!

**In your club...In your community...In your district...In your country**

The International Board of Directors has proclaimed the months of January, February and March, 1986 as District Membership Growth Months. During this three month period a special pin will be awarded to each sponsor of one or more new members. This is specifically a District program and each District Governor will distribute the awards to the sponsors in the District.

Continue to place "Emphasis on Youth." We will, of course, welcome all new members, but if you will attempt to sponsor a member who is the age you were when you became a Lion—your Club will benefit. Make plans to implement this program in your own Club. Plan now to invite friends to share the friendship and fellowship of your Lions Club. The satisfaction enjoyed as a Lion would not have been possible if someone had not invited you to become a Lion. Now is the time to repay that debt by extending an invitation to another prospective member.



YOUTH + QUALITY = SUCCESS

Participate in your District January-February-March Membership Growth Program

Clutch-back award for sponsoring one or more new members

Fellow Lions:

WE SERVE BETTER – TOGETHER is my theme as your International President. If every Club, District and Multiple District work together to achieve the Association's goals, we will be able to meet the increasing needs of the less fortunate and rid the world of the danger of drugs which affect the younger generation.

I urge you to make a special effort during January, February and March to invite quality service-minded men into your Lions Club, young men, middle aged men and retired men to contribute fresh ideas and share in our work of better serving the needs of mankind.

The District Membership Growth Program provides an opportunity for each Lion to share in the growth of our Association by serving better together. Your participation will also help Lions Clubs International reach its goal of 1.5 million members.

Each Lion who sponsors a new member during this three-month program will receive a special membership pin. This pin will serve as a symbol, showing that the Lion who wears it has, indeed, accepted the challenge to SERVE BETTER – TOGETHER.

TOGETHER – sincerely,

Joseph L. Wroblewski
President
The International Association
of Lions Clubs

HAPPY NEW YEAR! Even though it is not the beginning of a New Year in our lionistic year, many clubs are setting some real final goals for the next six months. Remember presidents, you will be remembered for your year as president. Why not still try for that 100% president's award? Secretaries--I sure hope that you made a New Year's resolution--to get M&A's in on time. Thanks for those of you who have been so faithful.

My wife, Karen, and I would like to thank those clubs who included us in their Christmas parties. Also, many thanks for the many gifts and cards. You will be remembered. As I looked through the M & A's for this month, I saw so many things clubs did for their elderly, for the needy, for the community, and for their youth. Just think of the many people who had a little better Christmas because of your lions. Yes, you truly will be remembered.

This newsletter includes some very important dates for you to remember, as well as some important goals. Again, please relate these to your club.

Again, thanks for a lovely memory for 1985; I need your help in 1986. Let's go to work!

# LIONS CLUBS INTERNATIONAL
## MULTIPLE DISTRICT 27 - WISCONSIN

December 9, 1985

IMPORTANT

Dear Fellow Lions:

At the present time, due mainly to the problems with the serving of alcoholic beverages in Wisconsin, we are strongly recommending that all of our Lions Clubs incorporate. With our society becoming so lawsuit happy, for the protection of our members, please discuss with your Board of Directors this possibility.

I am enclosing information from Lions Clubs International relating to incorporation. Please note the instructions, as they must be notified when your Club incorporates. Shop around with attorneys in your community. I'm sure you can find one who will do it for you at a minimal charge. Please pass these papers on to the one you select.

I'm sure you are aware of the problems with the Liquor Liability Law in Wisconsin. As of this fall our Legislature passed a law exempting third party liability, with the exception of serving alcohol to a minor. I'm sure we have all been careful of serving a minor in the past, however we must now take very stringent measures to insure we are not serving alcohol to minors. Be sure and require a proper Wisconsin I.D. card before serving alcohol to any youths. No card, no drink.

The serving of beer at various picnics and other events in Wisconsin is a way of life here. It can be continued, as long as care is exercised in serving to minors, and not serving an obviously intoxicated person. We are committed to working with drug and alcohol abuse, but I don't think that it is an abuse to have a beer at a ball game or picnic. Generally, people are aware of problem drinking, and it is our job, if we are selling beer, to sort out the few who are not.

I am aware that many of our clubs are already incorporated, but we have no record at all of who is, or how many are. Would you please drop a line to me at the State Office letting me know if your club is incorporated or not. If you are not now, but choose to do so in the future, please let me know when you notify International.

The Council of Governors and I are aware of the problems, and are monitoring the situation and cooperating with members of the Wisconsin Legislature. As I get information, it will appear in the Governors newsletter, or the State Magazine.

Yours in Lionism,

Gary M. Lutz

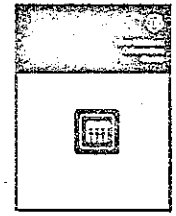
# MEMBERSHIP NEWS

November/December 1985

## District New Member Orientation

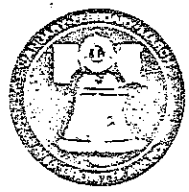
As an integral part of the International President's Program, each District is to have at least two New Member Orientation Sessions. A special kit was sent to your Governor. It outlined the steps in selecting a team to conduct these sessions. It also requested that the name and address of the team leader be submitted to Headquarters. Please ask your Governor if he has sent in his report on the team leader. If he hasn't, please urge him to do so immediately.

It is extremely important that all new members receive an adequate orientation on Lionism, at the Club and District level. To assist Clubs perhaps it would be convenient for each Club President to have a copy of the "New Member Orientation Guide" (LC-13). Therefore, if you want to distribute this important publication among your Clubs, request the number of copies you need directly from the Membership Development Department at Lions Clubs International.



## JANUARY-FEBRUARY-MARCH DISTRICT MEMBERSHIP GROWTH PROGRAM

Your District Governor was sent program brochures, announcements for reproduction and a sample of the sponsor's pin shown below. These tools will help him launch and emphasize this District program. You, as his District Membership Chairman, will really want to back him and attain a high membership growth during the three-month program.



NOTE--A question on the ballot at International convention will be whether to remove the word "male" from our constitution. I am interested in your opinions.

# DISTRICT 27B-1 Newsletter, FEbruary, 1986

As I lay here with my pnuemonia, I have been thinking of my schedule this past month. Consider this: Since I wrote my last newsletter, I visited 17 lions clubs or lioness clubs, had a two-day council meeting, had a cabinet meeting, went to a two-day 27A-1 lions convention and wento to a charter night for the Fond du Lac Lioness, the Eldorado Lions, and the St. Nazianz Leos. It certainly has been filled with excitement and enthusiasm. The new year is off to a good start, and I want to help make sure that each lions, lioness, and leo club gets on the bandwagon and enjoy the fun in serving others.

With the time going so fast, everything seems so important at this time of the year. I hope each person who receives this newsletter will take the time to read it and yellow out or mark in some way parts that are important to every club member and pass the information to them. All of you are involved or should be involved with everything in this letter, so I hope you make a special effort this month to be concerned with the activities of concern at this time.

Attached to this letter is a special report on a lions quest workshop. This is to train the teachers. The cost for the first person is $580, compared to the Quest price of $850--the second person is $280, compared to $290 from quest. This is a chance for your schools to get involved. All clubs should consider this for their schools. If you have further questions, contact me.

**********

Drug Abuse Chairman, Oscar BEilke informed me we do have a four-hour taped video cassette on quest. Any club wishing to find out about Quest should contact him. This is free

Also free--from Lion Oscar, Drug Abuse Chairman, is a 20 minute Drug abuse slide presentation from Lions International. It would be well worth the time to write for this. Again this is free.

I THINK:

Cabinet members should get to the cabinet meetings or let the cabinet secretary know the reason why not.

That an International dues increase from Lions International of approximately $4. per year per member is inevitable for next year.

That the word "male" will have to be deleted from our constitution and that males and females will be under one umbrella. This would mean that females would have a right to vote, elect all offices, etc. They should have this opportunity. Of course, they would also have to pay full dues.

I am not sure after PDG Glenn Murty's report on bowling who won the match between the district governors and the committee.

Past District Governor, Orv Doede deserved an honor night and the awards he received because of his dedicated service continually to lionism.

That Lion Ed Ehlert, secretary of the Manitowoc Lions, deserved his special recognition night and awards. Congratulations!

The candidates for International Director better stop giving a long list of their qualifications and experience as a lion and start telling us what they stand for.

That their will be a new club very soon in Waldo. Please help Lion Extension chairman, Jim Hildreth!

LIONESS DOROTHY--LIONESS ASSOCIATE WRITES: We, as Lioness Chairman and associate want to thank all the Lioness clubs for the good work they are doing, and also all the things they have done. Of course, as lions and lioness, our work is never done. We are hoping our Lioness clubs are out looking for more clubs that would help support a liones club. The more clubs, the better we can serve. We are ready to help any one we can if they will let us know where and when.

## WISCONSIN DISTRICT 27B-1

DISTRICT 27-B-1 NEWSLETTER--MARCH, 1986, EDITION

This again is a very busy month for me, and from the looks from your M & A's many of you are also busy. Please find in this edition more on insurance, more on who owes yet for different State and International projects, and some new information and ideas. Needless to say, Karen and I are already looking forward to our State convention in Rhinelander. We were up there this past weekend, and found it to be full of the lions spirit. Certainly it should be a good year for many of you to try a State Convention if you have not done so already.

Finally, we are looking forward to New Orleans. I hope those of you who are planning to go have made some of your plans and are watching the International magazine for more information. The state magazine for the April edition will have final details on the State Convention. Be sure to point that out for all delegates. I am also looking forward to reading about your bowling results. Also notice in this newsletter information on the new constitutional proposed changes. Are you serving better Together?

////////////////////////////////////////////////////////////////

Secretaries and presidents! Surprise me and get those PU101 forms in to me by April 30 or before. They are so necessary because of the state magazine. This is your new officer list.

Presidents: For those of you who are interested in that $5,000 insurance policy for accidents for lions that costs $1 per member, please wait a few weeks. More will be coming directly from the insurance company.

Presidents and secretaries: Again enclosed in this newsletter are the rules for receiving 100 percent president or secretary. I hope you know that you will not receive these unless you qualify. Please understand these are only our rules. To be truly 100 percent your club also must think so.

NOTICE TO ALL MEMBERS: Bids will be let out on April 1 for any company interested in bidding on the new building project at Camp Rosholt. Interested bidders should contact Joe Desch at the camp for more information.

I sure hope March is not your Blah Month! This is still in our January-February-March Membership Growth Month. Maybe this would liven things up in your club if you got a member or two yet this month!

•A Club shall have no unpaid balances of over $50.00 owing to the International office as of March 31 of the fiscal year.

•The Club must achieve one of the following:

A. Show a net increase in Club membership for the fiscal year.*
B. Sponsor a new Lions Club during the fiscal year.

•An accounting must be made for all membership and activities reports.

•In order to qualify for the award, the Club President must certify that all new members have been properly inducted and indoctrinated and involved by assignment to a working activity or service committee.

MORE INFORMATION TO DELEGATES:

So far, Vern Pautz, PDG, and Milt Wood, PDG have announced their candidacy for Wisconsin Lions Foundation. This will be voted on at the State Convention. Also, our own Oshkosh Lakeshore have announced plans to have the State Convention in 1988 at Oshkosh. Green Bay will be running against them. Finally, officers for International Director are, Helmer Lecy, PDG, Harry Merriman, PDG, and Michael Travis, PDG. Watch for more information and news and make a decision on how to vote.

HERE IS INFORMATION WITH A LITTLE EDITORIAL COMMENT ON THE STATE CONSTITUTION & bylaws that we will be voting on at state. Please ask any questions if you are not sure what to do. But this is important for all delegates.

RESOLUTION 1: States that the Governors Elect will select an immediate Past District Governor to serve as Council Chairman. This resolution was submitted by PDG Eugene Norberg. It has been recommended by the present District Governors for approval. Comment: The continuity would be very helpful to new DG,s. This resolution is also supported by our State Secretary.

RESOLUTION 2: This resolution recommends relocation of the state office, submitted by Iola Lions. This has been recommended for disapproval by both the consitution and bylaws committee and the State Council. Comment: This resolution should not have been submitted in my opinion. We pay our state secretary $6,000 per year. If he would have to have his office elsewhere, we would need a new state secretary, and the cost may be ridiculous.

RESOLUTION 3: This resolution limits candidates who are running for international office. They could not seek endorsements from those other than from district 27, or endorsemnts from other districts than their own, or from a district governor. This was submitted by Ron Duffe, PDG. It was recommended for disapproval. Comment: This would really tie the hands of a prospective candidate, especially at International.

RESOLUTION #4--This resolution prohibits the counting of ballots by non lions. Recommendation is for nonapproval.

Comment: We already have this resolution in our constitution. Adding this would be redundant and unnecessary. Also, the resolution states, "The Committee shall personally count and certify the election results." It would take days to count the ballots. We have one person on each committee from each district.

RESOLUTION #5--This resolution explains what should be done in case a request for a recount is made. Council recommendation is for approval.

Comment: We should have ahd this long time ago.

RESOLUTION #6--Allows for publication of all resolutions to be presented at the Wisconsin State Lions Convention in the Wisconsin magazine.

Council Recommendation for approval--no comment.

RESOLUTION #7--This resolves that the selected candidate for International director have state endorsement and support. HOwever, it further states that the Internatonal Convention committee shall be responsible for organizing the campaign.
Council Recommendation for non approval.

Comment: That last part hurts this resolution. The candidates run their own campaign and that's the way it should be.

## WISCONSIN DISTRICT 27B-1

DISTRICT 27B-1 APRIL, 1986, NEWSLETTER

After my fourth cabinet meeting with one of the best cabinets ever--the best cabinet ever--in 27B-1, I can now see my year winding down a little. In a few days, I will be making my last official lions club visit. I hope the last few months are as exciting and rewarding as the first nine. In this newsletter, I have information on State and International convention, things that must be considered yet in each of your clubs, and some information that I will be needing to wind down this year. So there is still work to be done, and I hope you all are not going to quit yet. My students are getting what we call "senioritis." I hope our leaders in lions do not get a similar illness because it could mean disaster!

On this first page, I am highlighting the things you should be doing within the next month. Throughout the rest of the newsletter, you will be finding detailed information. With just a little more effort, we can do what you dreamed of doing when you started this year.

PRESIDENTS: Would you please do the following:

Check to see if your club donated to LCIF, Leader Dog, Diabetes, hearing dog. WE WERE 100% ON GIVING TO THE WISCONSIN LIONS FOUNDATION. Can we do the same on the others?

Check to see that your district, state and international dues are in. Only one club owes state and district, but several owe international. Straighten these up this month!

Check to see that your PU101 form is in--new officer reporting form. Over half are in already! Also lioness make sure your reporting form is in.

Check the list enclosed to see if your deceased lions are listed. They will be remembered at the state lions convention necrology service. If not listed, let me know immediately.

Are you going to the Thursday night banquet or International Breakfast? Tickets for banquet are $14.50 each and should be requested from me by April 25 for sure. Breakfast for International are $10 each and should be requested by May 15.

Are you a 100% President? Look at qualfications needed in my last newsletter or in your handbook. Is your secretary a 100% secretary?

SECRETARY: Are you a 100% secretary? Is your president a 100% president? Is the PU101 form in--dues?--M &A for this month?

Zone Chairmen? Does your zone show an increase in membership? Are all dues up do date? Please help me in this! Are all clubs informed on state and international candidates, constitutional changes, and requirements?

Deputies: How do you relate to the above? Check our regions! Are you ready for your indoctrination seminar? Is the word out?

May, 1986, District 27-B-1 Newsletter

The year is not over yet*Presidents*Secretaries*Cabinet. Oh, I know all clubs have had their elections, but the new officers are not to take over until July 1. Let's consider these two months as months of opportunity to bring more to lionism than you even thought was possible. Let's start with membership. How did your club do here this year so far. I know there are two more good people in your communities. Zone Chairmen--how does your zone stack up on new members? Do you have a gain? Maybe one last push could make the difference. How about your giving to diabetes, LCIF, Leader Dog, Hearing Dog. What a year to do that little bit more for your club, zone or region! You will be so happy when you can find out what you can really do. Please check your checkbooks in your clubs. Are you really challenging your members to participate in your functions? Maybe by the boards getting together we can make this the best year yet on everything. Then, and then only, can we be proud when we make the accounting at our year's end.

??????????????????????????????????????????????????????????

Due to the strong demand for district luncheon tickets, the district luncheon will be at the Claridge Motor Innin in Rhinelander, rather than Holiday Acreas as I previously reported. Please let your delegates know this!

The Wisconsin Dells lions invite any lions and guests to their First Annual Wisconsin Dells Lions Open Golf Tournament to be held June 21 and 22 at the Dells. Call 1-800-22DELLS for information.

++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++++

We have a long list of clubs who did not give to Leader Dog at this time. What seems to be the problem? Are you all giving at the Parade of Checks. Don't forget to send in your sight form that was in the last newsletter to Lion Ted Pagels, sight chairman.

A NOTE FROM OUR BOWLING CHAIRMAN, GLENN MURTY, PDG:

Next year the district bowling is in region (this coming October) 3. This will be hosted by the Eldorado Lions. The 1987 District 27B-1 Bowling Tournament will be held in Region IV. Any clubs wishing to hoste this tournament must submit their written invitation to the district Bowling Chairman by September 1, 1986. Voting for the host club will take place at the District 27-B-1 Convention in Green Lake.

<u>NEW MEMBER VISIT TO LIONS CAMP AT ROSHOLT:</u> This is the latest word: A bus has been obtained to take new members or prospective members to Camp Rosholt. What an orientation and a selling point for these new members. It is conducted by the present DG's. The day is July 26. The bus would leave Fond du Lac at approximately 8:00 p.m. and arrive back at about 4:30 p.m. Cost for your club will be about $2 per new member including, food, drinks, ride, etc. The Albany lions club is donating the food. If more buses are needed, we will get them. Lion Irv Wittchow from the Rosendale bus will drive one bus. Sign up new members to go now and mail them to me. Final details will be given in the June issue. One bus may go from each side of the lake. Get these interested people to sign up--it will be fun and educational!

**********************************************************************

An official word from our Leadership and Officer Indoctrination chairman, Don Kringel, PDG: Dear New Presidents and other lion officers. You have been elected to be an officer and leader of your local lions club. This can be and will be an exciting year of your life.

An opportunity to lead and service your club in your community is a challenge that will need the help and advice from your club.

We, the district officers, do want to help make this a successful year for you and your club. Your current Deputy District Governor and Zone Chairman are preparing a seminar to assist you in preparing yourself for your year as lion president.

The seminars are as follows: Elkhart Lake--For REGION 2--May 5
Oshkosh--For REGION 3--May 19
Princeton--For REGION 4--May 29
Unknowon--For REGION 1--June 2

You will be receiving a letter from your Deputy DG on exact times and so forth. Please plan on attending with the other officers in your club and throughout the region. This seminar should help you in preparing yourself for a successful year for being a lions club leader. Again, congratulations, and wishing you the success in making <u>your year</u> the greatestin lion history.

Yours in Lionism,

Gon Kringel, PDG, Leadership Chairman

## LIONS CLUBS WORLD CONVENTION TO VOTE ON ACCEPTANCE OF WOMEN MEMBERS

Lions Clubs International, the largest men's service club organization in the world, with more than 1.3 million members and 37,000 clubs in 161 countries and geographical areas around the world, will seek its members approval, at its world convention in July, to open up its membership to women.

If the membership agrees to remove gender as a membership condition, women will be able to become equal member Lions, with the right to vote on Association issues, hold Association offices, participate in Association administrative structures and share in membership responsibilities.

"Our International Board members, leaders of our Association from all over the world, believe unanimously that we have a definite obligation to provide an effective, satisfying outlet for women, for those who have meant so much to our service efforts over the years," said Joseph L. Wroblewski of Pennsylvania, Lions' world President.

# OFFICIAL NOTICE

*The following proposed amendments will be reported to the delegates for vote at the 1986 International Convention.*

CONSTITUTION

ITEM 1: A RESOLUTION TO REMOVE THE WORD "MALE" AS A CONDITION OF MEMBERSHIP IN A LIONS CLUB.

This resolution will provide that a Lions Club would be eligible to invite both male and female persons as members. Thus, membership in a Lions Club will continue to be by invitation only whether a Club is comprised of all men, all women, or men and women.

Shall the following resolution be adopted?

BE IT RESOLVED, That, Article III, Section 8, of the International Constitution be amended by deleting the word "male" as it appears in Line 2 of said Section and that a new sentence be added to the end of said Section to read as follows:

"That wherever the male gender or pronoun presently appears in the International Constitution and By-Laws, that the same shall be interpreted to mean both male and female persons."

ITEM 2: A RESOLUTION TO PROVIDE FOR A US$4.00 PER YEAR INCREASE IN THE PER CAPITA TAX.

This resolution will provide that, effective July 1, 1986, there will be a US$4.00 per year increase in the per capita tax of which US$1.50 will go to increase the subscription price of THE LION Magazine from US$2.25 to US$3.75. The balance will go to fund the general expenses of the Association.

Shall the following resolution be adopted?

BE IT RESOLVED, That, effective July 1, 1986, Article VIII, Section 2(a), of the International Constitution be amended by deleting the phrase "four dollars sixty-two and one-half cents (US$4.625)" and substituting the phrase "five dollars eighty-seven and one-half cents (US$5.875)";

BE IT FURTHER RESOLVED, That, effective July 1, 1986, Article X, Section 2, of the International Constitution be amended by deleting the phrase "two dollars and twenty-five cents (US$2.25)" and substituting the phrase "three dollars and seventy-five cents (US$3.75)".

WOMEN IN LIONISM

The Board of Directors has voted to ask the 1986 Convention delegates to remove the word "male" as a condition of membership in a Lions Club and if the amendment passes, the following will apply:

1. Membership in a Lions Club will continue to be "by invitation only", whether the Club is composed of all men, all women, or men and women. If a Club faithfully observes the "by invitation only practice" it will be able to determine who may be and may not be a member in the Club. A Club not following the strict membership practices of Lions Clubs International risks violating anti-discrimination laws, which laws require very strict observance of "private club invitation" procedures. However, in making any membership decision the Board urges each Club to consider not only legal factors and rights, but the larger purpose for our existence as a humanitarian organization -- namely, service. As the largest and best service organization in the world we should be leading organizations such as ours toward making all volunteers, male and female, relevant in today's society. Passage of the Amendment will provide greater opportunity for all citizens of all nations to participate in a more meaningful way in world and community service.

2. Lioness Clubs in existence will have twelve months from July 12, 1986 to apply for and receive a charter of organization as a Lions Club without the necessity of sponsorship by another Lions Club.

3. Lioness Clubs applying for and receiving a charter of organization as a Lions Club will be known thereafter as a Lions Club.

This is my last "hurrah" newsletter! It was a most enjoyable year, and I hope to let you know that I had fun. I hope you had fun also--serving better--together. This phrase certainly has a lot of meaning when you are in a position of leadership. Thanks for the help.

In this letter, I want to emphasize some important dates, some important year-end activities, my suggestions for officers and members next year, and my sincere appreciation. Finally, I want to wish you the best in the years to come in the goals of lionism. It has been a very busy year for many of us, but much has been accomplished. Now, as PDG Don Kringel once said, "Our work this year is only good if it is better next year." Let's keep this goal in mind!

**********

***July 26 and July 27*** LIONS-LIONESS-LEOS

These are two important dates. On July 26, the distict and state is sponsoring a new-member orientation by a visit to Camp Rosholt. The bus will leave the Brandon-Rosendale-Fond du Lac area at approximately 8:30 a.m. and travel a logical route to the camp--with stops along the way to pick up more lions. What a way to get your new members indoctrinated into lions! At camp we will have a planned tour--approximately one hour. We will then have a catered dinner by the Albany lions. The cost for ride, food, drinks, etc. will be about $2 per member. Your new members will not have to go on the bus. They can drive their own cars or vans. However, we do need to know numbers. /Please indicate how many will be driving the bus and who will be taking their own transportation and mail this to me or the new District Governor, Dennis Kitchen, by July 15, 1986./ The exact bus route will be sent to you in the July newsletter. Let's fill the Camp!

On July 27, there will again be president's day with their spouses. All incoming presidents are invited. More will be sent to you on this, but I want you to mark your calendars now, so a record can be sent.

---

Congratulations to incoming DG, Dennis Kitchen, for being voted to be the council's representative on the WLF Board.

Don't forget to get the 100% applications for secretaries and presidents in. Secretary forms were sent in past newsletters. The president's form was in a past newsletter and also in the president's materials.

A standard form for nominations for District Governor and Wisconsin Lions Foundation is attached. DG is at Dist. Conv.--WLF dirctor may also be there--decision later. Dist. Conv. next year is in Region 3. Get Applications in--also for bowling.

SOME THANK YOU'S for this year--

THANKS CABINET FOR STICKING WITH ME AND WORKING SO HARD TO ACCOMPLISH SO MUCH.

THANKS PRESIDENTS AND SECRETARIES. YOU MADE MY YEAR ENJOYABLE. A SPECIAL THANKS FROM KAREN AND ME FOR ALL THE GIFTS YOU GAVE WHEN WE VISITED AND ESPECIALLY THE WONDERFUL RECEPTION WE RECEIVED.

THANKS TO THE LORD FOR GUIDING AND PROTECTING ME THROUGHOUT THIS YEAR AND ALWAYS KEEPING ME SO CALM AND COLLECTED.

THANKS TO THOSE CLUBS WHO WERE EXTRA-SPECIAL TO ME--Planning for my visit, making me feel wanted at your meetings, recognizing me as a district governor, sending me newsletters, keeping me informed, paying your state, district, and International dues on time, making sure M & A's and other reports were properly filled out and informative, and recognizing the fact that I can make mistakes, and you were understanding. Approximately 60% of the clubs recognized either my wife or me with a gift when we came to visit. Many of these will be saved in your remembrance. The money gifts were donated to one of our charities. The food gifts will be remembered. Thanks again for making me welcome.

THANKS TO ALL THE FRIENDSHIPS--LIONS, LIONESS, AND LEOS THAT KAREN AND I MADE THIS YEAR. THIS IS WHAT MAKES THIS YEAR A MOST UNFORGETTABLE YEAR.

THANKS TO THE PAST DISTRICT GOVERNORS WHO HELPED ME WITH ADVICE AND WORK. YOU REALLY ARE NOT A "PAST" IF YOU CONTINUE TO WORK.

SOME SUGGESTIONS FOR YEARS TO COME--

Our district constitution still needs many revisions. Somehow the cabinet should consider giving members advice on how to vote. This could be done similar to the way it is done at state--in how the committee voted and how the cabinet would support it.

Presidents should consider including the major parts of the District Governor's newsletter in their newsletters so all can become better informed.

Club's invitations to the district governor should be planned now. He has many visits to make. A plan--possibly a joint meeting, or a meeting with local lioness would be best. Most of all, treat him with the respect he deserves. Good luck Dennis!

More suggestions----------For what they are worth!

Presidents and secretaries must seek help when inviting outside guests to major functions, such as recognition banquets, anniversaries, etc. Many past district governors would be happy to help, and you will benefit because of it.

Deputy District Governors must become more actively involved to help the District Governor. Please ask him how.

Zone Chairmen must keep meetings different, informative and fast-moving. Many zone chairmen had some excellent activities, for example in Region 3, zone 3, where the zone got together to purchase a Speller Teller for a handicapped school.

Past District Governors must realize that the International Association of Lions has many dollars invested in their "expertise" and they are needed to help make this district a #1 district--forming clubs (lions, lioness, leos), indoctrinating clubs, providing leadership, explaining functions of our organization, and improving the district. They are not needed to complain when something is not quite the same way as it was when they were the DG. They are not needed to pick apart each error a DG or cabinet member makes. They are advisers now.

Treasurers must be informed on dues. They do not get a DG newsletter. Presidents and secretaries must be more informative to all. Often something is tossed aside that is important.

Clubs must get out of "ruts" on what they give to LCIF, diabetes, hearing dog, and leader dog. Base this on a project, on what you have this particular year--not on what you gave in the past. Remember, We serve better--Together. Therefore, if we are to fight the major things International has its goals, or the State has on its goals, we must do it together. It helps our local communities in the long run.

Women in lions must become a mjor thought in every club. I am not sure yet how this should be, but they must be involved.

That's all now!

There still is a major problem with liquor liability insurance even though several clubs have become incorporated. It is extermely important to use all precautions when serving alcoholic beverages. Do NOT SERVE MINORS!

**********

It would appear that most clubs are taking advantage of the $1 per member accident liability insurance for lions. This was sent to the presidents. If there are questions, please contact me.

Good Bye! As a District Governor, I am now a "past." I have had the best year any district governor could have had. Together, we accomplished so many things. We contributed record amounts to the Wisconsin Lions Foundation, WLF Building Fund, Lions Clubs International Foundation, and I am not sure about the others, but I do know they rank near the top! We added three new lioness--possibility of four yet. We added two new lions clubs. We added another leo club. We participated more in more seminars in fighting alcohol and drug abuse than ever before and started more Quest programs than ever in school systems than we ever had! This is exciting in itself. But, we also ended our year with a net gain in membership! We had the largest attendance ever at a District Convention and changed the format of district conventions for the future. I think our clubs are better informed than ever due to our leadership chairman and the activity of the cabinet. We are ready to move forward as we look at our past. And, even though I am not 100% satisfied with my year; there were more things we could have done; there is still so much to do; but WE DID SERVE BETTER--TOGETHER!

THANKS FOR THIS YEAR! A YEAR MY FAMILY AND I WILL ALWAYS REMEMBER!

---

HELLO! I am a past district governor. I am eager to be a part of our district and state's lions goals and help in the efforts of the International Association of Lions. I plan to work hard in helping to make District 27B-1 lions better in your new District Governor, Dennis Kitchen's year. I wish them the best from all of you and hope that I can be a part of his success. After my thousands of miles and hundreds of meetings, I may not know everything about lionism, but I did learn something that I think can help our district, and I intend to use it. I will be expressing my opinions about the splitting of our district, and I do look forward to visiting your clubs in the future in some of your activities. I hope you continue to look at me as a leader in lionism, because this is what I intend to be.

Thanks again for making it so nice to look forward to my future in this great organization!

WE WILL BE SEEING YOU!

Tom and Karen Koch
